

RESOLUTION NO. R2018-027

EXHIBIT A PREANNEXATION DEVELOPMENT AGREEMENT

This Preannexation Development Agreement (“Agreement”), made and entered into pursuant to Arizona Revised Statutes (A.R.S.) § 9-500.05, is by and between McDonald’s Real Estate Company (“Owner”), as owner of the real property located at 1195 E. 16th Street (APN 665-38-006), more particularly described and depicted in **Exhibit 1** attached and incorporated by reference (the “Property”), and the City of Yuma (“City”), an Arizona municipal corporation. Owner and City shall be referred to collectively as the “Parties” and individually as a “Party.”

RECITALS

WHEREAS, the City adopted its General Plan in 2012, and the use and development of the Property is consistent with and conforms to the goals and objectives of the City of Yuma General Plan, as amended; and,

WHEREAS, Owner desires to annex the Property into the City limits and seeks certain assurances and commitments from the City following annexation; and,

WHEREAS, the Parties have entered into this Agreement to provide for the annexation and use of the Property upon the terms and conditions contained herein.

NOW THEREFORE, in consideration of the above recitals, the Parties agree as follows:

1. Development Agreement. This Agreement, together with all attached exhibits, is a Development Agreement within the meaning of Arizona Revised Statutes § 9-500.05. On the condition that all of the terms and covenants of the Agreement are complied with in a prompt and timely manner, this Agreement shall also constitute a contractual commitment of the City to furnish water, sewer and fire service (water) to the Property outside of the City’s municipal boundaries pursuant to *Yuma Valley Land Co., LLC. v City of Yuma*, 227 Ariz. 28 (2011).

2. Term. In consideration of the City’s commitment to furnish water and sanitary sewer service to any existing or future buildings on the Property, prior to or upon annexation of the Property, it is the intent of the Parties that this Agreement will commence and become operative on the date of its execution (the “Effective Date”), and will terminate when the obligations of the Parties with respect to annexation are fully complied with, or the Parties mutually provide for termination in writing, whichever occurs first.

3. Annexation. Owner agrees to petition for and hereby consents to annexation of the Property into the City of Yuma pursuant to A.R.S. § 9-471. Owner’s agreement to annex shall operate as a covenant upon the Property, and upon recording this Preannexation Development Agreement, such covenant shall run with the land and with title to the Property until annexation is complete and no longer subject to referendum or appeal.

3.1. Owner and any subsequent owners agree that within 10 days of written request by an authorized representative of the City of Yuma, Owner or any subsequent owners or Owners’ successors will sign an annexation petition seeking to annex any part or portion of the Property into the City of Yuma municipal

boundaries. Upon receipt of the signed annexation petition, the City agrees to proceed with the annexation procedures established in the provisions of A.R.S. § 9-471 *et seq.* and, if determined to be in the best interest of the City, adopt the final ordinance annexing the property into the City corporate limits.

3.2. Provided that the Property, or portion thereof, is zoned Heavy Industrial (H-I) or General Commercial (C-2) in the County of Yuma, upon annexation of the Property into the municipal boundaries, pursuant to A.R.S. § 9-471(L), the Property, or portion thereof, will be designated General Commercial (B-2) zoning district with the Aesthetic Overlay (AO) district, as set forth in Chapter 154 in the Yuma City Code.

4. Development Standards. The development and use of the Property shall be subject to all City, county, state and federal laws, regulations, rules, policies, fees in effect at the time of development (“Applicable Laws”).

5. City of Yuma Development Fees and Water and Sewer Capacity Charges. A material consideration for the Parties’ willingness to enter into this Agreement is to make City utility service available to the Property on the same terms and conditions as any other development within the City. To accomplish this, beginning on the Effective Date, any development and use of the Property shall require the payment to the City of all City of Yuma Development Fees for any new construction (defined as any building construction commenced within two years prior to or any time after the Effective Date), including the streets facilities development fee, the police facilities development fee, the fire facilities development fee, the general government facilities development fee, water and sanitary sewer capacity and connection charges, water system development charges, sanitary sewer interceptor charge, any water or sewer payback amounts, and a payment to the City in lieu of tax (“PILOT”) on any new construction that would otherwise have been due to the City if the building permit had been issued and the construction had occurred after annexation, equivalent to 1.7% of 65% of the total construction cost. In order to calculate the PILOT, Owner shall require each contractor and subcontractor having taxable activities in connection with development of the Property furnish the City with a worksheet showing all gross income received by them for the construction. If Owner provides satisfactory documentation showing that the City tax on construction has already been paid, no payment in lieu of City taxes on construction shall be due. Until such time as annexation is complete, Owner and City acknowledge that Sanitation (solid waste), Emergency Medical Service, Police, and Emergency Fire Response to the Property shall be through a Yuma County provider, but that upon annexation, such services shall be provided by the City of Yuma in accordance with Applicable Laws. Upon Owner’s execution of this Agreement, prior to or upon annexation of the Property, water and sanitary sewer service and fire system connection to the Property shall be available in accordance with Applicable Laws. Monthly water and any sanitary sewer service charges shall be paid in accordance with and governed by the City of Yuma Utility Regulations.

6. Additional Requirements. Prior to conveyance or transfer of any portion of the Property to a third party or the issuance of any water meter, fire service (water) connection, sewer connection, or any other permit for the Property, Owner shall record against title to the Property, utilizing the City’s standard forms for such matters:

6.1 Avigation and Range Disclosure, Easement & Waiver. An Avigation and Range Disclosure, Easement & Waiver against title to the Property notifying future owners of the proximity and activities of military facilities.

6.2 Encroachment and Right-of-Way Permits and Licenses Required. Owner acknowledges and agrees that any work performed in the public right-of-way, or the construction, installation or maintenance of any facility or other improvement in the public right-of-way requires a permit, license, franchise, or similar

authorization issued by the controlling agency (the “Permitting Agency”) through the Permitting Agency’s normal and customary process for such issuance. Owner further acknowledges and agrees that City approval of any Site Plan or Plat over all or any portion of the Property does not constitute authorization for work or improvements in the public rights-of-way or any grant or waiver of any permitting requirements of the Permitting Agency. Owner shall meet all permitting requirements of the Permitting Agency, and shall obtain all necessary permits prior to commencing such work or improvements in the public rights-of-way.

7. Construction and Dedication of Public Improvements

7.1 Construction of Improvements. Any public improvements required for development of the Property shall be designed, constructed, and dedicated in accordance with Applicable Laws, including, without limitation, City’s normal plan submittal, review and approval processes, day-to-day inspection requirements, insurance requirements, and financial assurance requirements. Owner’s construction and installation of public improvements shall occur within the time-frames specified under Applicable Laws.

8. Utility Services. The City acknowledges that the property is within the City of Yuma potable water and sanitary sewer franchise service area, as approved by Yuma County. Upon application to the State of Arizona, Department of Environmental Quality, for a Notice of Intent, the City will issue the appropriate “Authorization to Connect to Public Sewer” and “Authorization to Connect to Public Water Service” letters for both water service and provided that Subsection 8.3 is complied with, sewer service.

8.1 Assignment of Water Rights. Owner and any subsequent owners shall sign an application or otherwise fully cooperate with the City to convert, transfer or assign any water or water delivery entitlements associated with the Property to the City.

8.2 Non-Potable Water. Nothing contained in this Agreement shall be construed as obligating Owner to accept City water services for any non-potable water demand on the Property, provided that such non-potable water demand is served by the appropriate irrigation district.

8.3 Septic System. If Owner has obtained permitting and installed a septic system pursuant to County of Yuma regulations and requirements this Agreement shall not be interpreted to require the Property to connect to City sanitary sewer service until such time as the existing septic tank system is declared unserviceable as defined in City of Yuma Utility Regulations, as amended, or the Parties agree that such a connection shall be made. Any such connection shall be at Owner’s sole cost for design, permitting, and construction and shall require City approval prior to permitting.

9. City and Owner Cooperation.

9.1 Cooperation in Development Approvals. Subject to the terms of this Agreement and compliance with Applicable Laws including without limitation City’s compliance with all required notice and public hearing requirements, City and Owner will cooperate reasonably in processing the approval or issuance of any permits, plans, specifications, plats or other development approvals requested by Owner in connection with development of the Property.

9.2 Annexation requests. City agrees that City staff will support any annexation request by Owner for the Property that is consistent with this Agreement, the General Plan, and Applicable Laws.

10. Notice. Except as otherwise required by law, any notice, demand or other communication given hereunder, shall be in writing and shall be given by personal delivery or be sent by certified or registered U.S. Mail, return receipt requested, addressed to the Parties at their respective addresses set forth below, or at such other address as a Party may designate in writing pursuant to the terms of this paragraph, or by electronic mail, facsimile machine or by any nationally recognized express or overnight delivery service (e.g., Federal Express or UPS), with all postage and other delivery charges prepaid:

All such notices, demands or other communications will (i) if delivered personally or delivered through a same day delivery/courier service be deemed effective upon delivery or refusal to accept delivery by the addressee, and (ii) if delivered by U.S. mail in the manner described above be deemed effective upon the earlier of receipt or three (3) business days after deposit in a post office operated by the United States or with a United States postal officer (in each case regardless of whether such notice, demand or other communication is received by any other person to whom a copy of such notice, demand or other communication is to be delivered pursuant to this paragraph). Any notice sent by a recognized national overnight delivery service shall be deemed effective one (1) business day after deposit with such service. Any notice sent by email or facsimile machine shall be deemed effective upon confirmation of the successful transmission by the sender's electronic mail system or facsimile machine. Notwithstanding the foregoing, no payment shall be deemed to be made until actually received in good and available funds by the intended payee.

11. Default. If either Party defaults (the "Defaulting Party") with respect to any of such Party's obligations, then the other Party (the "Non-Defaulting Party") shall give written notice in the manner described in Section 10 above to the Defaulting Party. The notice shall state the nature of the default claimed and make demand that such default be corrected. The Defaulting Party shall then have:

- a. twenty (20) days from the date of receipt of such notice within which to correct such default if it can be reasonably corrected by the payment of money, or
- b. sixty (60) days from the date of receipt of such notice to cure such default if action other than payment of money is reasonably required, or
- c. if any such non-monetary default cannot reasonably be cured within sixty (60) days for reasons beyond its control (financial inability, construction delays and market conditions excepted), then such longer period as may be reasonably required, provided and so long as such cure is promptly commenced within such period and diligently prosecuted to completion.

11.1 Remedies. If the default is not corrected within the time periods described in Section 11 above, the Non-Defaulting Party shall have all remedies available to it at law or in equity, subject to the limitations set forth herein. Owner or City, or any successor-in-interest or assignee, may institute a legal action to cure, correct or remedy any default, to enforce any covenant or agreement herein, or to enjoin any threatened or attempted violation, including but not limited to suits for declaratory relief, specific performance, relief in the nature of mandamus and actions for damages, provided that claims for damages shall be limited to actual damages as of

the time of entry of judgment. The Parties hereby waive any right to seek consequential, punitive, multiple, exemplary or any damages other than actual damages.

11.2 Delays; Waivers. Except as otherwise expressly provided in this Agreement, any delay by any Party in asserting any right or remedy under this Agreement shall not operate as a waiver of any such rights or limit such rights in any way; and any waiver in fact made by such Party with respect to any default by the other Party shall not be considered as a waiver of rights with respect to any other default by the Non-Defaulting Party or with respect to the particular default except to the extent specifically waived in writing. It is the intent of the Parties that this provision will enable each Party to avoid the risk of being limited in the exercise of any right or remedy provided in this Agreement by waiver, laches or otherwise at a time when it may still hope to resolve the problems created by the default involved.

11.3 Rights and Remedies Cumulative. The rights and remedies of the Parties are cumulative, and the exercise by either Party of any one or more of such rights shall not preclude the exercise by it, at the same or different times, of any other right or remedy for any other default by the other Party.

12. Owner Representations. Owner represents and warrants that:

If a Lender is permitted, under the terms of a non-disturbance agreement with City to cure the event of default and/or to assume Owner's position with respect to this Agreement, City agrees to recognize such rights of the Lender and to otherwise permit the Lender to assume all of the rights and obligations of Owner under this Agreement.
