TITLE:

Grant Award: U.S Department of Commerce, Economic Development Administration Public Works Construction Funding Program (EDA)

SUMMARY RECOMMENDATION:

Authorize the City Administrator to accept the awarded grant funds for the construction of a sewer line project in the Yuma Commerce Center area and utilize the grant matching funds provided in the City's Fiscal Year 2021 Capital Improvement Program budget. (Administration/Jay Simonton)

REPORT:

The City applied for an EDA Public Works Construction Grant in May 2019 and has recently received notice of a grant award in the amount of \$852,000.00. The grant award program is provided to support economic development and job creation opportunities. The grant funds will help the City construct approximately 4,600 lineal feet of 12" sewer line in the area of Yuma Commerce Center. A total of 20 parcels (approximately 80 acres) will benefit from the construction of the sewer line including nine parcels equaling 55 acres that are industrially zoned and undeveloped.

Total project costs are about \$1,065,000.00 with matching funds of \$213,000.00 from the City. Combined with water service that is already in the project area, the City will see an important increase in its construction ready sites in support of business expansion and attraction. A map of the project area is attached.

By adopting this Motion, the Mayor and Council authorizes the City Administrator to execute the necessary paperwork to obtain the approved grant funding from the Economic Development Administration.
