 - Advancing court technology
 - eFiling and eEvidence
 - Access to court
 - Update website to improve ease of access off-site
 - Training for staff
 - Continue to increase training to maintain highest level of capability

Discussion

- Previously a Spanish language interpreter was available on contract; this is now a full-time position which is backed up by other interpreters throughout Yuma County as well as remote interpreters for languages other than Spanish (**Shelton/Miller**)
- Some positions are mandated by the Administrative Office of the Courts to be located in a secure room, so YMC's jury rooms and break room have been converted into offices to meet that requirement; there is only one vacant cubicle, which is currently being used by interns, that new staff could be placed into if needed (**Morales/Miller**)

- The court expansion project was initially included in the Capital Improvement Program using \$5 million in contingency funds; however, due to inflation the final project amount will likely be more (**Morales/Miller**)

II. REGULAR CITY COUNCIL MEETING AGENDA OF DECEMBER 18, 2024

Motion Consent Agenda Item C.10 – Final Plat: Mariadawnlee Subdivision (approve the final plat of the Mariadawnlee Subdivision, located at the southwest corner of 33rd Drive and 24th Street) (Plng & Nbhd Svcs/Cmty Plng)

Discussion

- The property owner has struggled for years to develop this site; a number of development options have been presented, and this is the one that met requirements in terms of access (**Morales/Linville**)
 - While access to the area is not ideal due to the volume and speed of traffic on 24th Street, it has been agreed upon with the Engineering Department as the best option in this situation (**Morales/Linville**)
-

Motion Consent Agenda Item C.5 – Contract Award: Professional Design Services for Yuma Police De-escalation and Scenario Facility (award a contract to Pearlman Architects of Arizona, Inc. for an estimated amount of \$425,230.41) (Eng)

Resolution R2024-069 – Grant Application: Arizona State Match Advantage for Rural Transportation (AZ SMART) – Interstate-8 / Avenue 8½ E Traffic Interchange Design Concept Report (DCR) (authorize the City to apply for AZ SMART funds) (Eng)

Resolution R2024-070 – Grant Application: Arizona State Match Advantage for Rural Transportation (AZ SMART) – Hacienda Estates Storm Drain Improvements (authorize the City to apply for AZ SMART funds) (Eng)

Resolution R2024-071 – Grant Application: Arizona State Match Advantage for Rural Transportation (AZ SMART) Fund – 40th Street Construction from Avenue 6E to Fortuna Road (authorize the City to apply for AZ SMART funds) (Eng)

Mayor Nicholls declared a conflict of interest on Motion Consent Agenda Item C.5 and Resolutions R2024-069, R2024-070, and R2024-071, as his firm is currently involved in or may potentially be involved in those projects.

Adoption of Ordinance O2024-040 – Text Amendment: Zoning Amendments (amend Title 15, Chapter 154, Article 3 of the Yuma City Code to address timelines for the review of zoning applications) (Plng & Nbhd Svcs/Cmty Plng)

Discussion

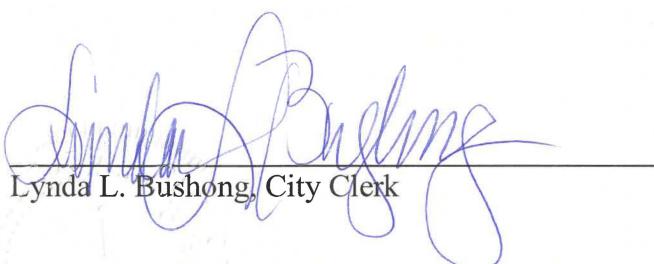

- The proposed ordinance was drafted based upon new State regulations; City staff may grant an extension at the request of the applicant (**Mayor Nicholls/Linville**)

Regular City Council Worksession Minutes
December 17, 2024

- Some municipalities do not start the clock on the review of the application until department review and approval takes place, which can significantly lengthen the process without technically violating the State mandated timeline; this is not currently an issue here at the City, but it is something to watch out for in the future (**Mayor Nicholls/Linville**)

III. EXECUTIVE SESSION/ADJOURNMENT
