TITLE:

Intergovernmental Agreement: City of Somerton Traffic Engineering

SUMMARY RECOMMENDATION:

Authorize the City Administrator to execute an Intergovernmental Agreement (IGA) to provide traffic engineering services to the City of Somerton. (Engineering) (Jeffrey A. Kramer)

REPORT:

The City of Somerton has requested traffic engineering support from the City of Yuma. This support includes annual review of their signal timing and operation of their signalized intersections, as well as other traffic engineering analysis and minor design.

This IGA permits City of Yuma traffic engineering staff to provide these services to Somerton, and establishes a notification process and fee structure for the services provided. The IGA further limits the liability of each participating entity.
