Pursuant to A.R.S. § 42-6209(C), the City must notify you as the governing bodies of the county and any school districts prior to taking action on the proposed lease at least sixty (60) days before the City Council considers approval of the Lease.

Additionally, A.R.S. § 42-6209(C)(2) requires that the City of Yuma determine that, within the term of the Lease, the economic and fiscal benefit to this state, county and the city in which the project is located will exceed the benefits received by the Developer/Prime Lessee as a result of the Lease on the basis of an estimate of those benefits prepared by an independent third party in a manner and method acceptable to the City Council. The estimate must be provided to the governing bodies of the county and any school district in which the project is located at least thirty (30) days before the vote of the City Council.
