

STAFF REPORT TO THE PLANNING AND ZONING COMMISSION
DEPARTMENT OF PLANNING AND NEIGHBORHOOD SERVICES
COMMUNITY PLANNING DIVISION
CASE TYPE – PRELIMINARY SUBDIVISION
CASE PLANNER: BOB BLEVINS

Hearing Date: September 9, 2024 **Case Number:** SUBD-42965-2024

Project Description/Location: This is a request by Colvin Engineering, Inc., on behalf of Hardknocks AZ LTD Partnership, for approval of the preliminary plat for the Butler Estates Units 1, 3, and 4 Subdivision. This subdivision contains approximately 53.93 acres and is proposed to be divided into 203 residential lots, ranging in size from approximately 6,003 sq. ft. to 11,735 sq. ft., for the properties located at the southwest corner of E. 36th Street and S. Avenue 10E, Yuma, AZ.

	Existing Zoning	Existing Land Use	Designated Land Use
Site	Recreational Vehicle Subdivision (RVS)	Vacant	Medium Density Residential
North	Manufactured Home Park (MHP)	Westwind RV Resort	High Density Residential
South	Agriculture (AG)	Vacant	Low Density Residential
East	County Recreational Vehicle Subdivision (RVS)	Via Chaparral Subdivision	Medium Density Residential
West	Recreational Vehicle Subdivision (RVS)	Vista Del Sol Subdivision	Medium Density Residential/ Low Density Residential

Location Map

Prior site actions: Annexation: ANEX-7505-2014 (03/18/2015).

Staff Recommendation: Staff recommends **APPROVAL** of the preliminary plat for the Butler Estates Units 1, 3, and 4 Subdivision, subject to the conditions outlined in Attachment A.

Suggested Motion: Move to **APPROVE** Preliminary Plat SUBD-42965-2024 as presented, subject to the staff report, information provided during this hearing, and the conditions in Attachment A.

Effect of the Approval: By approving the preliminary plat, the Planning and Zoning Commission is acknowledging the street and lot layout of Butler Estates Units 1, 3, and 4 Subdivision which includes 203 lots ranging in size from 6,003 square feet to 11,735 square feet for the property located at the southwest corner of E. 36th Street and S. Avenue 10E, Yuma, AZ., subject to the conditions of the rezoning and the conditions outlined in Attachment A, and affirmatively finds that the request is in conformance with the City of Yuma Subdivision Code and General Plan and is compatible with surrounding land uses.

Staff Analysis: The proposed Units 1, 3, and 4 have been planned to be aligned with Unit 2 (which is under separate ownership). The developers of Unit 1, 3, and 4 are working with the owner of Unit 2 to ensure a seamless, cohesive residential neighborhood. There will be deed restrictions on all units to affirm the principal use as site-built residences only.

The original application for Units 1, 3 and 4 identified a total number of 200 lots. Upon initial review of the submitted plat, City Engineering requested revisions to combine several retention basins, and neighboring property owners encouraged the basins to be placed to help establish a buffer from existing homes. In a slight redesign of several cul-de-sacs, a more efficient layout of retention basins enabled the buffer and the creation of three additional lots for a total of 203 lots.

The subject properties and the adjacent properties to the north and south were part of Ranchos el Toreo, a residential subdivision of 28 lots, each lot was approximately 4.8 acres in size. This subdivision was recorded in 1965. The northern portion, which extended all the way to Highway 80 (now Interstate 8), is the location of Westwind RV and Golf Resort (formerly Roger's).

The southern half of Ranchos el Toreo has remained undeveloped aside for the construction of six homes with access to Avenue 10E, a paved roadway. There are no other paved roads in or adjacent to this subdivision. Of the original lots, all have been annexed, except lots 24 and 25 which remain outside of the City of Yuma limits. Lots 24 and 25 were split into a total of 8 lots, and are the location of 5 of the 6 homes built in Ranchos el Toreo.

Upon annexation in 2015, the lots in Ranchos el Toreo retained the same zoning as they had in the County. A mixture of Recreational Vehicle Subdivision (RVS) and Low Density Residential (R-1-40). No additional annexations are anticipated.

To the east is Via Chaparral Subdivision, zoned RVS in the County, which features site-built homes on lots measuring approximately 6,500 square feet. To the north is the aforementioned RV resort zoned Manufactured Home Park (MHP) in the City. To the west is Vista del Sol Subdivision, zoned RVS in the City with a mixture of dwelling types. To the south of 40th Street is vacant desert in the City zoned Agriculture (AG).

Standard	Subdivision				Conforms				
Lot Size	Minimum:	6,003 SF		Maximum:	11,735 SF		Yes	X	No
Lot Depth	Minimum:	80.65 FT		Maximum:	140.29 FT		Yes	X	No

Worried about row of new houses to the west. They will be extremely close to west side of Avenue 10E.

She requested the meeting be moved to January since "50% affected are snowbirds and did not get notice. It takes a month or two to forward mail and it is iffy."									
<i>Response for the developer:</i>									
<i>"Our timing has nothing to do with winter visitors being gone. We are trying to work with the adjacent Lines project which already has a tentative plat approval. They are very anxious to start their development and we are trying to help with infrastructure, since our first phase coincides with their development.</i>									
<i>"Our project will be built in 3 phases and not all phases will be built at the same time. The project will most likely be spread over 3-10 years, allowing for 40th Street and other traffic improvements to be done by the city in that timeframe."</i>

<p>"There is a great deal of development going on in this neighborhood. What I do not see is improvements to infrastructure to support this development. Traffic is my main concern. A lot more vehicles will be using the existing roads. They need to be improved on. There needs to be a light at 10E and the South Frontage road at a minimum. That is a horrible and poorly designed intersection. There is no visibility if turning left onto the Frontage from 10E. I've witnessed several severe accidents at his intersection. A friend spent 6 months in hospital as a result of an accident at that corner. If you've never done it then I invite you to head on over here, drive north on 10E to the Frontage and see for yourself that which I speak of. Then imagine it's January and thousands more cars are here. Paving 40E west for 10E would relieve a lot pressure from the Frontage. The Frontage road needs widening. They did it on the north side. Time to do the south side.</p> <p>"The water pressure here is outrageous. I measured 140psi at my house when a line broke in the night causing extensive damage. A representative of Foothills Utilities explained to me that some of their water lines laid down many years ago are very narrow. In order to get a minimum pressure to these older homes through the narrow pipes the pressure needs to be high. A fix needs to be put in place.</p> <p>"How many Sheriff Deputies will be hired with the increased revenue? With all these new houses and businesses being built I'm sure the County's tax intake has increased. What is this money being spent on? It needs to be spent improving the infrastructure. I'm firmly against any new development until these or similar improvements are made. I've communicated my thoughts to my elected official as well.</p> <p><i>Response from the developer: "The water is supplied by the City of Yuma and already has an assured water agreement with the ADWR. It is my understanding that the City is working on plans to extend 40th Street to Avenue 10E to relieve traffic congestion in this area."</i></p>

Not that Yuma nor the builders care about our desert, just where is the water going to come from after these 200 lots are completed? In my honest opinion, no. There should be no more housing in this area. Just look at the housing going in behind the Walmart. Nobody has answered the question about where the water for that will come from. I can't sit back, watch the builders build, and then worry about the consequences later. Not to mention the sewer smells we live with that still hasn't been resolved. Whats 200 more lots gonna do. And traffic. What are the plans for all the traffic? Just lower the speed limit again? No, we don't need more housing. The city can't plan for and take care of whats here already. So what I am hearing is the city has assured a water agreement even if there is a shortage of water. And why wouldn't the city ensure that the traffic situation is taken care of prior to building. There are accidents at 10E and 32nd all the time. Even fatalities. So dumping 200 more families in the area is a good idea? Lets do the math. 200 families. At average, 2 cars per family. 400 more cars. And so far all that's been done is lower the speed limit from 45 mph to 40 mph. And the winter visitors are not even here yet. Now my understanding is out here, 40th street is county. And the 22 years I have lived here, the city could not extend 40th because of that. These problems need to be fixed first.

Response from the developer:

"The water is supplied by the City of Yuma and already has an assured water agreement with the ADWR.

"It is my understanding that the City is working on plans to extend 40th Street to Avenue 10E to relieve traffic congestion in this area. I'm not sure I can elaborate more about the City's assured water supply. I am unaware of any water shortage. It would probably be best if the City responded to the water supply and any proposed improvements to address traffic issues at Avenue 10E & the South Frontage Road, as well as the timing of improvements to 40th Street going west."

PRELIMINARY PLAT
CONDITIONS OF APPROVAL**

The following conditions of approval have been determined to have a reasonable nexus to the requested subdivision application and are roughly proportionate to the impacts associated with the subdivision and expected development on the property.

Department of Planning and Neighborhood Services Comments: Alyssa Linville, Director (928) 373-5000, x 3037:

1. The conditions are in addition to City codes, rules, fees and regulations that are applicable to this action.
2. The Owner's signature on the application for this land use action shall constitute a waiver of any claims for diminution in value pursuant to A.R.S. § 12-1134.

City Attorney Comments: (928) 373-5058:

3. The rights-of-way must be dedicated free and clear to the City, and all easements in the right-of-way must be vacated unless the easement is specifically presented to the City, and the City specifically approves its acceptance. Approval of the plat is not approval of an easement in the right-of-way.
4. Any easements on other property in the subdivision must be vacated to the extent that they would require a utility, licensed cable operator, or other licensed or franchised communications system (collectively, the "utilities") to:
 - a) pay to cross the easement to reach any structure on the lot;
 - b) prevent the utilities from providing service to any structure on a lot; or
 - c) effectively prevent any entity authorized to place facilities in a utility easement from using the easements or accessing potential customers passed by the easement.
5. Approval of the plat does not authorize the maintenance or installation of any facility in the rights of way, whether or not contemplated by the plat, without a license, franchise, or similar authorization issued by the City.

Engineering Comments: Andrew McGarvie, Engineering Manager (928) 373-5000, x 3044:

6. Owner/Developer shall provide a traffic study per City of Yuma construction standard 2-040, with recommendations for onsite and offsite improvements. Please contact the City traffic engineer for the boundaries of the traffic study.
7. Owner/Developer shall provide on and offsite mitigation or payment in lieu of, for portions of the offsite improvements listed in the traffic study, if City is agreeable.
8. Owner/Developer shall design and construct the east half of Butler Avenue between 38th Lane and 39th Lane, except for the sidewalk adjacent to any undeveloped County lot.
9. Owner/Developer shall dedicate right-of-way to the City of Yuma at the northwest corner of Avenue 10E & 40th Steet for a southbound to west bound right turn lane.

10. Owner/Developer shall dedicate a corner triangle at the Northwest corner of 40th Steet & Avenue 10E with 40-foot legs.
11. Owner/Developer shall dedicate a corner triangle at the southwest corner of 36th Street (Stetson Street) & Avenue 10E with 40-foot legs.
12. Owner/Developer shall arrange the small Tracts D, E, G, H, and I such that they back up to each other where possible.
13. Owner/Developer shall design Butler Avenue with the sidewalk setback 3 feet from the edge of curb, such that future expansion of Butler Avenue can occur if needed to a residential collector street in the future.
14. Owner/Developer shall layout and construct no parking signs along Butler Avenue per the Manual of Uniform Traffic Control Devices (MUTDC).
15. Owner/Developer shall construct a 20 foot wide emergency access road per City of Yuma construction standard 2-045, along 40th Street and Butler Avenue connecting with Unit 2 between 39th Street and 39th Place, in the event that 40th Street has not been constructed, when development of Unit 2 goes forward. If 40th Street has been constructed, then only the leg along Butler Avenue would be required to provide secondary emergency access.
16. Owner/Developer shall provide a 1' non-access easement along the east property line of properties adjoining Avenue 10E, the south property lines of properties adjoining 40th Street, and the north property lines of properties adjoining 36th Street/Stetson Street.
17. Owner/Developer shall design and construct a 6 foot tall concrete masonry unit block wall as measured from the highest adjacent grade around the subdivision perimeter per City of Yuma construction standard 1-015. An alternative wall design can be proposed with appropriate structural engineering calculations.
18. All exterior subdivision fencing shall be constructed of masonry. Access gates, whether vehicular or pedestrian, shall not be permitted along the exterior masonry fencing for the subdivision, including fencing along E. 36th Street (Stetson Street), 40th Street, Butler Avenue, and Avenue 10E. Such fencing can be removed during the construction of pools, in order to access utility or drainage easements, or during other residential construction; however, such masonry fencing and adjacent landscaping will need to be replaced accordingly.

Community Planning, Robert M. Blevins, Principal Planner (928) 373-5189:

19. The Owner shall submit a final plat within three (3) year of Preliminary Plat approval. Should a Final Plat not be submitted within three (3) year of the effective date of approval of the Preliminary Plat, the approval of this Preliminary Plat shall be null and void, unless the conditions are contained in an executed Pre-development Agreement.

Any questions or comments regarding the Conditions of Approval as stated above should be directed to the staff member who provided the comment. Name and phone numbers are provided.

ATTACHMENT E
NEIGHBORHOOD MEETING COMMENTS

Date Held: 08/06/24

Location: The west side of Ave.10E at 36th St.

Attendees:

Applicant/Agent: Nathan and Lane Heida

City Staff: Bob Blevins

Eleven neighbors in attendance: Norm Olsen, Cheryl Hendricksen, Sheila Ickes, Gary Albert, Jennifer Matthews, Lester Favish, Emert & Laura Knaresboro, Chris Marche, Liz Lara, Virginia Mendoza, Marissa Gomez.

SUMMARY OF ATTENDEE(S)' COMMENTS RELATED TO THE PROJECT:

Neighbor (N); Developer (D)

- (N) This is RVS so no high-rise? (D) Correct, 100% one story houses.
- (N) Traffic is an issue.
- (D) 209 [200] houses in this subdivision.
- (N) Will 37th Street be open to Vista del Sol? (D) Yes.
- (N) Problem is sewer.
- (D) Foothills Utilities confirms capacity is available. New lift station and new building/roof improvements.
- (N) When was this annexed? (D) 20 years ago. [actually in 2015]
- (N) This is RVS. When did it change? Snowbirds won't like this. They are already moving away.
- (D) RVS gives option to park an RV & CCRs limit construction to site-built homes.
- (N) Someone needs to contact the school district. They are over-crowded. All schools are over-capacity.
- (N) Do you know about the protected species? Burrowing owl and horned lizard.
- (D) Fish and Game is notified. We get a Public Report. It also confirms water and sewer.
- (D) We would like to start construction in about a year. Will be in phases for a few years. We are trying to work with the adjacent project which already has plat approval. They want to start their development and we are coordinating with them, since our first phase coincides with their development.
- (N) Hopefully a stop light at the Frontage Road? City won't do a thing.
- (N) Existing 10E subdivision [built by this developer] looks like a housing project.
- (N) We were not notified of the outcome of the prior subdivision public hearing. We will do a class action suit.
- (N) Cannot handle this new subdivision. Fry's is crowded and the shelves are empty.
- (N) Need a new Walmart and new grocery store.
- (D) Sprouts is coming. (N) This is not a Sprouts type of crowd.
- (N) There will be 5 backyards behind me. You should put retention basin as a buffer.
- (N) There is a water flow issue.
- (N) Takes 20 minutes to get on the Frontage Road.
- (N) 40th Street needs to be paved. (D) Maybe in 2 years.
- (D) Fire department reviews access.
- (N) This will overload schools, and grocery stores.

ATTACHMENT G NEIGHBOR POSTCARD

This is a request by Colvin Engineering, Inc., on behalf of Hardknocks AZ LTD Partnership, for approval of the preliminary plat for the Butler Estates Units 1, 3, and 4 Subdivision. This subdivision contains approximately 53.93 acres and is proposed to be divided into 200 residential lots, ranging in size from approximately 6,022 sq. ft. to 9,069 sq. ft., for the properties located at the southwest corner of E. 36th Street and S. Avenue 10E, Yuma, AZ.

**MEETING DATE,
TIME & LOCATION
FOR CASE #
SUBD-42965-2024**

**NEIGHBORHOOD MEETING
08/6/2024 @ 5PM WEST SIDE OF
AVENUE 10E & 37TH PLACE**

**PUBLIC HEARING
9/9/2024 @ 4:30 PM
City Hall Council Chambers
One City Plaza, Yuma, AZ**

Because you are a neighbor within 300' of the SWC of E.36th Street and S. Avenue 10E, Yuma, AZ., you are invited to attend the meetings to voice your comments. If you have questions or wish to submit written comments, please contact Robert Blevins by phone at (928) 373-5189 or by email at Robert.Blevins@YumaAz.gov
