- ☐ Connected & Engaged
- ☐ Unique & Creative

**ACTION**

- ☐ Motion
- ☐ Resolution
- ☐ Ordinance - Introduction
- ☒ Ordinance - Adoption
- ☐ Public Hearing

**TITLE:**

Code Text Amendment: Floodplain Management

**SUMMARY RECOMMENDATION:**

Amend Yuma City Code Title 15, Chapter 151, to update floodplain management language in order to bring City regulation into compliance with the State of Arizona model code language, as required by the Arizona Department of Water Resources. (Engineering) (Jeffrey A. Kramer)

**STRATEGIC OUTCOME:**

This action supports the City Council's strategic outcome of Respected and Responsible by bringing the City's Floodplain Management Code into compliance with the current state model code language.

**REPORT:**

In November, 2020, the City of Yuma participated in a Community Assistance Contact with the Arizona Department of Water Resources (ADWR) to review the City's current floodplain ordinances. Upon completion of the ADWR questionnaire, and subsequent to a December 1, 2020 conference call between Yuma and ADWR staff, Yuma was asked to update its floodplain management language to be in compliance with the language in the state's model, and to update some reference language.

Staff prepared the requested edits and reviewed them internally and with ADWR staff. The proposed edits have no adverse impact on floodplain boundaries or the requirements for compliance with floodplain regulations. The proposed amendment updates language, organization, and references in Yuma's floodplain ordinances.
