TITLE:

Intergovernmental Agreement: Arizona Department of Transportation - Crane Elementary School District No. 13 Transportation Safety Project

SUMMARY RECOMMENDATION:

Authorize the City Administrator to execute an Intergovernmental Agreement (IGA) with the State of Arizona Department of Transportation for the design of the Crane Elementary School District No. 13 Transportation Safety Project where the City is acting as project sponsor for Crane Elementary School District. This is a Transportation Alternatives Program Funding (TA) project and is 94.3% grant funded, 5.7% local match, for a total amount of \$153,002.00. (Engineering) (David Wostenberg)

STRATEGIC OUTCOME:

This IGA aligns with City Council's strategic outcome of Respected and Responsible and Safe and Prosperous, as it will enhance Yuma's roadway safety and traffic operations.

REPORT:

Recognizing the need to explore a solution for creating an improved and safer area of transportation access in the public right of way or easement to the Gary A. Knox Elementary School, the City of Yuma seeks to enter an IGA with The Arizona Department of Transportation (ADOT) where the City will act as Project Sponsor for the Crane School District No. 13 Transportation Safety Project.

The proposed Project consists of a multi-phase approach to creating a safe area of transportation for students attending Gary A. Knox Elementary School within the Crane Elementary School District by acquiring professional services to design the High-Intensity Activated Crosswalk (HAWK) signal at the vicinity of 30th Street and 21st Drive.

This Federal-aid project will be subject to a 94.3%/5.7% split. The federal funding (94.3%) for this project is \$144,281.00 with a local match (5.7%) of \$8,721.00. The local match costs will be paid by Crane Elementary School District No.13 with no City of Yuma funding required for this project.

FISCAL REQUIREMENTS:

CITY FUNDS:	\$ 0.00	BUDGETED:	\$ 153,002.00
STATE FUNDS:	\$ 0.00	AVAILABLE TO TRANSFER:	\$ 0.00
