REPORT:

Upon routine review of the Yuma City Code (Code) staff discovered a variety of items to be updated to correct typographical/editorial errors and to bring aspects of the Code up to date. Chapter 194, Illicit Discharge Detection and Elimination, was reviewed as part of the process of keeping the City's stormwater compliance requirements current with the City's permit and processes.

The changes proposed update references to current information, correct the responsible City department, and make other minor editorial corrections.
