

STAFF REPORT TO THE PLANNING AND ZONING COMMISSION
DEPARTMENT OF PLANNING AND NEIGHBORHOOD SERVICES
COMMUNITY PLANNING DIVISION
CASE TYPE – PRELIMINARY SUBDIVISION
CASE PLANNER: ERIKA PETERSON

Hearing Date: February 24, 2025

Case Number: SUBD-43527-2024

Project Description/ Location:

This is a request by Dahl, Robins & Associates, Inc., on behalf of Yuma Development One, LLC, for approval of the preliminary plat for La Vida Townhomes. This subdivision will contain approximately 9.74 acres and is proposed to be divided into 60 townhome lots, ranging in size from approximately 3,674 square feet to 5,278 square feet for the property located at the northwest corner of 34th Street and DeVane Drive, Yuma, AZ.

	Existing Zoning	Existing Land Use	Designated Land Use
Site	General Commercial/ Aesthetic Overlay (B-2/AO)	Undeveloped	Medium Density Residential
North	General Commercial/ Aesthetic Overlay (B-2/AO)	Undeveloped	Commercial
South	Medium Density Residential (R-2)	Single-family homes	Medium Density Residential
East	Cielo Verde Specific Plan Commercial (CVSP-C)	Apartments	Commercial
West	Medium Density Residential (R-2)	Undeveloped	Medium Density Residential

Location Map

Prior site actions: Annexation: Ord. O99-29 (July 3, 1999); General Plan Amendment: GP-2005-014 Resolution R2005-125 (November 16, 2005) Minor Amendment to change land use designation from Medium Density Residential to Commercial; Rezone Z2006-12: Ord. O2006-59 (AG to B-2/AO) (February 27, 2008); Lot Split: LS2005-042 Yuma Development One Lot Split; Subdivision: YDO Parcel C Subdivision; Lot Split: LOTS-43285-2024 24/7 Get Fit Lot Tie/Lot Split No. 3 (in process); Rezone ZONE-43328-2024: Ord O2025-002 (B-2 to R-2/PUD) January 15, 2025.

Staff Recommendation: Staff recommends **APPROVAL** of the preliminary plat for the La Vida Townhomes, subject to the conditions outlined in Attachment A.

Suggested Motion: Move to **APPROVE** Preliminary Plat SUBD-43527-2024 as presented, subject to the staff report, information provided during this hearing, and the conditions in Attachment A.

Effect of the Approval: By approving the preliminary plat, the Planning and Zoning Commission is acknowledging the street and lot layout of La Vida Townhomes which includes 60 lots ranging in size from 3,674 square feet to 5,278 square feet for the property located at the northwest corner of 34th Street and DeVane Drive, subject to the conditions of the rezoning and the conditions outlined in Attachment A, and affirmatively finds that the request is in conformance with the City of Yuma Subdivision Code and General Plan and is compatible with surrounding land uses.

Staff Analysis: The subject property covers approximately 9.74 acres and is situated at the northwest corner of 34th Street and DeVane Drive. Currently, the site is undeveloped. Annexed into the City of Yuma in 2009, the property has undergone a number of general plan amendments, a rezoning, and lot splits.

This development proposal aims to subdivide the property into 60 townhome residential lots, known as La Vida Townhomes, with lot sizes ranging from 3,674 square feet to 5,278 square feet, meeting the minimum lot size requirements for the Medium Density Residential/Planned Unit Development (R-2/PUD) District. The Planned Unit Development Overlay (PUD) District allows for certain deviations from typical development standards (increased densities, reduced setbacks, and increased lot coverage), provided that the development offers enhanced amenities for residents.

The proposed subdivision will need to meet the development standards required of the zoning designation, unless otherwise specified in the approved rezoning application. The following development standards deviate from the typical zoning requirements as a result of the enhanced amenities identified during the PUD process:

- A decrease in the minimum lot size from 4,500 square feet to 3,674 square feet.
- A decrease in minimum lot width from 50 feet to 32 feet.
- A reduction in side yard setbacks from 5 feet on each side to zero feet.
- An increase in maximum lot coverage from 55% to 70%
- A reduction in minimum local street widths from 58 feet to 48 feet.

With this development, a Municipal Improvement District (MID) will be established for the long-term maintenance of the landscaping within the retention basin, amenity area (Tract B), midblock walking path (Tract C), and Tract D as well as for any required subdivision landscaping. The MID will need to be established prior to the issuance of any residential building permits.

The Recordation of an Avigation Easement has been satisfied with the signing of the application.

1. Does the subdivision comply with the zoning code and the zoning district development standards?

Yes. The preliminary plat meets dimensional standards and development standards for the Medium Density Residential/Planned Unit Development (R-2/PUD) District.

2. Does the subdivision comply with the subdivision code requirements?

Yes.

Standard	Subdivision						Conforms					
Lot Size	Minimum:	3,674 SF		Maximum:	5,278 SF		Yes	X	No

Assistant Director of Planning

**ATTACHMENT A
PRELIMINARY PLAT
CONDITIONS OF APPROVAL**

The following conditions of approval have been determined to have a reasonable nexus to the requested subdivision application and are roughly proportionate to the impacts associated with the subdivision and expected development on the property.

Department of Planning and Neighborhood Services Comments: Alyssa Linville, Director (928) 373-5000, x 3037:

1. The conditions are in addition to City codes, rules, fees and regulations that are applicable to this action.
2. The Owner's signature on the application for this land use action shall constitute a waiver of any claims for diminution in value pursuant to A.R.S. § 12-1134.

City Attorney Comments: (928) 373-5058:

3. The rights-of-way must be dedicated free and clear to the City, and all easements in the right-of-way must be vacated unless the easement is specifically presented to the City, and the City specifically approves its acceptance. Approval of the plat is not approval of an easement in the right-of-way.
4. Any easements on other property in the subdivision must be vacated to the extent that they would require a utility, licensed cable operator, or other licensed or franchised communications system (collectively, the "utilities") to:
 - a. pay to cross the easement to reach any structure on the lot;
 - b. prevent the utilities from providing service to any structure on a lot; or
 - c. effectively prevent any entity authorized to place facilities in a utility easement from using the easements or accessing potential customers passed by the easement.
5. Approval of the plat does not authorize the maintenance or installation of any facility in the rights of way, whether or not contemplated by the plat, without a license, franchise, or similar authorization issued by the City.

Engineering Comments: Jerry Anaya, Engineering Manager (928)373-5000, x 5182:

6. If the streets within the subdivision become public, the developer shall install streetlights in accordance with City of Yuma standards.
7. All exterior subdivision fencing shall be constructed of masonry. Access gates, whether vehicular or pedestrian, shall not be permitted along the exterior masonry fencing for the subdivision phase, including fencing along 34th Street. Such fencing can be removed during the construction of pools, in order to access utility or drainage easements, or during other residential construction; however, such masonry fencing and adjacent landscaping will need to be replaced accordingly.

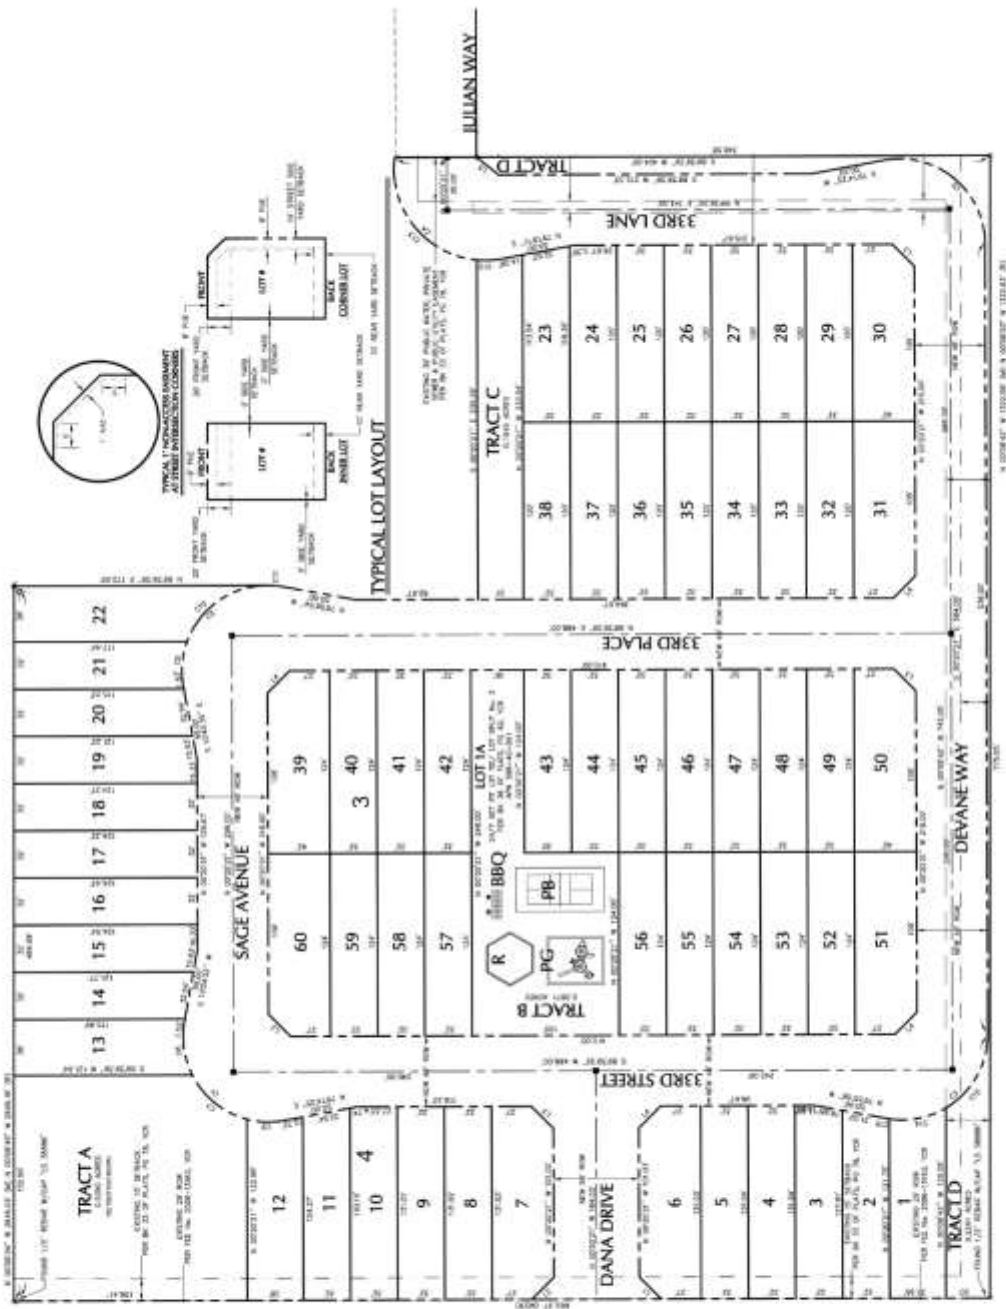

Community Planning Conditions: Erika Peterson, Senior Planner, (928) 373-5000, x 3071

8. The Owner/Developer shall be required to establish a Municipal Improvement District (MID) prior to the recording of a final plat.

9. The Owner shall submit a final plat within three (3) years of Preliminary Plat approval. Should a Final Plat not be submitted within three (3) years of the effective date of approval of the Preliminary Plat, the approval of this Preliminary Plat shall be null and void, unless the conditions are contained in an executed Pre-development Agreement.

Any questions or comments regarding the Conditions of Approval as stated above should be directed to the staff member who provided the comment. Name and phone numbers are provided.

ATTACHMENT C
REZONE CONDITIONS

1. The conditions listed below are in addition to City codes, rules, fees and regulations that are applicable to this action.
2. The Owner's signature on the application for this land use action shall constitute a waiver of any claims for diminution in value pursuant to A.R.S. § 12-1134.
3. If rolled curb is used within the development, Owner/Developer shall put together an entity to maintain the private streets, as the local streets within the development does not meet current City standards. This condition will be considered null and void if the City adopts a new local street standard with rolled curbs, and that the subdivision has the same matching street construction standard and right-of-way width prior to the plat recordation.
4. Owner/Developer shall grant a full street width utility easement to the City of Yuma on the final plat if the streets remain private as noted above.
5. Owner/Developer shall provide a 6-foot-tall solid subdivision wall around the perimeter of the development per City of Yuma construction standard 1-010, or similar design as sealed by a registered civil or structural engineer certifying that it will stand up to current code wind and seismic loads.
6. At the time the preliminary subdivision plat is submitted, the Owner/developer shall submit a Traffic Impact Statement providing the peak hour traffic count based on the Trip Generation Manual from the Institute of Transportation Engineers, sealed by an Arizona Engineer with traffic experience. Development conditions per ARS 9-462.01.
7. The common area/retention basin shall be designed to include the following amenities:
 - a. Landscaping in a cohesive manner throughout retention basin (Tract A), amenity area (Tract B), midblock walking path (Tract C), and Tract D.
 - b. Landscaping in retention basin, amenity area (Tract B), midblock walking path (Tract C), and Tract D to be installed prior to the closing of the first residence.
 - c. 5-foot walking path in Tract C connecting to amenity area (Tract B).
8. Front yard irrigation, artificial grass, a 15-gallon tree, and 4 shrubs for each unit shall be installed as a phased installation project, not to exceed 10 completed units.
9. Each of the conditions listed above shall be completed within two (2) years of the effective date of the rezoning ordinance or prior to the issuance of a Building Permit, Certificate of Occupancy or City of Yuma Business License for this site, whichever occurs first. If the conditions of approval are not completed within the above timeframe then the rezone shall be subject to ARS § 9-462.
