- ☒ Respected & Responsible
- ☐ Connected & Engaged
- ☐ Unique & Creative

**ACTION**

- ☒ Motion
- ☐ Resolution
- ☐ Ordinance - Introduction
- ☐ Ordinance - Adoption
- ☐ Public Hearing

**TITLE:**

Grant Award and Sole Source Purchase: Chest Compression System

**SUMMARY RECOMMENDATION:**

Authorize the acceptance of grant funds received from the U.S. Department of Health and Human Services of \$120,000.00 and a sole source purchase for five Lucas chest compression units to:

Stryker Sales Corporation Chicago, IL

(Fire – 2021-20000073 and SS-21-126) (Steve Irr/Robin R. Wilson)

**STRATEGIC OUTCOME:**

Grant funding provided the necessary emergency equipment for the Yuma Fire Department with the most comprehensive selection of emergency and lifesaving equipment at a reasonable cost. This expenditure aligns with the strategic outcomes of Safe and Prosperous and Respected and Responsible.

**REPORT:**

The City of Yuma received Provider Relief funds provided by the U.S. Department of Health and Human Services to be expensed by June 30, 2021.

The purchase of the equipment will be an essential part of the Emergency Medical services day-to-day operations.

The Lucas compression device is able to effectively deliver chest compressions to cardiac arrest patients at a perfect rate and compression depth for the duration of an emergency incident. This increases patient survivability and frees up emergency personnel to carry out other crucial emergency scene activities. Additionally, use of the Lucas compression device means that an emergency responder does not need to be in close proximity to the cardiac arrest patient's airway, minimizing exposure to infectious pathogens, including COVID-19.
