TITLE:

Declare A Public Record: 2020 Tree & Shade Master Plan

SUMMARY RECOMMENDATION:

Declare the document entitled "2020 Tree & Shade Master Plan" a public record and order three copies of each to remain on file with the City Clerk.

REPORT:

The 2020 Tree & Shade Master Plan develops a vision for a healthier, more livable, and prosperous Yuma by investing in the care and maintenance of the urban forest and shade structures. Guidance for creation of this plan can be found in the City of Yuma's 2012 General Plan. Nationwide, communities are recognizing the importance of trees by adopting plans promoting public and private efforts to increase the number of urban trees. The plan is intended for use by City staff and the residents of our community to guide management of the urban forest in the public domain and by the general public to encourage investment in the urban forest. The plan was developed as a joint effort between the public, the Parks & Recreation Department, the Department of Community Development, and the Public Works Department. An extensive public outreach effort was conducted to assess public support and garner input throughout the planning process.

This action requested only declares the "2020 Tree & Shade Master Plan" document a public record. It does not approve any code content or modification. Actual consideration of the Tree & Shade Master Plan occurs at a later date.
