Data Services - Data Dissemination Program

- The Census Bureau's Data Dissemination Specialists are a core team of data experts and trainers who work directly with our customers, training them on how to access their data and learning more about their needs.
- To request training, please email: census.askdata@census.gov

Cardenas Camacho presented the City of Yuma with an appreciation certificate for their participation in the 2020 Census.

There being no discussion, **Mayor Nicholls** thanked Cardenas Camacho for the presentation.

Fireworks in Arizona

Deputy City Attorney Rodney Short and **Fire Marshall Kayla Franklin** presented as follows:

Fireworks

- Fireworks are a state law under Arizona Revised Statutes A.R.S. § 36-1601 et seq.
- Pursuant to state statutes, the use of consumer fireworks are permissible during the Cinco de Mayo, Independence Day, Christmas and New Year holidays in Arizona
- Any fireworks that leave the ground or explode are illegal to use or sell

Permissible Locations for Consumer Fireworks

- Only allowed on private property (i.e. your front or back yard) and the firework display cannot extend from your front or backyard to sidewalks, roads, or neighboring properties.
- Consumer fireworks are not allowed on any public property: this includes sidewalks, streets, schools, parking lots, etc.
- It is against the law to use illegal fireworks in any location – public or private

Enforcement

- The state limits local authority's enforcement
- Depending on facts and evidence, civil charges or criminal charges may be imposed with fines or penalties
- Law imposes financial responsibility for users who cause property damage or physical injury and financial responsibility for all costs of fire suppression
- Existing law also sets up 'private causes of action' which is a lesser standard of proof, evidence, and remedies could include offenders homeowner's insurance
- Need to engage State Legislators, often relays by local city officials do not have the same urgency at the state Capitol
- Statewide issue with Arizona Office of Courts for penalties, but Yuma has found local solution
 - Local authority could adopt additional restrictions around the use in or around areas surrounding a municipal or county preserve, desert park, regional park, designated conservation area, national forest or wilderness area (still have enforcement preemption)

What can be done to help?

- If you see fireworks being used illegally, please call the Yuma Police Department at (928) 783-4421 (non-emergency number) and in the case of emergency (including fires and injuries) call 911.
 - Local calls are a simply a first step – citizens need to contact the state legislators
- The City of Yuma encourages residents to be good neighbors
 - Be considerate of the times you are using permissible consumer fireworks
 - Cease using illegal fireworks.

Franklin presented statistics on fireworks incidents as follows:

- There are over 19,000 fires and over 9000 injuries resulting from the use of fireworks annually in the country.
- Fire Departments do not advocate for permissible consumer fireworks, as they are also dangerous, especially when given to children to hold.
- Because the state allows certain fireworks, it certainly does not mean that they are safe.
- Fireworks such as sky rockets or missile type rockets that have some sort of explosive do require a federal permit and also a background clearance and certification to transport and operate that type of firework.

Short added the following:

- In the year 2020, Yuma Police Department responded to 132 fireworks calls during Independence Day, 112 fireworks calls during Christmas and 108 fireworks calls during New Years.
- Yuma Police Department and the Yuma Fire Department work diligently to keep the community safe by attending to the emergency calls related to fireworks.
- When a report from a citizen comes in, it is very difficult to determine who launched the firework, thus making it hard on the investigative party to start a criminal process and catch the perpetrator.
- The law favors civil tickets; however, depending on the facts of evidence there can be criminal charges.
 - Legislature has taken away most of the criminal penalties
- The law heard the third party's personal liability and invoked actually strict liability for any fires or any damages caused by fireworks.
- Contact your State Legislators if you would like to see any changes to the law regarding fireworks.

Discussion

- Concern was expressed over the fireworks that went off during the New Year's holiday. Stating that the loud bangs not only affect people who deal with Post Traumatic Stress Disorder, but also pets and neighboring homes. **(Shelton)**
- Although there are dates specific to the use of consumer fireworks, there is no set hours when fireworks may be used. **(Knight/Short)**
- The Yuma Fire Department issues permits for the sale or storage of permissible consumer fireworks within City of Yuma's jurisdiction, for only \$10. Permit holders provide YFD their bill of sale on the products, as a measure to match the types of fireworks, permitted for sale within the City of Yuma's jurisdiction. **(Franklin)**
- Enforcement is a big issue and bringing forth criminal charges is difficult; illegal firework use is a statewide issue. **(Short/Knight)**
- Residents are encouraged to contact their State Legislators to get the ball rolling for tougher laws. **(McClendon / Short)**

I. MOTION CONSENT AGENDA

Motion (Knight/McClendon): To approve the Motion Consent Agenda as presented. Voice vote: **approved**
6-0

A. Approval of minutes of the following City Council meeting:

Announcements

Shelton, Knight, Watts, and Mayor Nicholls reported on events and meetings they have attended during the last two weeks and upcoming events of note.

Scheduling- None

IV. SUMMARY OF CURRENT EVENTS

Rodriguez reported the following:

- January 9 - 5K New Year's Resolution Run/Walk at the West Wetlands Park
- January 13 - City of Yuma is hosting an event for prospective vendors to learn more about the City's procurement portal
- January 13-14 - Yuma Civic Center hosting a Blood Drive for Yuma Regional Medical Center

Rodriguez introduced the City's new Parks and Recreation Director, Jason Nau. Jason owned and operated a highly popular private tour company in Honolulu, Hawaii. As an entrepreneur, he worked closely with local and state governments on tourism reform. Prior to running his own business, Jason served as the Assistant to the City Manager in West Valley City, Utah. Jason also worked as a Management Analyst with the International City County Management Association or ICMA. Jason received his Bachelor of Science in Recreation Management and Youth Leadership and has a Master's of Public Administration, both from Brigham Young University in Utah.

Rodriguez thanked Jay Simonton for all of his hard work in making sure that the Parks and Recreation Department not only maintained but also made some advancements over the last year even during a very difficult pandemic environment for the City of Yuma.

V. CALL TO THE PUBLIC

Dennis Franklin, City resident, spoke about the lack of progress on Yuma's Riverfront Development despite many projects and hundreds of thousands of dollars spent on studies. **Franklin** mentioned various cities who have been successful in their Riverfront Development progress and encouraged City Council to take into consideration the goals set by those cities so that the City of Yuma can be proactive in a successful Riverfront Development Strategic Plan.

VI. EXECUTIVE SESSION/ADJOURNMENT

Motion (Morris/Knight): To adjourn the meeting to Executive Session. Voice vote: **adopted** 6-0. The meeting adjourned at 7:09 p.m.

Lynda L. Bushong, City Clerk

APPROVED:

Douglas J. Nicholls, Mayor

Approved at the City Council Meeting of: <u>February 3rd, 2021</u>
City Clerk:
