Intergovernmental Agreement: Yuma Elementary School District No. 1

SUMMARY RECOMMENDATION:

Authorize the City Administrator, or his designee, to execute an intergovernmental agreement with Yuma Elementary School District No.1 for the School Safety Program for a three-year period.
(Police/Patrol) (John Lekan)

REPORT:

This is a three-year intergovernmental agreement (IGA) with the Yuma Elementary School District No.1 (District) and the City of Yuma (City) through the Yuma Police Department (YPD) to continue to work cooperatively to further the goals of the District-funded School Safety Program.

The School Safety Program was established by Arizona Revised Statutes § 15-154 in 1994 for the purpose of placing School Resource Officers (SRO) on school grounds to contribute to safe school environments that are conducive to teaching and learning. A SRO spends most of his/her time on the campus of his/her assigned school. The SRO serves as a law enforcement officer and law-related educator, and acts as a positive role model. The YPD has assigned officers to local schools for over 20 years.

Under the IGA, the YPD will assign five full-time SROs to the District; one each at Fourth Avenue Junior High School, Castle Dome Middle School, Gila Vista Junior High School, Ron Watson Middle School and Woodard Junior High School. The District will reimburse the City for 11 months of the assigned SROs' full-time salaries.

The IGA terminates on June 30, 2020. The District approved funding for this program cannot exceed \$473,995.25 for each year.
