TITLE:

Intergovernmental Agreement: United States Border Patrol Emergency Medical Technicians Training Program

SUMMARY RECOMMENDATION:

Authorize the City Administrator to execute an intergovernmental agreement (IGA) providing Emergency Medical Services (EMS) training to United States Border Patrol Emergency Medical Services Technicians. (Fire Department/Administration) (Steve Irr)

REPORT:

This IGA permits the City of Yuma Fire Department to train and supervise United States Border Patrol Emergency Medical Services Technicians in clinical and on-vehicle instruction.

Students participating in the Yuma Sector's Emergency Medical Services Technicians training are required to participate in clinical and on-vehicle training as part of their curriculum. This proposed IGA will facilitate the necessary training.

The IGA limits the liability of each participating entity. The students are federal employees and claims against them will be governed by the Federal Tort Claims Act. The City EMT employees are governed by state law, including but not limited to, the liabilities and immunities found in A.R.S. § 9-500.02.

Approving this Motion authorizes and directs the City Administrator to enter into the IGA.
