Job Order Authorization: Desert Hills Golf Course Pumping Plant and Lower Pump Station Upgrades

SUMMARY RECOMMENDATION:

Authorize the City Administrator to execute a job order with JSA Company, in an amount not to exceed \$193,402.36 for capital improvements to Desert Hills Golf Course pumping stations through the City's Job Order Contracting program. (Engineering) (Jeffrey A. Kramer)

REPORT:

The City intends to issue a job order to JSA Company (Contractor) pursuant to City Job Order Master Contract #2019-20000057 - Landscaping, Parks and Grounds, awarded January 16, 2019 (JOC Contract).

Pursuant to the JOC Contract, the City issues a separate job order for each project assignment. The JOC Contract sets forth the general terms and conditions governing all job orders issued under the contract, with each job order providing the individual project's scope of work and any additional terms and conditions specific to the project.

Under the proposed job order, the Contractor will remove and replace existing programmable logic controllers, repair and reinstall pump #3, repair or replace pump #6, remove and replace the motor at the lower pump station, and remove and replace radio communication system.

The job order requires the Contractor to complete the project within 90 days after the notice to proceed is issued.

By approving this motion, the City Council authorizes a job order for the referenced project pursuant to the approved JOC Contract.
