TITLE:

Amendment to Intergovernmental Agreement: Yuma County Intergovernmental Public Transportation Authority

SUMMARY RECOMMENDATION:

Authorize the City Administrator to execute an amendment to an intergovernmental agreement with the Yuma County Intergovernmental Public Transportation Authority (YCIPTA) for the City's Information Technology Services Department to provide services to YCIPTA. (Information Technology Services/Administration) (Ron Corbin)

REPORT:

On September 19, 2014, the City of Yuma (City), executed an intergovernmental agreement (IGA) with YCIPTA to provide information technology services. YCIPTA now requests the City provide additional services.

Under the proposed amendment, the City will provide email hosting and support, Wi-Fi network support and VPN network support.

The City will continue to provide support consisting of services such as infrastructure support, network security support, and equipment purchase and installation.

The current IGA term is set to expire September 18, 2017. YCIPTA and the City would like to extend the term of the IGA to align with its fiscal year, which will expire June 30, 2019.

The proposed amendment also makes some technical changes and updates the indemnification clause to match current law. In exchange, YCIPTA's monthly service rate will increase from \$800 per month to \$1,000 per month based on increased costs.

By approving this motion, the City Council authorizes the City Administrator to execute an amendment to the IGA with YCIPTA.
