Dear City of Yuma,

The Arizona Companion Animal Spay/Neuter Committee has reviewed all grant applications for the 2017-18 grant year. You have been selected to receive grant funds restricted to increasing spay and neuter efforts in your community in the amount of \$10,000 your Public low-cost program and \$6,000 for your community feral cat program. **These funds must be used for spay/neuter surgeries only.**

These grant funds were made available from the support and sales of the Arizona Companion Animal Spay and Neuter Pet Friendly License Plates. As such, we ask you to promote the Spay and Neuter License Plates through newsletters, websites, and media events. We encourage you and your staff to purchase the plates for your vehicles, too.

The first report of grant expenditures must be post-marked no later than May 30, 2018 or within thirty (30) days of full expenditure, whichever comes first. All funds must be expended by August 15, 2018 and a final follow up report must be post-marked by the same date. All unspent grant dollars must be returned with your final report.

When reporting, please include copies of your license plate promotional materials and **ONE** copy of your voucher/coupon, if any. Also include your detailed expense and animal data reports separating the Spay and Neuter Pet Friendly License Plate Grants funds from additional funds and activities (co-pays, agency funded, donor funded). A reporting worksheet is enclosed for your convenience.

The Arizona Companion Animal Spay/Neuter Committee will be placing your contact person information on the AZPETPLATES.ORG web site as agreed at the time of application. The information you provided on your application will be used unless you prefer to provide us with a different contact person. Your organization/agency name, website address, street address, contact person name, telephone number, and email address may also be posted on the website. Please send any updates to info@azpetplates.org.

Congratulations on your award!
