2. The Local Agency is empowered by A.R.S. § 48-572 to enter into this Agreement and has by resolution, if required, a copy of which is attached and made a part of, resolved to enter into this Agreement and has authorized the undersigned to execute this Agreement on behalf of the Local Agency.
3. The work proposed under this Agreement consists of construction of a shared-use pathway connecting the existing shared-use pathway in East Wetlands Park to the paved end of Pacific Avenue at the Pacific Avenue Athletic Complex, (the "Project"). The Project cost, shown in Exhibit A, is estimated at \$331,332, which includes federal aid and the Local Agency's match. The Local Agency will administer the design, and the State will advertise, bid and award, and administer the construction of the Project.
4. The interest of the State in this Project is the acquisition of federal funds for the use and benefit of the Local Agency and authorization of such federal funds for the Project pursuant to federal law and regulations. The State shall be the designated agent for the Local Agency for the Project, if the Project is approved by Federal Highway Administration (FHWA) and funds for the Project are available.

5. The foregoing Recitals and Exhibit A shall be incorporated into this Agreement.

In consideration of the mutual terms expressed herein, the Parties agree as follows:

II. SCOPE OF WORK

1. The Parties agree:
 - a. The Project will be completed, accepted, and paid for in accordance with the requirements of the Project plans and specifications.
 - b. The final cost estimate may exceed the initial estimate identified in Exhibit A, and in such case, the Local Agency is responsible for and agrees to pay, the difference prior to bid advertisement.
 - c. The final Project amount may exceed the initial estimate(s) identified in Exhibit A, and in such case, the Local Agency is responsible for, and agrees to pay, any and all actual costs exceeding the initial estimate. If the final Project amount is less than the initial estimate, the difference between the final bid amount and the initial estimate will be de-obligated or otherwise released from the Project. The Local Agency acknowledges it remains responsible for actual costs and agrees to pay according to the terms of this Agreement.
 - d. The Local Agency and ADOT will each separately file a Notice of Intent (NOI) under the Construction General Permit (CGP) with the Arizona Department of Environmental Quality (ADEQ) before construction begins, if applicable to the Project.
2. The State will:
 - a. Execute this Agreement, and if the Project is approved by FHWA and funds for the Project are available, be the Local Agency's designated agent for the Project.
 - b. After this Agreement is executed, and prior to performing or authorizing any work on the Project, invoice the Local Agency for the Local Agency's share of the initial Project Development Administration (PDA) costs, estimated at \$30,000. If PDA costs exceed the estimate during the review of design, notify the Local Agency, obtain concurrence prior to continuing with the review of design, and invoice as determined by ADOT and the Local Agency for additional costs to complete PDA for the Project. After the Project costs are finalized invoice or reimburse the Local Agency for the difference between actual costs and the amount the Local Agency has paid for PDA.
 - c. After receipt of the PDA costs, review design plans, specifications, cost estimates and other such documents required for the construction bidding and construction of the Project, including scoping/design plans and documents required by FHWA to qualify projects for and to receive federal funds; provide design review comments to the Local Agency as appropriate.

- d. After completion of design review and prior to bid advertisement, invoice the Local Agency for the actual PDA costs, as applicable, and the Local Agency's share of the Project construction costs, estimated at \$17,176. After the Project costs for construction are finalized, the State will either invoice or reimburse the Local Agency for the difference between estimated and actual costs. De-obligate or otherwise release any remaining federal funds from the scoping/design phase of the Project.
 - e. After receipt of the actual PDA costs, if applicable, and the Local Agency's estimated share of the Project construction costs, including the difference between the final and the initial construction cost estimates, if applicable, submit all required documentation to FHWA with the recommendation that the maximum federal funds programmed for construction of this Project be approved. Should costs exceed the maximum federal funds available, it is understood and agreed that the Local Agency will be responsible for any overage.
 - f. After receipt of FHWA authorization, proceed to advertise for, receive and open bids, award and enter into a contract with the firm for the construction of the Project. If the bid amounts exceed the construction cost estimate, obtain the Local Agency's concurrence and invoice the Local Agency for the difference between the construction cost estimate and the bid amount prior to awarding the contract.
 - g. Notify the Local Agency of completion and final acceptance of the Project. At such time, file a Notice of Termination (NOT) with ADEQ transferring CGP responsibilities to the Local Agency, and provide a copy to the Local Agency indicating that the State's maintenance responsibility of the Project is terminated, as applicable.
 - h. Notify the Local Agency of completion and final acceptance of the Project; coordinate with the Local Agency and turn over full responsibility of the Project improvements.
 - i. Not be obligated to maintain the Project, should the Local Agency fail to budget or provide for proper and perpetual maintenance as set forth in this Agreement.
3. The Local Agency will:
- a. Designate the State as the Local Agency's authorized agent for the Project.
 - b. Within 30 days of receipt of an invoice from the State, pay the initial PDA costs, estimated at \$30,000. Agree to be responsible for actual PDA costs, if during the review of design, PDA costs exceed the initial estimate. Be responsible for the difference between the estimated and actual PDA and design costs of the Project.
 - c. Prepare and provide design plans, specifications, cost estimates and other such documents required for the construction bidding and construction of the Project, including scoping/design plans and documents required by FHWA to qualify projects for and to receive federal funds; incorporate design review comments from the State, as appropriate.
 - d. Enter into an agreement with the design consultant which states that the design consultant will provide professional post-design services as required and requested throughout and at completion of the construction phase of the Project. After final

acceptance of the Project, provide an electronic version of the record drawings to the ADOT Project Manager.

- e. After completion of design, within 30 days of receipt of an invoice from the State and prior to bid advertisement, pay to the State any outstanding PDA costs, the Local Agency's share of the Project construction costs, estimated at \$17,716, and if applicable, the difference between the final and initial construction cost estimates. Be responsible for and pay the difference between the estimated construction cost and Project bid amount prior to award. After Project completion, be responsible for and pay any outstanding Project costs, within 30 days of receipt of an invoice.
- f. Be responsible for all costs incurred in performing and accomplishing the work as set forth under this Agreement, that are not covered by federal funding. Should costs be deemed ineligible or exceed the maximum federal funds available, it is understood and agreed that the Local Agency is responsible for these costs; payment for these costs shall be made within 30 days of receipt of an invoice from the State.
- g. Certify that all necessary rights of way have been or will be acquired prior to advertisement for bid and also certify that all obstructions or unauthorized encroachments of whatever nature, either above or below the surface of the Project area, shall be removed from the proposed right of way, or will be removed prior to the start of construction, in accordance with The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 as amended; 49 CFR 24.102 Basic Acquisition Policies; 49 CFR 24.4 Assurances, Monitoring and Corrective Action, parts (a) & (b) and ADOT Right of Way Procedures Manual: 8.02 Responsibilities, 8.03 Prime Functions, 9.06 Monitoring Process and 9.07 Certification of Compliance. Coordinate with the appropriate State's Right of Way personnel during any right of way process performed by the Local Agency, if applicable.
- h. As applicable, the Local Agency shall certify that it has adequate resources to discharge the Local Agency's real property related responsibilities and ensures that its Title 23-funded projects are carried out using the FHWA approved and certified ADOT Right of Way Procedures Manual and that it will comply with current FHWA requirements whether or not the requirements are included in the FHWA approved ADOT Right of Way Procedures Manual (23 CFR 710.201). Additionally the Local Agency shall certify that all real estate related activities requiring licensure are performed by licensed individuals as defined by the Arizona Department of Real Estate (A.R.S. §§ 32-2121 & 32-2122).
- i. Not permit or allow any encroachments on or private use of the right of way, except those authorized by permit. In the event of any unauthorized encroachment or improper use, the Local Agency shall take all necessary steps to remove or prevent any such encroachment or use. Provide a copy of encroachment permits issued within the Project limits to the State.
- j. Automatically grant to the State, by execution of this Agreement, its agents and/or contractors, without cost, the temporary right to enter the Local Agency's rights of way, as required, to conduct any and all construction and preconstruction related activities for the Project, on, to and over said Local Agency's rights of way. This temporary right will expire with completion of the Project.

- k. Investigate and document utilities within the Project limits; submit findings to ADOT determining prior rights or no prior rights; approve a location within the final right of way to re-establish the prior rights location for those utilities with prior rights.
- l. Be obligated to incur any expenditure should unforeseen conditions or circumstances increase Project costs. Be responsible for the cost of any Local Agency requested changes to the scope of work of the Project, such changes will require State and FHWA approval. Be responsible for any contractor claims for additional compensation caused by Project delay attributable to the Local Agency. Payment for these costs will be made to the State within 30 days of receipt of an invoice from the State.
- m. After notification of final acceptance by the State, assume and maintain full responsibility of the Project, including Storm Water Pollution Prevention Plans (SWPPP) inspections, maintenance, and required documentation, until final stabilization is reached. Provide the NOI number to the State and the Contractor, accept CGP responsibilities at time of transfer, and file a NOT with ADEQ when final stabilization is reached, as applicable.
- n. After completion and final acceptance of the Project, agree to maintain and assume full responsibility of the Project and all Project components.

3. Duration. The terms, conditions and provisions of this Agreement shall remain in full force and effect until completion of the Project and all related deposits and/or reimbursements are made. Any and all obligations of maintenance hereunder shall remain perpetual and shall survive any termination hereof and the assignment or assumption of this Agreement or the Project by another competent jurisdiction or entity.
4. Cancellation. This Agreement may be cancelled at any time up to 30 days before the award of the Project contract, so long as the cancelling Party provides at least 30 days' prior written notice to the other Party. It is understood and agreed that, in the event the Local Agency terminates this Agreement, the Local Agency shall be responsible for all costs incurred by the State up to the time of termination. 5. Indemnification. The Local Agency shall indemnify, defend, and hold harmless the State, any of its departments, agencies, officers or employees (collectively referred to in this paragraph as the "State") from any and all claims, demands, suits, actions, proceedings, loss, cost and damages of every kind and description, including reasonable attorneys' fees and/or litigation expenses (collectively referred to in this paragraph as the "Claims"), which may be brought or made against or incurred by the State on account of loss of or damage to any property or for injuries to or death of any person, to the extent caused by, arising out of,
