TITLE:

Intergovernmental Agreement: Use of Police Vehicles

SUMMARY RECOMMENDATION:

Authorize the City Administrator to execute an intergovernmental agreement (IGA) between the Yuma Police Department and Arizona Western College for the loan of two police vehicles in support of the regional training academy and other local trainings. (Police/Quality Assurance) (Susan Smith)

REPORT:

As part of a sustainable fleet management plan, the Yuma Police Department places into surplus those vehicles which have reached the end of usable service as a full-time police vehicle. While these vehicles are no longer appropriate for full-time service, select vehicles may still be usable in a training-only format.

The Yuma Police Department, along with Arizona Western College and Yuma County Sheriff's Office operate a full-time regional police academy, which is in need of training vehicles. Additionally, local law enforcement partners may need training vehicles in order to complete certain drills or scenarios at the Public Safety Training Facility.

The Yuma Police Department proposes an annual loan program with Arizona Western College to supply two vehicles which are slated for surplus to the regional training academy for their use. Arizona Western College would then provide the maintenance for the vehicles up to the cost of \$2,500 per vehicle per year. Once a loaned vehicle is replaced or deemed unusable in training, it would be returned for final disposition through the City's surplus process.
