Roll call vote: adopted 5-0

III. ADOPTION OF ORDINANCES CONSENT AGENDA

O2016-010 Zoning Code Text Amendment: Off-Site Signs – Amend Title 15, Chapter 154 (Sections: 01.07 and 17.04) to provide definitions and add regulations regarding off-site signage. (ZONE-13006-2016) (DCD/Planning)

Motion (Wright/Knight) to continue Ordinance O2016-010 for 90 days to allow the City Attorney's Office to review the legal memorandum submitted yesterday afternoon by the law firm for a sign company. Voice vote: **approved** 5-0

O2016-017 Government Property Land and Improvements Lease: Sixteen & Four, LLC. –
Authorize (1) accepting title to land and improvements at the northwest corner of 16th Street and 4th Avenue; (2) an eight-year government property land and improvements lease with Sixteen & Four, LLC as the statutory prime lessee; (3) abatement of the government property lease excise tax for the term of the lease; and, (4) reconveyance of the land and improvements to the prime lessee at the conclusion of the lease. (This item must be adopted by a simple majority vote without the use of the consent calendar) (Admin/YCNHAC)

Wright asked when the property on the northwest corner will be titled to the City of Yuma to qualify for Government Property Lease Excise Tax (GPLET). **Moore** stated when the agreement has been fully executed. **Moore** added that it is only an option - not a requirement, and since construction has not started there is no immediate timeline to act. **Wilkinson** added that normally the property will be deeded once a Certificate of Occupancy has been issued. It is strictly an incentive that is available.

Wright stated he was not sold on the GPLET and believes the development will still come without this incentive. Further, he does not see this as a redevelopment or blighted area and believes the property to be very valuable. He would like to maintain the current tax levy. Finally, **Wright** stated that for these reasons he will vote no on this ordinance.

Knight stated he initially had reservations,. However, once he looked at the numbers provided, he believes this isn't anything different than what is being done by cities in the Phoenix area to attract businesses to their municipalities. The business coming to that corner has expressed an interest in this incentive in order to come to Yuma. The business has been sought after by many citizens of Yuma. Previous buildings on this site were boarded up and were not bringing sales tax money and very little property tax money to the City due to the low property value of those buildings. This incentive will benefit the City in the long run.

Wright expressed that there are varying interpretations of Arizona Revised Statutes including §42-6209, related to GPLET.

Motion (Knight/Shelton) to adopt Ordinance O2016-017 Government Property Land and Improvements Lease: Sixteen & Four, LLC.

At the request of the Pro Tem Mayor, Bushong displayed the following titles:

Ordinance O2016-017

An ordinance of the City Council of the City of Yuma, Arizona, authorizing and approving the acceptance of title to certain real property and improvements, the execution of a Government Property Land and Improvements Lease for a term of eight years with Sixteen & Four, LLC as the prime lessee, the reconveyance of title to the real property and improvements at the conclusion of the described lease, and approving the abatement of the Government Property Lease Excise Tax during the term of the eight year lease (To authorize a Government Property Land and Improvements Lease with Sixteen & Four, LLC at the northwest corner of 16th Street and 4th Avenue)

Roll call vote: adopted 4-1 (Wright voting Nay)

IV. INTRODUCTION OF ORDINANCES - There were no ordinances scheduled for introduction.

V. PUBLIC HEARING AND RELATED ITEMS

Pro Tem Mayor Thomas opened the public hearing at 6:09 p.m.

R2016-018 General Plan Amendment: Palos/Martinez – Approve the request to amend the City of Yuma General Plan to change the land use designation from Low Density Residential to Medium Density Residential, for property located at the northwest corner of 11th Street and Avenue A. The applicants are Rogelio Sosa Palos and Ma. Del Pilar Soto Martinez. (GP-10768-2015) (DCD/Planning)

Presentation:

Lineberry stated that tonight's public hearing is on a General Plan Land Use Amendment and provided the following information: This is an amendment that came before Council in March and the per the applicants request, the item was remanded back to the Planning and Zoning Commission. The applicant then presented a different proposal to the Planning and Zoning Commission, which included going to Medium Density Residential instead of High Density Residential and from rental apartment units to ownership townhomes or condominiums due to the concerns of the neighbors. This is a significant reduction in the density of people that were planned per unit, which was staff's biggest concern. Because of this, and the fact that this parcel is an odd shaped parcel to try to turn into single family homes, staff, as well as the Planning and Zoning Commission is supporting the Medium Density Residential.

Randy Thompson, 1145 S. 10th Avenue, stated there has been no disclosure on the number of people that will be allowed to live there and asked whether there are going to be future hearings on this matter.

Vianey Vega, 1846 S. 8th Avenue, Yuma, stated Vega and Vega Engineering is the applicant representing the owner for this property. This site will contain 29 townhomes with two access points which are off of 11th Street and 13th Avenue. The townhomes will be a subdivision with the lots being sold individually and will look similar to the Sunset Mountain Villas, located on 9E and North Frontage Road. Vega further stated her clients listened to the neighbors' concerns, which is why they came up with this alternative.

Thompson asked how many people would be allowed to live in these townhomes. **Lineberry** stated that for multi-family it is 2.9 persons per unit which calculates to be about 87 people. The prior proposal had 645 people. **Lineberry** clarified that 2.9 people per dwelling unit is a census number. That is the average number of people that the census tells us are in multi-family dwellings. **Thompson** questioned whether there was anything in place to restrict 10 people from living in each of the 29 units taking the number up to 290 people. **Vega** stated the project has changed from farming housing to a residential subdivision and the lots will be up for sale. **Wilkinson** further clarified that our zoning code does not allow for more than two adults per bedroom.

Motion (Knight/Shelton) to close the Public Hearing. Voice vote: **Approved** 5-0. The Public Hearing closed at 6:23 p.m.

Motion (Knight/Miller) to adopt Resolution R2016-018 General Plan Amendment Palos/Martinez.

At the request of Pro Tem Mayor Thomas, Bushong displayed the following title:

Resolution O2016-018

A resolution of the City Council of the City of Yuma, Arizona, Amending Resolution R2012-29, the City of Yuma 2012 General Plan, to change the land use designation from Low Density Residential to Medium Density Residential for property located at the northwest corner of 11th Street and Avenue A (To amend the General Plan to change the land use designation)

Roll call vote: adopted 5-0
