Ladies and Gentlemen:

The undersigned Stifel, Nicolaus & Company, Incorporated (the “Underwriter”) hereby offers to enter into this Obligation Purchase Agreement (this “Obligation Purchase Agreement”) with the City of Yuma, Arizona (the “Issuer”), a municipal corporation duly organized and validly existing under and pursuant to the laws of the State of Arizona (the “State” or “Arizona”), whereby the Underwriter will purchase and the Issuer will sell the Obligations (as defined herein). The Underwriter is making this offer subject to the acceptance by the Issuer at or before 11:59 P.M., Arizona Time, on the date hereof. If the Issuer accepts this Obligation Purchase Agreement, this Obligation Purchase Agreement shall be in full force and effect in accordance with its terms and shall bind both the Issuer and the Underwriter. The Underwriter may withdraw this Obligation Purchase Agreement upon written notice delivered by the Underwriter to the Issuer at any time before the Issuer accepts this Obligation Purchase Agreement.

1. PURCHASE AND SALE.

(a) Upon the terms and conditions and in reliance upon the representations, warranties and agreements herein set forth, the Underwriter hereby agrees to purchase from the Issuer, and the Issuer hereby agrees to cause [NAME OF TRUSTEE], as trustee (the “Trustee”), to execute, sell and deliver to the Underwriter, all (but not less than all) of the [\$\_\_\_\_,000] aggregate principal amount of “City of Yuma, Arizona Utility System Revenue Obligations, Series 2025A” (the “Series 2025A Obligations”) and the [\$\_\_\_\_,000] aggregate principal amount of “City of Yuma, Arizona Utility System Revenue Obligations, Series 2025B” (the “Series 2025B Obligations”) and collectively with the Series 2025A Obligations, the “Obligations”), at the purchase price of \$\_\_\_\_\_, representing the aggregate principal amount of the Obligations

less an Underwriter's discount of \$\_\_\_\_\_, [plus net original issue premium of \$\_\_\_\_\_] [less a net original issue discount of \$\_\_\_\_\_]. The Underwriter intends to make an initial bona fide public offering of the Obligations at a price or prices (or at a yield or yields) described in the Schedule attached hereto; provided, however, the Underwriter reserves the right to change such initial public offering prices (or yields) as the Underwriter deems necessary or desirable, in its sole discretion, in connection with the marketing of the Obligations (but in all cases subject to the requirements of Section 4 hereof), and may offer and sell the Obligations to certain dealers, unit investment trusts and money market funds, certain of which may be sponsored or managed by the Underwriter at prices lower than the public offering prices (or yields greater than the yields) set forth therein (but in all cases subject to the requirements of Section 4 hereof).

(b) The Issuer acknowledges and agrees that with respect to the transaction contemplated hereby: (i) the Underwriter is not acting as a municipal advisor within the meaning of Section 15B of the Securities Exchange Act of 1934, as amended (the "Exchange Act"); (ii) the primary role of the Underwriter, as underwriter, is to purchase securities, for resale to investors, in an arm's length commercial transaction between the Issuer and the Underwriter and the Underwriter has financial and other interests that differ from those of the Issuer; (iii) the Underwriter is acting solely as a principal and is not acting as a municipal advisor, financial advisor or fiduciary to the Issuer and has not assumed any advisory or fiduciary responsibility to the Issuer (irrespective of whether the Underwriter has provided other services or is currently providing other services to the Issuer on other matters); (iv) the only obligations the Underwriter has to the Issuer expressly are set forth in this Obligation Purchase Agreement; and (v) the Issuer has consulted its own financial and/or municipal, legal, accounting, tax and other advisors, as applicable, to the extent it has deemed appropriate.

## 2. DESCRIPTION AND PURPOSE OF THE OBLIGATIONS.

(a) The Obligations have been authorized pursuant to an Ordinance adopted by the Mayor and Council of the Issuer on [October 1, 2025] (the "Ordinance"). The Obligations shall be dated the date of delivery and executed and delivered and secured under and pursuant to the Series 2025 Obligation Indenture, to be dated as of November 1, 2025 (the "Indenture"), by and between the Issuer and the Trustee. The Obligations represent undivided proportionate interests of the holders thereof in the installment payments of the Purchase Price (each a "Payment," and collectively, the "Payments") to be paid by the Issuer pursuant to the Series 2025 Purchase Agreement, to be dated as of November 1, 2025 (the "Purchase Agreement"), by and between the Issuer, as purchaser, and the Trustee, as seller, as the purchase price for the Projects (as defined in the Purchase Agreement). The Payments will be secured by revenues from Net Revenues (as defined in the Purchase Agreement) as described in the Purchase Agreement.

(b) The proceeds of the sale of the Obligations will be used to (i) pay the costs of the Project, and (ii) pay certain costs of execution and delivery of the Obligations.

(c) The Obligations shall become payable in the years, bear interest, produce the yields or prices and be subject to redemption at the times and in the amounts, all as set forth in the Schedule attached hereto. The terms of the Obligations shall be otherwise as described in the Indenture.

3. DELIVERY OF THE OFFICIAL STATEMENT AND OTHER DOCUMENTS.

(a) The Issuer has approved and delivered or caused to be delivered to the Underwriter copies of the Preliminary Official Statement dated November \_\_, 2025, which, including the cover page, the inside front cover page and all appendices thereto, is herein referred to as the “Preliminary Official Statement.” It is acknowledged by the Issuer that the Underwriter may deliver the Preliminary Official Statement and a final Official Statement (as defined herein) electronically over the internet and in printed paper form. The Issuer deems the Preliminary Official Statement final as of its date and as of the date hereof for purposes of Rule 15c2-12 promulgated under the Exchange Act (“Rule 15c2-12”), except for any information which is permitted to be omitted therefrom in accordance with paragraph (b)(1) of Rule 15c2-12.

(b) Within seven (7) business days from the date hereof, and in any event not later than the Closing Date (as defined herein), the Issuer shall deliver to the Underwriter a final Official Statement relating to the Obligations dated the date hereof (such Official Statement, including the cover page, the inside front cover page and all appendices attached thereto, together with all information previously permitted to have been omitted by Rule 15c2-12 and any amendments or supplements and statements incorporated by reference therein or attached thereto, as have been approved by the Issuer, Special Counsel (as defined herein) and the Underwriter, is referred to herein as the “Official Statement”) and such additional conformed copies thereof as the Underwriter may reasonably request in sufficient quantities to comply with Rule 15c2-12, rules of the Municipal Securities Rulemaking Board (the “MSRB”) and to meet potential customer requests for copies of the Official Statement. The Underwriter agrees to file a copy of the Official Statement, including any amendments or supplements thereto prepared by the Issuer, with the MSRB on its Electronic Municipal Market Access system, if required by MSRB Rule G-32. The Official Statement shall be executed by and on behalf of the Issuer by an authorized officer of the Issuer. The Official Statement shall be in substantially the same form as the Preliminary Official Statement and, other than information previously permitted to have been omitted by Rule 15c2-12, the Issuer shall only make such other additions, deletions and revisions in the Official Statement which are approved by the Underwriter. The Issuer hereby agrees to deliver to the Underwriter an electronic copy of the Official Statement in a form that permits the Underwriter to satisfy its obligations under the rules and regulations of the MSRB and the U.S. Securities and Exchange Commission (the “SEC”) including in a word-searchable pdf format including any amendments thereto. The Issuer hereby ratifies, confirms and consents to and approves the use and distribution by the Underwriter before the date hereof of the Preliminary Official Statement and hereby authorizes and consents to the use by the Underwriter of the Official Statement in connection with the public offering and sale of the Obligations.

(c) In order to assist the Underwriter in complying with Rule 15c2-12, the Issuer will undertake, pursuant to the Continuing Disclosure Undertaking, to be dated the Closing Date (the “Undertaking”), of the Issuer, to provide annual financial information and notices of the occurrence of specified events. A description of the Undertaking is set forth in, and a form of such undertaking is attached as APPENDIX G - “FORM OF CONTINUING DISCLOSURE UNDERTAKING” to, the Preliminary Official Statement and the Official Statement.

4. ESTABLISHMENT OF ISSUE PRICE.

(a) The Underwriter agrees to assist the Issuer in establishing the issue price of the Obligations and shall execute and deliver to the Issuer at Closing (as defined herein) an “issue price” or similar certificate, substantially in the form of Exhibit A attached hereto, together with the supporting pricing wires or equivalent communications, with such modifications as may be deemed appropriate or necessary, in the reasonable judgment of the Underwriter, the Issuer and Special Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Obligations.

(b) [Except as otherwise set forth in Schedule I to Exhibit A (Issue Price Certificate) attached hereto,] the Issuer will treat the first price at which 10% of each maturity of the Obligations (the “10% Test”) is sold to the public as the issue price of that maturity. At or promptly after the execution of this Obligation Purchase Agreement, the Underwriter shall report to the Issuer the price or prices at which the Underwriter has sold to the public each maturity of Obligations. [If at that time the 10% test has not been satisfied as to any maturity of the Obligations, the Underwriter agrees to promptly report to the Issuer the prices at which it sells the unsold Obligations of that maturity to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until either (i) the Underwriter has sold all Obligations of that maturity or (ii) the 10% test has been satisfied as to the Obligations of that maturity, provided that, the Underwriter’s reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Issuer or special counsel.] For purposes of this Section, if Obligations mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Obligations.

[c] [The Underwriter confirms that it has offered the Obligations to the public on or before the date of this Obligation Purchase Agreement at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in Schedule I to Exhibit A (Issue Price Certificate) attached hereto, except as otherwise set forth therein. Schedule I to Exhibit A (Issue Price Certificate) attached hereto also sets forth, as of the date of this Obligation Purchase Agreement, the maturities, if any, of the Obligations for which the 10% test has not been satisfied and for which the Issuer and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the Issuer to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the “hold-the-offering-price rule”). So long as the hold-the-offering-price rule remains applicable to any maturity of the Obligations, the Underwriter will neither offer nor sell unsold Obligations of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- i. the close of the fifth (5<sup>th</sup>) business day after the sale date; or
- ii. the date on which the Underwriter has sold at least 10% of that maturity of the Obligations to the public at a price that is no higher than the initial offering price to the public.

The Underwriter will advise the Issuer promptly after the close of the fifth (5th) business day after the sale date whether it has sold 10% of that maturity of the Obligations to the public at a price that is no higher than the initial offering price to the public.]

[c][d] The Underwriter confirms that:

(i) any selling group agreement and each third-party distribution agreement relating to the initial sale of the Obligations to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such third-party distribution agreement, as applicable:

(A)(i) to report the prices at which it sells to the public the unsold Obligations of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Obligations of that maturity allocated to it have been sold or it is notified by the Underwriter that the 10% Test has been satisfied as to the Obligations of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter, and (ii) to comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the Underwriter,

(B) to promptly notify the Underwriter of any sales of Obligations that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Obligations to the public (each such term being used as defined below), and

(C) to acknowledge that, unless otherwise advised by the dealer or broker-dealer, the Underwriter shall assume that each order submitted by the dealer or broker-dealer is a sale to the public.

(ii) any selling group agreement relating to the initial sale of the Obligations to the public, together with the related pricing wires, contains or will contain language obligating each dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Obligations to the public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the public the unsold Obligations of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Obligations of that maturity allocated to it have been sold or it is notified by the Underwriter that the 10% Test has been satisfied as to the Obligations of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter or dealer, and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the Underwriter or the dealer and as set forth in the related pricing wires.

[(d)][(e)] The Issuer acknowledges that, in making the representations set forth in this section, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Obligations to the public, the agreement of each dealer who is a member

of the selling group to comply with the requirements for establishing issue price of the Obligations, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Obligations, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a third-party distribution agreement was employed in connection with the initial sale of the Obligations to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the Obligations, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable, as set forth in the third-party distribution agreement and the related pricing wires. The Issuer further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement, to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Obligations, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Obligations.

[e][f] The Underwriter acknowledges that sales of any Obligations to any person that is a related party to an underwriter participating in the initial sale of the Obligations to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

- (i) “public” means any person other than an underwriter or a related party to an underwriter,
- (ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Obligations to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Obligations to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Obligations to the public),
- (iii) a purchaser of any of the Obligations is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and
- (iv) “sale date” means the date of execution of this Obligation Purchase Agreement by all parties.

5. ISSUER'S REPRESENTATIONS. The Issuer represents to and agrees with the Underwriter that:

(a) The Issuer is duly organized and validly existing, with full legal right, power and authority to cause the sale, execution and delivery of the Obligations to the Underwriter pursuant to the Ordinance and the Indenture, to pledge the revenues from Net Revenues pursuant to the Purchase Agreement and to execute, deliver and perform its obligations, as the case may be, under this Obligation Purchase Agreement, the Purchase Agreement, the Indenture, the Undertaking (collectively, the "Issuer Documents"), and the Obligations, and to perform and consummate all obligations and transactions required or contemplated by each of the Issuer Documents and the Official Statement.

(b) The Ordinance approving and authorizing the execution and delivery by the Issuer of the Issuer Documents and the offering, sale, execution and delivery of the Obligations upon the terms set forth herein and in the Official Statement, was duly adopted at a meeting of the Mayor and Council of the Issuer called and held pursuant to law and with all public notice required by law and at which a quorum was present and acting throughout, and is in full force and effect and has not been amended or repealed.

(c) The Issuer Documents and the Obligations conform to the descriptions thereof contained in the Preliminary Official Statement and the Official Statement, and the Obligations, when duly executed and authenticated in accordance with the Indenture and delivered to the Underwriter as provided herein, will be validly issued and outstanding obligations of the Issuer, entitled to the benefits of the Purchase Agreement and the Indenture and secured by a legally valid and binding pledge and lien on, and payable from, revenues from Net Revenues as described in the Purchase Agreement, subject to applicable Creditors' Rights Laws (as defined herein).

(d) The Issuer has executed and delivered or will execute and deliver on or before the Closing Date, each of the Issuer Documents. Each of the Issuer Documents constitutes, or will, as of the Closing Date, constitute, a legal, valid and binding obligation of the Issuer enforceable in accordance with its terms, except as the enforceability thereof may be limited by application of bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights generally from time to time in effect and from the application of general principles of equity and from public policy limitations on the exercise of any rights to indemnification and contribution (collectively, "Creditors' Rights Laws"). Each of the Issuer Documents has been executed and delivered or will be executed and delivered on or before the Closing Date, by each respective signatory and is currently in full force and effect or, as of the Closing Date, will be in full force and effect.

(e) The Issuer is not in any material respect in breach of or default under any constitutional provision, law or administrative regulation of the State or of the United States or any agency or instrumentality of either, or of any other governmental agency, or any Material Judgment or Agreement (as defined herein), and no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a default or event of default under any Material Judgment or Agreement; and the adoption of the Ordinance, the sale

and execution and delivery of the Obligations and the execution and delivery of the Issuer Documents and compliance with and performance of the Issuer's obligations therein and herein will not in any material respect conflict with, violate or result in a breach of or constitute a default under, any such constitutional provision, law, administrative regulation or any Material Judgment or Agreement, nor will any such execution, delivery, adoption or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the Issuer (except as described in or contemplated by the Issuer Documents and the Official Statement) or under the terms of any such law, administrative regulation or Material Judgment or Agreement. As used herein, the term "Material Judgment or Agreement" means any judgment or decree or any loan agreement, indenture, bond, note or resolution or any material agreement or other instrument to which the Issuer is a party or to which the Issuer or any of its property or assets is otherwise subject (including, without limitation, the Ordinance and the Issuer Documents).

(f) All approvals, consents and orders of any governmental authority, board, agency, council, commission or other body having jurisdiction (including with respect to the requirements of Section 35-501(B), Arizona Revised Statutes) which would constitute a condition precedent to, or the absence of which would materially adversely affect, the performance by the Issuer of its obligations hereunder and under the Issuer Documents have been obtained; provided, that the Issuer makes no representations as to any approvals, consents or other actions which may be necessary to qualify the Obligations for offer and sale under Blue Sky or other state securities laws or regulations.

(g) Any certificates executed by any officer of the Issuer and delivered to the Underwriter pursuant hereto or in connection herewith shall be deemed a representation and warranty of the Issuer as to the accuracy of the statements therein made and as to the authority of the representative to deliver such certificates and make such representation.

(h) Between the date hereof and the time of the Closing and to the extent it may legally agree to do so pursuant to applicable law, the Issuer shall not, without the prior written consent of the Underwriter, offer or issue in any material amount any bonds, notes or other obligations for borrowed money, or incur any material liabilities, direct or contingent, except in the course of normal business operations of the Issuer or except for such borrowings as may be described in or contemplated by the Official Statement.

(i) The financial statements of the Issuer as of June 30, 2024, fairly represent the receipts, expenditures, assets, liabilities and cash balances of such amounts and, insofar as presented, other funds of the Issuer as of the dates and for the periods therein set forth. Except as disclosed in the Official Statement or otherwise disclosed in writing to the Underwriter, there has not been any materially adverse change in the financial condition of the Issuer or in its operations since June 30, 2024, and there has been no occurrence, circumstance or combination thereof which is reasonably expected to result in any such materially adverse change.

(j) Except for information which is permitted to be omitted pursuant to Rule 15c2-12, the information contained in the Preliminary Official Statement (excluding therefrom any information regarding DTC (as defined herein) and the information under the heading "UNDERWRITING," as to which no representations or warranties are made), as of its

date and as of the date hereof was and is true and correct in all material respects and did not and does not contain any untrue or misleading statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(k) The Official Statement is, as of its date and at all times after the date of the Official Statement (excluding therefrom any information regarding DTC and the information under the heading “UNDERWRITING,” as to which no representations or warranties are made) up to and including the Closing Date will be, true and correct in all material respects and will not contain any untrue or misleading statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(l) If the Official Statement is supplemented or amended, at the time of each supplement or amendment thereto and (unless subsequently again supplemented or amended) at all times subsequent thereto up to and including that date that is 25 days from the “end of the underwriting period” as defined in Rule 15c2-12 (unless the Underwriter notifies the Issuer by the Closing Date of an unsold balance, in which case the “underwriting period” shall be deemed to end on the Closing Date), the Official Statement as so supplemented or amended will be true and correct in all material respects and will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(m) If between the date of the Official Statement and the Closing any event shall occur which might or would cause the information contained in the Official Statement, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the Issuer shall notify the Underwriter thereof, and if, in the opinion of the Underwriter, such event requires the preparation and publication of a supplement or amendment to the Official Statement, the Issuer shall promptly (and in any event before the Closing) prepare and furnish (at the expense of the Issuer) a reasonable number of copies of an amendment of or supplement to the Official Statement in form and substance satisfactory to the Underwriter.

(n) Except as described in the Preliminary Official Statement and Official Statement, no litigation, proceeding or official investigation of any governmental or judicial body is pending against the Issuer or against any other party of which the Issuer has notice or, to the knowledge of the Issuer, threatened against the Issuer: (i) seeking to restrain or enjoin the sale or execution and delivery of any of the Obligations, or the levy, collection, pledge and/or payment, as applicable, of the revenues from Net Revenues as described in the Purchase Agreement, securing the payment of the Obligations; (ii) in any way contesting or affecting any authority for the execution and delivery of the Obligations or the validity or binding effect of any of the Issuer Documents; (iii) which is in any way contesting the creation, existence, powers or jurisdiction of the Issuer or the validity or effect of the Ordinance or any provision thereof or the application of the proceeds of the Obligations; (iv) contesting in any way the completeness or accuracy of the Preliminary Official Statement or the Official Statement or any supplement or amendment thereto;

or (v) which, if adversely determined, could materially adversely affect the financial position or operating condition of the Issuer or the transactions contemplated by the Preliminary Official Statement and Official Statement or any of the Issuer Documents. The Issuer shall advise the Underwriter promptly of the institution of any proceedings known to it by any governmental agency prohibiting or otherwise affecting the use of the Preliminary Official Statement or the Official Statement in connection with the offering, sale or distribution of the Obligations.

(o) Except as described in the Official Statement, during the last five years, the Issuer has not failed to materially comply with any previous undertaking relating to continuing disclosure of information pursuant to Rule 15c2-12.

(p) Except as described in the Official Statement, the Issuer, to the best of its knowledge, has never been and is not in default in the payment of principal of, premium, if any, or interest on, or otherwise is not nor has it been in default with respect to, any bonds, notes, or other obligations which it has issued, assumed or guaranteed as to payment of principal, premium, if any, or interest.

(q) The Issuer has not granted a lien on, made a pledge of or agreed to apply the revenues from Net Revenues and other moneys payable pursuant to the Purchase Agreement except as provided or permitted in the Purchase Agreement or as described in the Official Statement.

All representations, warranties and agreements of the Issuer shall remain operative and in full force and effect, regardless of any investigations made by the Underwriter or on the Underwriter's behalf and shall survive the delivery of the Obligations.

6. UNDERWRITER'S REPRESENTATIONS. The Underwriter represents to and agrees with the Issuer that:

(a) The Underwriter is an entity duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization.

(b) This Obligation Purchase Agreement has been duly authorized, executed and delivered by the Underwriter and, assuming the due authorization, execution and delivery by the Issuer, is the legal, valid and binding obligation of the Underwriter enforceable in accordance with its terms, except as the enforceability of this Obligation Purchase Agreement may be limited by application of Creditors' Rights Laws.

(c) The Underwriter is licensed by and registered with the Financial Industry Regulatory Authority as a broker-dealer and the MSRB as a municipal securities dealer.

(d) The Underwriter and its parent company, wholly or majority-owned subsidiaries, and other affiliates, if any, are not currently engaged in, or for the duration of this Obligation Purchase Agreement will not engage in, a boycott of goods or services from the State of Israel; companies doing business in or with the State of Israel or authorized by, licensed by, or organized under the laws of the State of Israel; or persons or entities doing business in the State of

Israel. The Underwriter understands that “boycott” means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations, but does not include an action made for ordinary business purposes.

7. Closing.

The date of the payment for and delivery of the Obligations (such payment and delivery and the other actions contemplated hereby to take place at the time of such payment and delivery of the Obligations herein sometimes called the “Closing”) shall be at 8:00 A.M., Arizona Time, on November \_\_, 2025, or at such other time or date as the Underwriter and the Issuer may mutually agree upon as the date and time of the Closing (the “Closing Date”), the Issuer will cause to be delivered to the Underwriter, at the offices of Greenberg Traurig, LLP (“Special Counsel”), or at such other place as the Underwriter and the Issuer may mutually agree upon, the Obligations, through the facilities of The Depository Trust Company, New York, New York (“DTC”), duly executed and authenticated, and the other documents specified in Section 8. The Obligations shall be made available to the Underwriter at least one (1) business day before the Closing Date for purposes of inspection.

8. CONDITIONS PRECEDENT.

The Underwriter has entered into this Obligation Purchase Agreement in reliance upon the representations and agreements of the Issuer contained herein and the performance by the Issuer of its obligations hereunder, both as of the date hereof and as of the Closing Date. The Underwriter’s obligations under this Obligation Purchase Agreement are and shall be subject to the following additional conditions:

9. TERMINATION.

If the Issuer shall be unable to satisfy the conditions of the Underwriter's obligations contained in this Obligation Purchase Agreement or if the Underwriter's obligations shall be terminated for any reason permitted by this Obligation Purchase Agreement, this Obligation Purchase Agreement may be cancelled by the Underwriter at, or at any time before, the time of the Closing. Notice of such cancellation shall be given by the Underwriter to the Issuer in writing, or by telephone confirmed in writing. The performance by the Issuer of any and all conditions

contained in this Obligation Purchase Agreement for the benefit of the Underwriter may be waived by the Underwriter.

(a) The Underwriter shall also have the right, before the time of Closing, to cancel its obligations to purchase the Obligations, by written notice (or by telephone confirmed in writing) by the Underwriter to the Issuer, if between the date hereof and the time of Closing, in the Underwriter's sole and reasonable judgment any of the following events shall occur (each hereinafter referred to as a "Termination Event"):

  - (D) legislation shall have been enacted by the Congress of the

United States or shall have been favorably reported out of committee or be pending in committee, or shall have been recommended to the Congress for passage by the President of the United States or a member of the President's Cabinet, or a decision by a court of the United States shall be rendered, or a ruling, regulation, proposed regulation or statement by or on behalf of the SEC or other governmental agency having jurisdiction of the subject matter shall be made, to the effect that any obligations of the general character of the Obligations, the Ordinance or the Issuer Documents, or any comparable securities of the Issuer, are not exempt from the registration, qualification or other requirements of the Securities Act of 1933, as amended (the "Securities Act") or Trust Indenture Act of 1939, as amended (the "Trust Indenture Act") or otherwise, or would be in violation of any provision of the federal securities laws; or

(E) except as disclosed in or contemplated by the Official Statement, any material adverse change in the affairs of the Issuer shall have occurred; or

(vi) a decision by a court of the United States shall be rendered, or a stop order, release, regulation or no-action letter by or on behalf of the SEC or any other governmental agency having jurisdiction of the subject matter shall have been issued or made, to the effect that the offering, sale or execution and delivery of the Obligations, including the underlying obligations as contemplated by this Obligation Purchase Agreement or by the Official Statement, or any document relating to the offering, sale or execution and delivery of the Obligations, is or would be in violation of any provision of the federal securities laws at the Closing Date, including the Securities Act, the Exchange Act and the Trust Indenture Act.

(b) Upon the occurrence of a Termination Event and the termination of this Obligation Purchase Agreement by the Underwriter, all obligations of the Issuer and the Underwriter under this Obligation Purchase Agreement shall terminate, without further liability.

#### 10. AMENDMENTS TO OFFICIAL STATEMENT.

During the period commencing on the date of the Official Statement and ending twenty-five (25) days from the “end of the underwriting period” (as defined in Rule 15c2-12) the Issuer shall advise the Underwriter if any event relating to or affecting the Official Statement shall occur as a result of which it may be necessary or appropriate to amend or supplement the Official Statement in order to make the Official Statement not misleading in light of the circumstances existing at the time it is delivered to a purchaser or “potential customer” (as defined for purposes of Rule 15c2-12). If the Official Statement is supplemented or amended, at the time of each supplement or amendment thereto and at all times subsequent thereto up to and including that date that is 25 days from the end of the underwriting period, the Official Statement as supplemented or amended will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading and shall amend or supplement the Official Statement (in form and substance satisfactory to counsel to the Underwriter) so that the Official Statement will not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The expenses of preparing such amendment or supplement shall be borne by the Issuer. For the purpose of this Section, the Issuer will furnish to the Underwriter such information with respect to itself as the Underwriter may from time to time reasonably request.

#### 11. EXPENSES.

(a) Whether or not the Obligations are sold to the Underwriter, the Underwriter shall be under no obligation to pay any expenses incident to the performance of the Issuer’s obligations hereunder. the Official Statement and any amendment or supplement of either; (ii) the cost of preparation and printing of the definitive Obligations; (iii) the fees and expenses of the Issuer, the Trustee, Special Counsel, counsel to the Underwriter, and any entity performing continuing disclosure compliance research or providing continuing disclosure compliance reports and any other experts or consultants retained by the Issuer; (iv) the charges of any rating agency with respect to the Obligations; (v) reimbursement to the Underwriter for payment of any fees and expenses reasonably incurred in connection with the initial offering, sale and delivery of the Obligations, including but not limited to industry fees (e.g., DTC, DAC, IPREO, CUSIP and Day Loan fees) only if the Issuer and Underwriter have previously discussed and approved the allocation of proceeds towards these fees, and meal and travel expenses of Issuer personnel, but not including entertainment expenses or those to be paid by the Underwriter pursuant to the last paragraph of this Section 11, and (vi) all other fees and expenses, not including entertainment expenses, reasonably incurred in connection with the preparation of the Issuer Documents and/or the initial offering, sale and delivery of the Obligations. The Issuer has authorized, and does hereby authorize, the Underwriter to pay certain of such expenses on behalf of the Issuer from proceeds of the Obligations at Closing as further described in the closing memorandum relating to the Obligations.

(b) If the Obligations are sold to the Underwriter by the Issuer, the Issuer shall pay out of the proceeds of the Obligations the discount of the Underwriter or the purchase price paid for the Obligations shall reflect such discount.

(c) Except as otherwise provided in this Section 11, the Underwriter shall pay the cost, if any, of qualifying the Obligations for sale in the various states chosen by the Underwriter, all advertising expenses in connection with the public offering of the Obligations and all other expenses incurred by it in connection with its public offering and distribution of the Obligations, not described above.

The undersigned, on behalf of Stifel, Nicolaus & Company, Incorporated (“Stifel”) hereby certifies as set forth below with respect to the sale and issuance of the above-captioned obligations (collectively, the “Obligations”).

1. **Obligation Purchase Agreement.** On November \_\_, 2025 (the “Sale Date”), Stifel and City of Yuma, Arizona (the “Issuer”) executed an Obligation Purchase Agreement (the “Purchase Contract”) in connection with the sale of the Obligations. Stifel has not modified the Purchase Contract since its execution on the Sale Date.

2. **Price.**

(a) As of the date of this Certificate, for each [Maturity] [of the \_\_\_\_\_ Maturities] of the Obligations, the first price or prices at which at least 10% of [each] such Maturity of the Obligations was sold to the Public (the “10% Test”) are the respective prices listed in Schedule A attached hereto.

(b) **[To be used if not using Hold-the-Offering-Price Rule and 10% was not sold for all Maturities]** [\*\* With respect to each of the \_\_\_\_\_ Maturities of the Obligations:

- (i) As of the date of this Certificate, Stifel has not sold at least 10% of the Obligations of these Maturities at any price or prices.
- (ii) As of the date of this Certificate, Stifel reasonably expects that the first sale to the Public of Obligations of these Maturities will be at or below the respective price or prices listed on the attached Schedule A as the “Reasonably Expected Sale Prices for Undersold Maturities.”
- (iii) Stifel will provide actual sales information (substantially similar to the information contained on Schedule B) as to the price or prices at which the first 10% of each such Maturity (i.e., the Undersold Maturity or Maturities) is sold to the Public.
- (iv) On the date the 10% Test is satisfied with respect to all Maturities of the Obligations, Stifel will execute a supplemental certificate

substantially in the form attached hereto as Schedule C with respect to any remaining Maturities for which the 10% Test has not been satisfied as of the Closing Date.\*\*]

(b) **[To be used if using Hold-the-Offering-Price Rule] [Alternative 1 - All Maturities Use Hold-the-Offering-Price Rule:** Stifel offered the Obligations to the Public for purchase at the respective initial offering prices listed in Schedule A (the “Initial Offering Prices”) on or before the Sale Date. A copy of the pricing wire or equivalent communication for the Obligations is attached to this certificate as Schedule B.] **[Alternative 2 - Select Maturities Use Hold-the-Offering-Price Rule:** Stifel offered the Hold-the-Offering-Price Maturities to the Public for purchase at the respective initial offering prices listed in Schedule A (the “Initial Offering Prices”) on or before the Sale Date. A copy of the pricing wire or equivalent communication for the Obligations is attached to this certificate as Schedule B.]

**[Alternative 1 - All Maturities use Hold-the-Offering-Price Rule:** As set forth in the Purchase Contract, Stifel has agreed in writing that, (i) for each Maturity of the Obligations, it would neither offer nor sell any of the Obligations of such Maturity to any person at a price that is higher than the Initial Offering Price for such Maturity during the Holding Period for such Maturity (the “hold-the-offering-price rule”), and (ii) any selling group agreement shall contain the agreement of each dealer who is a member of the selling group, and any retail distribution agreement shall contain the agreement of each broker-dealer who is a party to the retail distribution agreement, to comply with the hold-the-offering-price rule. Pursuant to such agreement, no Underwriter (as defined below) has offered or sold any Maturity of the Obligations at a price that is higher than the respective Initial Offering Price for that Maturity of the Obligations during the Holding Period. **[Alternative 2 - Select Maturities Use Hold-the-Offering-Price Rule:** As set forth in the Purchase Contract, Stifel has agreed in writing that, (i) for each Maturity of the Hold-the-Offering-Price Maturities, it would neither offer nor sell any of the Obligations of such Maturity to any person at a price that is higher than the Initial Offering Price for such Maturity during the Holding Period for such Maturity (the “hold-the-offering-price rule”), and (ii) any selling group agreement shall contain the agreement of each dealer who is a member of the selling group, and any retail distribution agreement shall contain the agreement of each broker-dealer who is a party to the retail distribution agreement, to comply with the hold-the-offering-price rule. Pursuant to such agreement, no Underwriter (as defined below) has offered or sold any Maturity of the Hold-the-Offering-Price Maturities at a price that is higher than the respective Initial Offering Price for that Maturity of the Obligations during the Holding Period.]

(b) *[Holding Period* means, with respect to a Hold-the-Offering-Price Maturity, the period starting on the Sale Date and ending on the earlier of (i) the close of the fifth business day after the Sale Date ([DATE]), or (ii) the date on which Stifel has sold at least 10% of such Hold-the-Offering-Price Maturity to the Public at prices that are no higher than the Initial Offering Price for such Hold-the-Offering-Price Maturity.]

(c) *Issuer* means City of Yuma, Arizona.

(d) *Maturity* means Obligations with the same credit and payment terms. Obligations with different maturity dates, or Obligations with the same maturity date but different stated interest rates, are treated as separate Maturities.

The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents Stifel’s interpretation of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder. The undersigned understands that the foregoing information will be relied upon by the Issuer with respect to certain of the representations set forth in the Tax Certificate of the Issuer dated November \_\_, 2025 and with respect to compliance with the federal income tax rules affecting the Obligations, and by Special Counsel, in connection with rendering its opinion that the interest on the Obligations is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the Issuer from time to time relating to the Obligations.

Re: Utility System Revenue Obligations, Series 2025A and Utility System Revenue Obligations, Series 2025B, Evidencing Proportionate Interests of the Holders Thereof in Installment Payments of the Purchase Price to be Paid by the City of Yuma, Arizona to [NAME OF TRUSTEE], as Trustee Pursuant to a Series 2025 Purchase Agreement, Dated as of November 1, 2025

I hold the office of City Attorney of the City of Yuma, Arizona (the “City”), and in that capacity render this opinion pursuant to the Obligation Purchase Agreement, dated November \_\_, 2025 (the “Purchase Contract”), with respect to the captioned Obligations. (The capitalized terms used in this opinion and not otherwise defined herein have the meaning ascribed to them in the Purchase Contract.)

I have examined the transcript of proceedings (the “Transcript”) relating to the execution and delivery of the Obligations, including originals or copies, certified or otherwise identified to my satisfaction, of the included documents, resolutions, instruments, records, certificates and opinions, and have reviewed laws and information and have made investigations, as I have considered necessary or appropriate for the purpose of rendering this opinion. In such examination of the Transcript, I have assumed the genuineness of all signatures, the authenticity of all documents submitted to me as originals and the conformity to the original documents of all documents submitted to me as copies. As to any facts material to this opinion, I have, when relevant facts were not independently established, relied upon the aforesaid proceedings and proofs.

Based upon such examination, I am of the opinion that, pursuant to the law existing on the date of this opinion:

1. The City is duly organized and validly incorporated as a municipal corporation in accordance with the Constitution and laws of the State of Arizona and has all requisite power and authority thereunder to enter into and perform its agreements in accordance with the Ordinance and its covenants and agreements pursuant to the Issuer Documents.

2. The Ordinance has been duly adopted and approved by the Mayor and Council of the City in conformance with the applicable open meeting and other laws and ordinances of the City and the State of Arizona.

3. The Issuer Documents have been duly authorized and validly executed and delivered by the City, and the distribution of the Preliminary Official Statement and the Official Statement has been duly authorized by the City.

4. The adoption and approval of the Ordinance, the authorization, execution and delivery of the Issuer Documents and compliance with the respective provisions thereof under the circumstances contemplated thereby, do not and will not in any material respect conflict with or constitute on the part of the City a breach of or default under any agreement or other instrument to which the City is a party or of any existing law, administrative regulation, court order or consent decree to which the City, or any of its property, is subject.

5. There are no lawsuits or proceedings by or before any court, governmental agency, public board or body, pending or, to the best of my knowledge, threatened against the City (a) that in any way question (i) the validity and the proper authorization, approval and execution of any of the Issuer Documents, (ii) the validity and proper approval and adoption of the Ordinance, (iii) the authority of the City or its officials to enter into any of the Issuer Documents, to make the Payments or to perform its obligations under such documents or the Ordinance or the pledge of revenues from Net Revenues (as defined in the Issuer Documents) and to carry out the transactions contemplated thereby, or (b) wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Ordinance, the Obligations, any of the Issuer Documents or the Official Statement, or would in any way adversely affect the validity or enforceability of the Obligations, the Ordinance, any of the Issuer Documents or of any other instruments required or contemplated for use in consummating the transactions contemplated thereby or by the Official Statement, or that, individually or collectively, would have a material adverse effect on the financial condition of the City or impair the City's ability to comply with all of its duties under the Ordinance, or (c) contesting in any way the completeness or accuracy of the Preliminary Official Statement or the Official Statement.

6. The statements in the Preliminary Official Statement and the Official Statement under the heading "LITIGATION" are true and correct in all material respects and do not omit to state a material fact necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading.
