Upon receipt of an invoice from ADOT, the Local Agency shall pay the full amount within 30 days, as provided in paragraph III.4.d. of this Agreement.
 - p. After completion and final acceptance of the Project, agree to maintain and assume full responsibility of the Project and all Project components.
4. The Parties agree:
- a. The HURF Exchange program is offered at ADOT's discretion. ADOT reserves the right to discontinue the HURF Exchange program at any time. Such termination will not affect the validity of this Agreement.
 - b. A Fully Executed IGA does not guarantee funding or constitute permission to begin work. The Local Agency must request and receive Authorization and a Notice To Proceed from the ADOT PM for each Project phase in advance of starting work.

- c. No Change in Scope is authorized under this Agreement. If the Local Agency desires a Change in Scope, a formal amendment to the Agreement is required, signed by both Parties.
- d. If the construction phase is not complete within two years from the completion of design, or if all phases of the Project are not completed within three years from the date of the initial financial authorization of the first HURF Exchanged funded phase, whichever is earlier, this Agreement will terminate and the Local Agency will be required to repay all HURF Exchange advances and reimbursements received to date.

The two year period will be calculated as two years from the date the close out letter for the design phase was received by ADOT. Termination under this section will be executed as follows:

- (1) Thirty days prior to termination, the State will send a letter to the Local Agency and the ADOT PM, indicating:
 - i. The close out package required in section III.3.l. was not received by ADOT within two years of the completion of design or three years from the date of the initial financial authorization of the first HURF Exchanged funded phase, whichever is earlier; and
 - ii. The steps necessary to avoid termination of this Agreement.
- (2) If the close out package is not received by ADOT within 30 days of the date of the letter:
 - i. Any funding remaining on the Project will be de-obligated and returned to the respective COG/MPO for reprogramming on another Project;
 - ii. No further invoices will be accepted from, and no additional payments will be made to, the Local Agency for the Project; and
 - iii. The Local Agency must repay to ADOT all funds which have been previously paid by ADOT under this Agreement, including all current and previous phases.
 - iv. The State will send an invoice to the Local Agency for all HURF Exchange Funding advanced or reimbursed for each phase of the Project with the due date by which such funds must be repaid to ADOT.
- e. Expenditures incurred prior to the Date of Authorization of the applicable phase are not eligible for HURF Exchange.
- f. The amount obligated for each Project phase will be adjusted to the Final Project Phase Amount.
- g. If there is no billing activity in the State's accounting system for 180 days, the Local Agency shall provide documentation which justifies the Project phase is still active to

the State within 10 days of request. If the Local Agency cannot demonstrate such justification, the Project phase will be de-obligated as follows:

- (1) Thirty days prior to de-obligation, the State will send an email to the Local Agency and ADOT PM, providing notification of the funds available on the Project phase, number of days since the last billing activity in the State's accounting system and the steps necessary to remove the Project phase from pending de-obligation status.
 - (2) If the Project phase is not closed or billing activity generated within 30 days of the date of the email, any remaining funding will be de-obligated and returned to the respective COG/MPO for reprogramming on another Project. No further invoices will be accepted from, and no additional payments will be made to, the Local Agency for the applicable Project phase.
 - (3) Upon de-obligation of funds from the inactive Project phase, ADOT will send a letter to the Local Agency with notification of the date of de-obligation, the treatment of the de-obligated funds and, if applicable, an invoice for any funding which must be repaid to ADOT with the due date(s).
- h. All HURF Exchange submissions and invoices are to be submitted to the assigned ADOT PM.
 - i. Any HURF Exchange funds de-obligated or released from Project phases will be returned to the applicable COG/MPO for reprogramming.
