TITLE:

Bid Award: 24th Street Lift Station Replacement

SUMMARY RECOMMENDATION:

Award to the lowest responsible and responsive bidder for the construction of the 24th Street Lift Station Replacement in the amount of \$965,800.00 to:

LPC Construction, Inc. Yuma, Arizona

(Utilities - Bid #2017-20000155) (Jay Simonton)

REPORT:

The wastewater collection system includes 25 lift stations. The current 24th Street lift station is 40 years old and has exceeded its useful life. The project includes removing and replacing the existing lift station with a new wastewater lift station to include Supervisory Control and Data Acquisitions (SCADA) controls and new energy-efficient variable drive pumps.

The existing lift station will remain in service while the new lift station is being built. Replacing this lift station is critical to maintaining the integrity of the overall system.
