TITLE:

Development Fee Deferral: Park West Unit #3 Subdivision

SUMMARY RECOMMENDATION:

Adopt a resolution authorizing the City Administrator to execute a deferral agreement to defer City of Yuma development fees and water and sewer capacity charges for Park West Unit No. 3 Subdivision, and to collect a \$500.00 administrative fee for the deferral agreement. The effective length of the deferral agreement is for three years from date of execution. (Engineering/Development Engineering) (Andrew McGarvie)

REPORT:

City Administration and staff previously met with the development community regarding local economic activity, particularly that of the construction industry, and determined to recommend to City Council that, upon payment of a \$ 500.00 deferral fee to pay for City costs associated with processing and tracking deferrals, for a period of three years, all development fees, along with sanitary sewer and water capacity charges, for residential, commercial, and industrial development would be eligible for deferral until prior to issuance of a certificate of occupancy. The eligibility for deferral was in accordance with the specific terms outlined in the proposed development agreement.

It was anticipated that deferring these development fees and capacity charges would help to stimulate economic activity and retain construction jobs. The deferral was accomplished in accordance with State Statute (A.R.S. § 9-463.05), through a development agreement.

Park West Yuma Development, L.L.C., has requested the deferral agreement for Park West Unit No.3 subdivision contained in the attached Development Agreement and corresponding location map in exhibit A.
