

STAFF REPORT TO THE PLANNING AND ZONING COMMISSION DEPARTMENT OF COMMUNITY DEVELOPMENT COMMUNITY PLANNING DIVISION

CASE TYPE - PRELIMINARY SUBDIVISION
CASE PLANNER: BOB BLEVINS

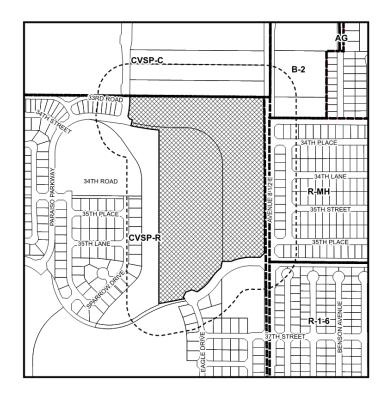

Hearing Date: May 11, 2020 <u>Case Number</u>: SUBD-29684-2020

Project Description/Location:

This is a request by Jacobson Companies, Inc., on behalf of Stewart Title and Trust of Phoenix, Inc., for approval of the preliminary plat for the Cielo Verde Units 2B, 4 and 6 Subdivision. This subdivision contains approximately 40.89 acres and is proposed to be divided into 177 residential lots, ranging in size from approximately 4,513 square feet to 17,257 square feet, for the property located at the northwest corner of E. 36th Street and S. Avenue 8 ½ E, Yuma, AZ.

| | Existing Zoning | Existing Land Use | Designated Land Use |

Location Map

<u>Prior site actions</u>: Annexation: O97-075 (12/19/97); Development Agreement: Cielo Verde Specific Plan (R2001-30).

Staff Recommendation: Staff recommends **APPROVAL** of the preliminary plat for Cielo Verde Units

2B, 4 and 6 Subdivision, subject to the conditions outlined in Attachment A.

Suggested Motion: Move to **APPROVE** Preliminary Plat SUBD-29684-2020 as presented,

subject to the staff report, information provided during this hearing, and the

conditions in Attachment A.

Effect of the Approval: By approving the preliminary plat, the Planning and Zoning Commission is

acknowledging the street and lot layout of Cielo Verde Units 2B, 4 and 6 Subdivision, which includes 177 lots ranging in size from approximately 4,513 square feet to 17,257 square feet, for the property located at the northwest corner of E. 36th Street and S. Avenue 8 ½ E, Yuma, AZ., subject to the conditions of the rezoning and the conditions outlined in Attachment A, and affirmatively finds that the request is in conformance with the City of Yuma Subdivision Code and General Plan and is compatible with

surrounding land uses.

Staff Analysis:

Cielo Verde Units 2B, 4 and 6 Subdivision is proposed for site-built single-family dwellings on lots 4,513 square feet or greater on vacant land, located at the northwest corner of E. 36^{th} Street and S. Avenue 8 ½ E.

Access will be via S. Avenue 8 $\frac{1}{2}$ E and S. Cielo Verde Drive. The portion of E. 36th Street from S. Avenue 8 E to S. Avenue 8 $\frac{1}{2}$ E will be completed along with the subdivision, allowing additional access.

The following are some of the development standards required in the Cielo Verde Specific Plan (CVSP) District:

- The maximum lot coverage in the Cielo Verde Specific Plan (CVSP) District shall not exceed 50% of the lot area.
- A minimum front yard setback of: 20 feet; or 15 feet with an increased rear vard.
- A minimum side yard setback of: 7 feet; multi-family can be zero feet.
- A minimum rear yard setback of 10 feet; or 15 feet if front yard reduced.
- A requirement for each lot to provide 2 off-street parking spaces, appropriately located.

A Municipal Improvement District (MID) will be established for the maintenance of required subdivision landscaping. If developed in phases, the MID for each phase will need to be established prior to the issuance of any residential building permits.

1. Does the subdivision comply with the zoning code and the zoning district development standards?

Yes This preliminary plat meets CVSP development standards.

2. Does the subdivision comply with the subdivision code requirements?

Yes

3. Does the subdivision comply with the Transportation Element, plans and policies? Yes

| Transportation Element | Planned | Existing | Difference | Requested |
|---------------------------------|-----------|-----------|------------|-----------|
| Avenue 8 ½ E – 2 Lane Collector | 40 FT H/W | 40 FT H/W | 0 FT | 0 FT |

| 4. Is the subdivision | the site of any | public facility | in the | General | Plan? |
|-----------------------|-----------------|-----------------|--------|---------|-------|
| No | | | | | |

Public Comments Received None Received.

External Agency Comments: None Received.

Neighborhood Meeting Comments: None held.

Proposed conditions delivered to applicant on: April 9, 2020

Final staff report delivered to applicant on: April 29, 2020

Applicant agreed with all of the conditions of approval on: April 9, 2020

Applicant did not agree with the following conditions of approval: (list #'s)

If the Planner is unable to make contact with the applicant – describe the situation.

If the Planner is unable to make contact with the applicant – describe the situation and

attempts to contact.

Date: 04/14/2020

Approved By Alyssa Linville,

Assistant Director Community Development

ATTACHMENT A PRELIMINARY PLAT CONDITIONS OF APPROVAL

The following conditions of approval have been determined to have a reasonable nexus to the requested subdivision application and are roughly proportionate to the impacts associated with the subdivision and expected development on the property.

Community Development Comments: Alyssa Linville, Assistant Director, Community Development, (928) 373-5000, x 3037:

- 1. The conditions are in addition to City codes, rules, fees and regulations that are applicable to this action.
- 2. The Owner's signature on the application for this land use action request takes the place of the requirement for a separate notarized and recorded "Waiver of Claims" document.

City Attorney Comments: (928) 373-5058:

- The rights-of-way must be dedicated free and clear to the City, and all easements in the right-of-way must be vacated unless the easement is specifically presented to the City, and the City specifically approves its acceptance. Approval of the plat is not approval of an easement in the right-of-way.
- 4. Any easements on other property in the subdivision must be vacated to the extent that they would require a utility, licensed cable operator, or other licensed or franchised communications system (collectively, the "utilities") to:
 - a) pay to cross the easement to reach any structure on the lot;
 - b) prevent the utilities from providing service to any structure on a lot; or
 - c) effectively prevent any entity authorized to place facilities in a utility easement from using the easements or accessing potential customers passed by the easement.
- 5. Approval of the plat does not authorize the maintenance or installation of any facility in the rights of way, whether or not contemplated by the plat, without a license, franchise, or similar authorization issued by the City.

Engineering Comments: Andrew McGarvie, Engineering Manager (928)373-5000, x 3044:

6. All exterior subdivision fencing shall be constructed of masonry. Access gates, whether vehicular or pedestrian, shall not be permitted along the exterior masonry fencing for the subdivision phase, including fencing along Avenue 8 1/2E and E. 40th Street. Such fencing can be removed during the construction of pools, in order to access utility or drainage easements, or during other residential construction; however, such masonry fencing and adjacent landscaping will need to be replaced accordingly.

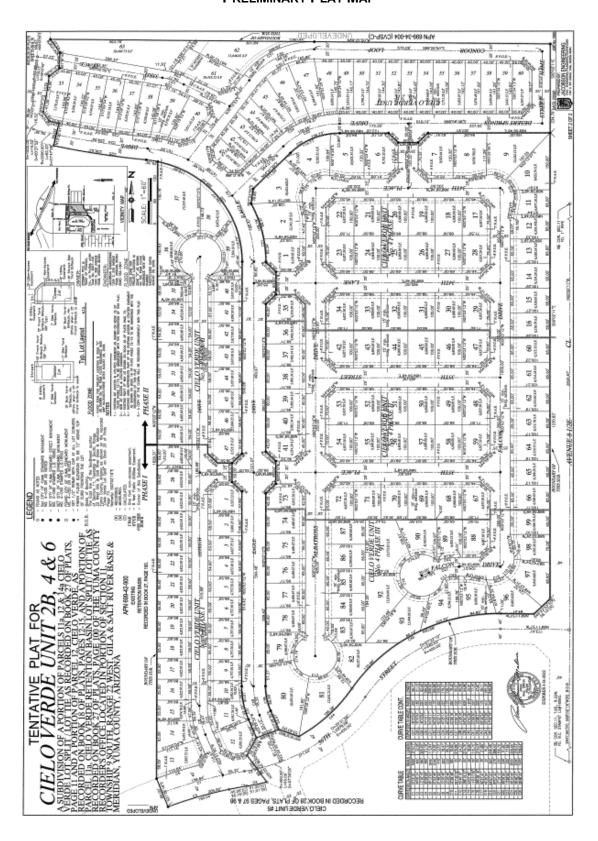

Community Planning Conditions: Robert M. Blevins, Principal Planner (928) 373-5189:

- 7. A time frame of build-out for the subdivision shall be submitted to the Yuma School District One, to enable the district to adequately plan for future school facilities.
- 8. The Owner/Developer shall be required to establish a Municipal Improvement District (MID) prior to the recordation of the final plat.

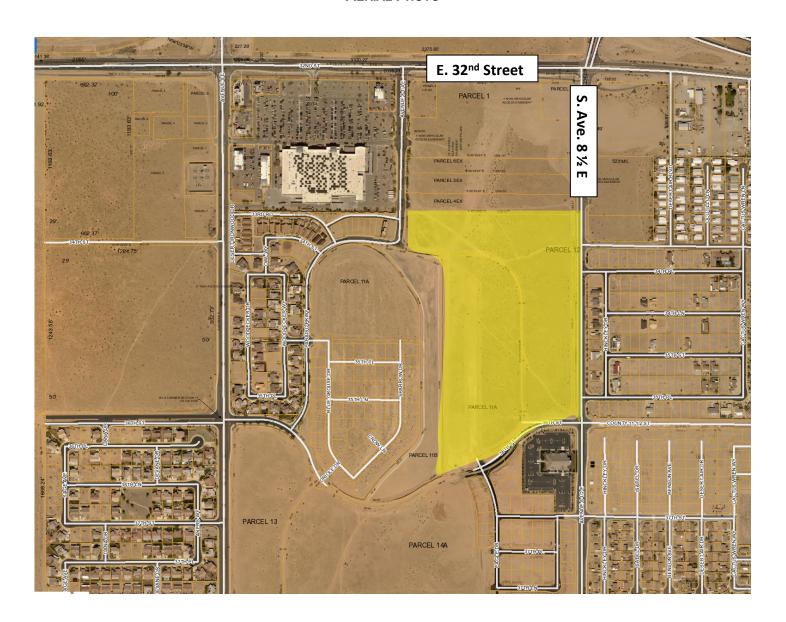

9. The Owner shall submit a final plat within one (1) year of Preliminary Plat approval. Should a Final Plat not be submitted within one (1) year of the effective date of approval of the Preliminary Plat, the approval of this Preliminary Plat shall be null and void, unless the conditions are contained in an executed Pre-development Agreement.

Any questions or comments regarding the Conditions of Approval as stated above should be directed to the staff member who provided the comment. Name and phone numbers are provided.
