(a) Any reference herein to the Mayor and Council of the City or any officer of the City shall include those succeeding to their functions, duties or responsibilities pursuant to or by operation of law or who are lawfully performing their functions.

(b) Unless the context otherwise indicates, words importing the singular shall include the plural and vice versa and the use of the neuter, masculine or feminine gender is for convenience only and shall be deemed to mean and include the neuter, masculine or feminine gender.

(c) Headings of articles and sections herein and the table of contents hereof are solely for convenience of reference, do not constitute a part hereof and shall not affect the meaning, construction or effect hereof. References to “Articles” and “Sections” are to those in this Trust Agreement.

Section 1.3. Obligations Not General Obligation of the City. The Obligations shall be payable solely out of the revenues and other security pledged hereby and shall not constitute an indebtedness or general obligation of the City within the meaning of any State constitutional provision or statutory limitation and shall never constitute or give rise to a pecuniary liability of the City or be a charge against the City’s general credit or a charge against the general credit or the taxing powers of the State or any political subdivision thereof.

ARTICLE II  
SPECIAL REVENUE OBLIGATIONS

Section 2.1. Authorization of the Obligations. The Trustee is hereby authorized and directed to execute and deliver to the original purchaser thereof, the 2025A Obligations in the principal amount of \$\_\_\_\_,000, the 2025B Obligations in the principal amount of \$\_\_\_\_,000 and the 2025C Obligations in the principal amount of \$\_\_\_\_,000, evidencing (notwithstanding the multiple series) proportionate ownership interests in the Payments. In no event shall the Obligations be deemed liabilities, debts or obligations of the Trustee.

Section 2.2. Date; Interest Accrual. The Obligations shall be dated the Closing Date, and interest represented thereby shall be payable from such date or from the most recent Interest Payment Date to which interest has previously been paid or made available for payment with respect to the Outstanding Obligations.

Section 2.3. Payment Amounts and Dates and Interest Rates. The Obligations shall be in Authorized Denominations. The Obligations shall be payable on the dates and in the principal amounts, and interest represented thereby shall be computed at the rates, as shown below:

Payment Date (July 1)	Principal Amount	Interest Rates
2025A Obligations		

2025B Obligations

2025C Obligations

Section 2.4. Interest on Obligations. Interest represented by the Obligations shall be payable semiannually on January 1 and July 1 of each year commencing \_\_\_\_\_ 1, 2026, to and including the date of payment or prepayment of the amount of principal represented by the Obligations. Except for the initial period, said interest shall represent the portion of the Payments designated as interest and coming due during the six-month period preceding each Interest Payment Date with respect to the Obligations. The proportionate share of the portion of the Payments designated as interest with respect to any Obligation shall be computed by multiplying the portion of Payments designated as principal remaining with respect to the Obligations (whether paid as a result of mandatory prepayment or payment) by the rate of interest applicable to such Obligation (on the basis of a 360-day year of twelve 30-day months), except that the first portion of the Payments designated as interest shall be for interest from the Closing Date to \_\_\_\_\_ 1, 2026.

Section 2.5. Form. The Obligations shall be in fully registered, certificated form, substantially in the form set forth in Exhibit A, Exhibit B and Exhibit C hereto.

Section 2.6. Execution. The Obligations shall be executed by and in the name of the Trustee by the manual signature of an authorized representative of the Trustee. If any representative whose signature appears on any Obligation ceases to be such representative before the Closing Date, such signature shall nevertheless be as effective as if the representative had remained in office until the Closing Date. Any Obligation may be executed on behalf of the Trustee by such person as at the actual date of the execution of such Obligation shall be the proper authorized representative of the Trustee although at the nominal date of such Obligation such person shall not have been such authorized representative of the Trustee. No Obligation shall be valid or become obligatory for any purpose or shall be entitled to any security or benefit under this Trust Agreement unless and until executed and delivered by the Trustee. The execution by the Trustee of any Obligation shall be conclusive evidence that the Obligation so executed has been duly authorized and delivered hereunder and is entitled to the security and benefit of this Trust Agreement.

Section 2.7. Book-Entry Only System. The Trustee and the City may from time to time enter into, and discontinue, an agreement with a Securities Depository which is the Owner of the Obligations, to establish procedures with respect to the Obligations not inconsistent with the

provisions of this Trust Agreement; provided, that, notwithstanding any other provisions of this Trust Agreement, any such agreement may provide that different provisions for notice to the Securities Depository may be set forth herein and that a legend shall appear on each Obligation so long as the Obligations are subject to such agreement. With respect to Obligations registered in the name of a Securities Depository (or its nominee), neither the Trustee nor the City shall have any obligation to any of its members or participants or to any person on behalf of whom an interest is held in the Obligations. It is hereby acknowledged that the City and the Trustee intend to enter into an agreement with DTC in connection with the execution and delivery of the Obligations, and while such agreement is in effect, the procedures established therein shall apply to the Obligations notwithstanding any other provisions of this Trust Agreement to the contrary. As long as DTC is the Securities Depository with respect to the Obligations, the Trustee shall be a “DTC Direct Participant.” The Trustee shall not have any responsibility or obligation to DTC participants or the persons for whom they act as nominees with respect to the Obligations regarding accuracy of any records maintained by DTC or DTC participants, the payments by DTC or DTC participants of any amount in respect of principal, prepayment price or interest on the Obligations, any notice which is permitted or required to be given to or by Owners hereunder (except such notice as is required to be given by the City to the Trustee or to DTC), or any consent given or any other action taken by DTC as Owner. So long as the Obligations are registered in the name of DTC or its nominee, the City and the Trustee shall be entitled to request and to rely upon a certificate or other written representation from the beneficial owners of the Obligations or from DTC on behalf of such beneficial owners stating the amount of their respective beneficial ownership interests in the Obligations and setting forth the consent, advice, direction, demand or vote of the beneficial owners as of a record date selected by the Trustee and DTC, to the same extent as if such consent, advice, direction, demand or vote were made by the Owners of the Obligations for purposes of this Trust Agreement and the City and the Trustee shall for such purposes treat the beneficial owners as the Owners. Along with any such certificate or representation, the City and the Trustee may request DTC to deliver, or cause to be delivered, to the City and the Trustee a list of all DTC participants with respect to the Obligations, together with the dollar amount of each DTC participant’s interest in the Obligations and the current addresses of such DTC participants.

Section 2.8. Application of Proceeds. The proceeds received by the Trustee from the sale of the Obligations (consisting of \$\_\_\_\_\_ of the proceeds of the 2025A Obligations, \$\_\_\_\_\_ of the proceeds of the 2025B Obligations and \$\_\_\_\_\_ of the proceeds of the 2025C Obligations for a total of \$\_\_\_\_\_) shall forthwith be applied by the Trustee as follows:

(1) \$\_\_\_\_\_ (consisting of \$\_\_\_\_\_ of the proceeds of the 2025A Obligations, \$\_\_\_\_\_ of the proceeds of the 2025B Obligations and \$\_\_\_\_\_ of the proceeds of the 2025C Obligations) shall be deposited in the Costs of Issuance Fund,

(2) \$\_\_\_\_\_ (consisting of \$\_\_\_\_\_ of the proceeds of the 2025A Obligations and \$\_\_\_\_\_ of the proceeds of the 2025B Obligations) shall be deposited in the Acquisition Fund, and

(3) \$\_\_\_\_\_ of the proceeds of the 2025C Obligations shall be held in a temporary fund and transferred on the Closing Date immediately, without

requisition or other documentation, to the Escrow Trustee for the purposes of the Escrow Trust Agreement.

Section 2.9. Transfer and Exchange.

(a) Any Obligation may, in accordance with its terms, be transferred upon the registration books for the Obligations required to be kept pursuant to the provisions of Section 2.13 by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Obligation for cancellation, accompanied by delivery of a written instrument of transfer in a form approved by the Trustee, duly executed. Whenever any Obligation or Obligations shall be surrendered for transfer, the Trustee shall execute and deliver a new Obligation or Obligations in fully registered form of the same series, stated payment date and interest rate and for a like aggregate principal amount.

(b) Obligations may be exchanged at the Designated Office for a like aggregate principal amount of Obligations of Authorized Denominations of the same series, stated payment date and interest rate. In connection with any such exchange or transfer of Obligations, the Owner requesting such exchange or transfer shall, as a condition precedent to the exercise of the privilege of making such exchange or transfer, remit to the Trustee an amount sufficient to pay any tax or other governmental charge required to be paid, other than one imposed by the City (which will not be payable by the Trustee), or any fee or expense of the Trustee or the City with respect to such exchange or transfer.

(c) The Trustee may, but shall not be obligated to, exchange or register the transfer of an Obligation (i) if principal represented by the Obligation is to be prepaid, in whole or in part, or (ii) during a period of fifteen (15) days preceding the giving of a notice of prepayment. If an Obligation subject to prepayment is to be transferred after having been selected for prepayment, any notice of prepayment which has been given to the transferor shall be binding on the transferee and a copy of the notice of prepayment shall be delivered by the Trustee to the transferee along with the duly registered Obligation or Obligations.

Section 2.10. Obligations Mutilated, Lost, Destroyed or Stolen. If any Obligation shall become mutilated, the Trustee, at the expense of the Owner of said Obligation, shall execute and deliver a new Obligation of like series, tenor, stated payment date and amount in exchange and substitution for the Obligation so mutilated, but only upon surrender to the Trustee of the Obligation so mutilated. Any mutilated Obligation so surrendered to the Trustee shall be cancelled by it and redelivered to, or upon the order of, the Owner of such Obligation. If any Obligation shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Trustee, and, if such evidence is satisfactory to the Trustee and, if an indemnity satisfactory to the Trustee shall be given, the Trustee, at the expense of the Owner of such Obligation, shall execute and deliver a new Obligation of like series, tenor, stated payment date and amount and numbered as the Trustee shall determine in lieu of and in substitution for the Obligation so lost, destroyed or stolen. The Trustee may require payment of an appropriate fee for each new Obligation delivered under this Section and of the expenses which may be incurred by the Trustee in carrying out the duties under this Section. Any Obligation issued under the provisions of this Section in lieu of any Obligation alleged to be lost, destroyed or stolen shall be equally and proportionately entitled to the benefits of this Trust Agreement with all other Obligations secured

by this Trust Agreement. The Trustee shall not be required to treat both the original Obligation and any replacement Obligation as being Outstanding for the purpose of determining the principal amount of Obligations which may be executed and delivered hereunder or for the purpose of determining any percentage of Obligations Outstanding hereunder, but both the original and replacement Obligation shall be treated as one and the same. Notwithstanding any other provision of this Section, in lieu of delivering a new Obligation for an Obligation which has been mutilated, lost, destroyed or stolen, and which has become due, the Trustee may make payment with respect to such Obligation upon receipt of the aforementioned indemnity.

#### Section 2.11. Payment.

(a) Payment of interest related to the Obligations on any Interest Payment Date shall be made to the persons appearing on the registration books for the Obligations maintained by the Trustee as the Owner thereof as of the Regular Record Date immediately preceding such Interest Payment Date, such interest to be paid by check mailed on the date due by first class mail to such Owners at the address thereof as it appears on such registration books, payable in lawful money of the United States of America.

(b) The principal and interest related to the Obligations shall be payable in lawful money of the United States of America upon surrender when due at the Designated Office.

(c) Interest and, if arrangements for surrender are made with the Trustee, principal payable to any Securities Depository or to any Owner of \$1,000,000 or more in principal amount of Obligations shall be paid by wire transfer in immediately available funds to an account in the United States of America if the Owner makes a written request of the Trustee at least twenty (20) days before the Interest Payment Date specifying the account address. The notice may provide that it shall remain in effect for subsequent payments until otherwise requested in a subsequent written notice.

(d) Any interest related to any Obligation which is payable on, but is not punctually paid or duly provided for on, any Interest Payment Date (“Defaulted Interest”) shall forthwith cease to be payable to the Owners on the relevant Regular Record Date solely by virtue of such Owners having been such Owners. Such Defaulted Interest at the same rate as the Obligations shall thereupon be paid, together with interest thereon at the same rate per annum as such Defaulted Interest, by the Trustee (out of funds provided to it by the City) to the persons in whose names such Obligations are registered at the close of business on a special record date for the payment of such portion of Defaulted Interest as may then be paid from the sources herein provided (the “Special Record Date”). When the Trustee has funds available to pay the Defaulted Interest and interest thereon, the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest and interest thereon which shall be not more than fifteen (15) nor less than ten (10) days prior to the date of the proposed payment by the Trustee. The Trustee shall promptly cause notice of the proposed payment of such Defaulted Interest and interest thereon and the Special Record Date therefor to be mailed, first class postage prepaid, to each Owner of an Obligation at his address as it appears in the registration books by the Trustee for the Obligations not less than ten (10) days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and interest thereon and the Special Record Date therefor having been

mailed as aforesaid, such Defaulted Interest and interest thereon shall be paid to the persons in whose names the Obligations are registered on such Special Record Date.

Section 2.12. Execution of Documents and Proof of Ownership.

(a) Any request, direction, consent, revocation of consent or other instrument in writing required or permitted by this Trust Agreement to be signed or executed by the Obligation Owners may be in any number of concurrent instruments of similar tenor, and may be signed or executed by such Owners in person or by their attorneys or agents appointed by an instrument in writing for that purpose, or by any bank, trust company or other depository for such Obligations. Proof of the execution of any such instrument, or of any instrument appointing any such attorney or agent, and of the ownership of the Obligations shall be sufficient for any purpose of this Trust Agreement (except as otherwise herein provided), if made in the following manner:

(1) The fact and date of the execution by any Owner or the attorney or agent thereof of any such instrument and of any instrument appointing any such attorney or agent, may be proved by a certificate, which need not be acknowledged or verified, of an officer of any bank or trust company located within the United States of America, or of any notary public, or other officer authorized to take acknowledgments of deeds to be recorded in such jurisdictions, that the persons signing such instruments acknowledged the execution thereof. Where any such instrument is executed by an officer of a corporation or association or a member of a partnership on behalf of such corporation, association or partnership, such certificate shall also constitute sufficient proof of his authority.

(2) The fact of the ownership of the Obligations by any person and the amount, the payment date and the numbers of such Obligations and the date of his holding the same be proved on the registration books maintained pursuant to Section 2.13.

(b) Nothing contained in this Article II shall be construed as limiting the Trustee to such proof, it being intended that the Trustee may accept any other evidence of the matters herein stated which the Trustee may deem sufficient. Any request or consent of the Owner of any Obligation shall bind every future Owner of the same Obligation in respect of anything done or suffered to be done by the Trustee in pursuance of such request or consent.

Section 2.13. Obligation Register. The Trustee will keep or cause to be kept, at the Designated Office, sufficient books for the registration and transfer of each series of the Obligations which shall at all times during regular business hours on any Business Day be open to inspection by the City and, upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on said books, the Obligations as hereinbefore provided.

Section 2.14. Payment of Unclaimed Amounts. In the event any check for payment of interest on an Obligation is returned to the Trustee unendorsed or is not presented for payment within two (2) years from its payment date or any Obligation is not presented for payment of principal at the payment or prepayment date, if funds sufficient to pay such interest or principal due upon such Obligation shall have been made available to the Trustee for the benefit of the

Owner thereof, it shall be the duty of the Trustee to hold such funds, without liability for interest thereon, for the benefit of the Owner of such Obligation who shall thereafter be restricted exclusively to such funds for any claim of whatever nature relating to such Obligation or amounts due thereunder. The obligation of the Trustee to hold such funds shall continue for two years and six months (subject to applicable escheat laws) following the date on which such interest or principal payment became due, whether at payment or the date fixed for prepayment, at which time the Trustee shall surrender such unclaimed funds so held to the City, whereupon any claim of whatever nature by the Owner of such Obligation arising under such Obligation shall be made upon the City.

### ARTICLE III ACQUISITION FUND; COSTS OF ISSUANCE FUND

#### Section 3.1. Establishment and Application of Acquisition Fund.

(a) The Trustee shall establish a special trust fund designated as the “City of Yuma, Arizona Series 2025 Acquisition Fund” (herein referred to as the “Acquisition Fund”), shall keep such fund separate and apart from all other funds and moneys held by it and shall administer such fund as provided in this Trust Agreement.

(b) (1) Upon receipt of a duly executed, applicable Payment Request Form, the Trustee shall remit to the payee designated in the Payment Request Form, the amount requested to be paid in such Payment Request Form for Project Costs within three (3) Business Days following submission of such Payment Request Form. Notwithstanding the foregoing, the Trustee shall apply moneys on deposit in the Acquisition Fund to reimburse the City for any Project Costs with respect to the Project incurred or advanced by the City within three (3) Business Days of receipt of a duly executed Reimbursement Request Form. The Trustee has no duty or obligation to confirm that such disbursements constitute Project Costs.

(2) On the Completion Date, the Trustee shall transfer any remaining amounts in the Acquisition Fund to the Payment Fund to be applied only to the Payments due from the City on the next succeeding Interest Payment Date, and the Acquisition Fund shall be closed.

(3) Any amount remaining in the Acquisition Fund upon the occurrence of an Event of Default shall not be disbursed as provided in this Section, but shall be immediately transferred to the Payment Fund and used only to pay principal and interest represented by the Obligations.

#### Section 3.2. Establishment and Application of Costs of Issuance Fund.

(a) The Trustee shall establish a special trust fund designated as the “City of Yuma, Arizona Series 2025 Costs of Issuance Fund” (herein referred to as the “Costs of Issuance Fund”), shall keep such fund separate and apart from all other funds and moneys held by it and shall administer such fund as provided in this Trust Agreement.

(b) Amounts in the Costs of Issuance Fund shall be disbursed for the payment of Delivery Costs. Disbursements from the Costs of Issuance Fund shall be made by the Trustee upon receipt of a requisition for disbursement (on which the Trustee is entitled to rely) executed or approved by the City Representative. Each such requisition shall set forth the amounts to be disbursed for payment, or reimbursement of previous payments, of Delivery Costs and the person or persons to whom said amounts are to be disbursed. The Trustee has no duty or obligation to confirm that such disbursements constitute Delivery Costs.

(a) (c) On the earlier of \_\_\_\_\_ 1, 2026, or when all Delivery Costs associated with the Obligations have been paid (as shown by a certificate of a City Representative, if requested by the Trustee), the Trustee shall transfer any amounts remaining in the Costs of Issuance Fund to the Payment Fund, and the Costs of Issuance Fund shall be closed.

#### ARTICLE IV PREPAYMENT OF OBLIGATIONS

##### Section 4.1. Prepayment Provisions.

(a) The 2025A Obligations payable before or on July 1, 20\_\_, are not subject to prepayment prior to their stated payment dates. The 2025A Obligations payable on or after July 1, 20\_\_, are subject to prepayment in such order and from such payment dates as may be selected by the City and by lot within any payment date by such methods as may be selected by the Trustee from prepayments made at the option of the City pursuant to Section 7 of the Purchase Agreement, in whole or in part on any date, on or after July 1, 20\_\_, at a prepayment price equal to the principal amount of 2025A Obligations or portions thereof to be prepaid, together with accrued interest to the date fixed for prepayment, but without premium.

(b) The 2025B Obligations payable before or on July 1, 20\_\_, are not subject to prepayment prior to their stated payment dates. The 2025B Obligations payable on or after July 1, 20\_\_, are subject to prepayment in such order and from such payment dates as may be selected by the City and by lot within any payment date by such methods as may be selected by the Trustee from prepayments made at the option of the City pursuant to Section 7 of the Purchase Agreement, in whole or in part on any date, on or after July 1, 20\_\_, at a prepayment price equal to the principal amount of 2025B Obligations or portions thereof to be prepaid, together with accrued interest to the date fixed for prepayment, but without premium.

(c) The 2025C Obligations are not subject to prepayment prior to their stated payment dates.

Section 4.2. Selection of Obligations for Prepayment. The Obligations shall be prepaid only in the principal amounts of \$5,000 each or integral multiples thereof. The City shall, at least forty-five (45) days prior to the prepayment date, notify the Trustee of such prepayment date and of the payment dates of the Obligations and the principal amount of the Obligations of any such payment date to be prepaid on such date. For the purposes of any prepayment of less than all of the Obligations payable on a single payment date, if the Obligations are not held in a book-entry-only system as described in Section 2.7, the particular Obligations or portions of Obligations of such payment date to be prepaid shall be selected by the Trustee by lot in accordance

with its standard procedures not more than forty-five (45) nor less than thirty (30) days prior to the prepayment date by such selection methods as the Trustee shall in its sole discretion deem appropriate and fair; provided, however, that such selection methods shall provide for the selection of Obligations or portions thereof for prepayment in principal amounts of \$5,000 or integral multiples thereof such that any \$5,000 Obligation or \$5,000 portion of an Obligation of such payment date shall be as likely to be called for prepayment as any other such \$5,000 Obligation or \$5,000 portion thereof. The Trustee shall promptly notify the City in writing of the Obligations so selected for prepayment, and the City will provide the Trustee within thirty (30) days a recomputed payment schedule for the Purchase Agreement.

Section 4.3. Notice of Prepayment; Effect.

(a) The Trustee shall cause notice of any optional prepayment of Obligations hereunder to be mailed to the Owners of all of the Obligations to be prepaid at the addresses appearing in the register kept for such purpose pursuant to Section 2.13. Each such notice shall (1) be sent no more than sixty (60) nor less than thirty (30) calendar days prior to the prepayment date, (2) identify the Obligations to be prepaid (specifying the CUSIP numbers, if any, assigned to the Obligations), (3) specify with respect to the Obligations being prepaid their date of issue, their payment date, their prepayment date and their prepayment price, (4) set forth the name, address and telephone number of the person from whom information pertaining to the prepayment may be obtained, and (5) state that on the prepayment date the Obligations to be prepaid will be payable at the Designated Office, that from that date interest will cease to accrue and that no representation is made as to the accuracy or correctness of the CUSIP numbers printed therein or on the Obligations. No defect affecting any Obligation, whether in the notice of prepayment or the delivery thereof (including any failure to mail such notice), shall affect the validity of the prepayment proceedings for any other Obligations.

(b) If at the time of mailing of notice of an optional prepayment of Obligations, there has not been deposited with the Trustee moneys or Defeasance Obligations sufficient to prepay all Obligations subject to such prepayment and the requirements of (e) below are not satisfied, then such notice shall state that the prepayment is conditional upon the deposit of moneys or Defeasance Obligations sufficient for the prepayment with the Trustee and satisfaction of such requirements not later than the opening of business on the prepayment date, and such notice will be of no effect and such Obligations shall not be prepaid unless such moneys or Defeasance Obligations are so deposited and such requirements in (e) below are met.

(c) Any notice of prepayment shall be mailed by first class mail, postage prepaid; provided that any notice of prepayment given to any Owner of \$1,000,000 or more in aggregate principal amount of Obligations also shall be transmitted Electronically. A certificate of the Trustee shall conclusively establish the mailing or delivery of any such notice for all purposes.

(d) Notice having been mailed in the manner provided in (a) above, the Obligations and portions thereof called for prepayment shall become due and payable on the prepayment date, and upon presentation and surrender thereof at the place or places specified in that notice, shall be paid at the prepayment price, plus interest accrued to the prepayment date.

(e) If the money or Defeasance Obligations for the prepayment of all of the Obligations and portions thereof to be prepaid, together with interest accrued thereon to the prepayment date, is held by the Trustee on the prepayment date, so as to be available therefor on that date, then from and after the prepayment date those Obligations and portions thereof to be prepaid shall cease to bear interest and no longer shall be considered to be Outstanding hereunder. If those moneys shall not be so available on the prepayment date, those Obligations and portions thereof shall continue to bear interest, until they are paid, at the same rate as they would have borne had they not been called for prepayment.

(f) All moneys deposited in the Payment Fund and held by the Trustee for the prepayment of particular Obligations shall be held in trust for the account of the Owners thereof and shall be paid to them, respectively, upon presentation and surrender of those Obligations.

Section 4.4. Partial Prepayment of Obligation. The Trustee holds in trust hereunder all of its rights and duties in the Purchase Agreement, including but not limited to all of the rights to receive and collect all of the Payments and all other amounts required to be deposited in the Payment Fund pursuant to the Purchase Agreement or pursuant hereto. All of the Payments and such other amounts to which the Seller may at any time be entitled shall be paid directly to the Trustee in trust, and all of the Payments collected or received by the Trustee shall be held by the Trustee in trust hereunder in the Payment Fund for the benefit of the Owners.

### Section 5.2. Establishment and Application of Payment Fund.

(a) The Trustee shall establish a special trust fund designated as the "City of Yuma, Arizona Series 2025 Payment Fund" (herein referred to as the "Payment Fund"). So long as any Obligations are Outstanding, the City shall have no beneficial right or interest in the Payment Fund or the moneys deposited therein, except only as provided in this Trust Agreement, and such moneys shall be used and applied by the Trustee as hereinafter set forth.

(b) Not less than ten (10) Business Days prior to each Interest Payment Date, the Trustee shall notify the City of the amount required to be paid, after taking into account amounts which will be transferred to the Payment Fund in accordance herewith, on or before such Interest Payment Date, so that a sufficient amount will then be on deposit for both principal and interest represented by the Obligations then due. All amounts received by the Trustee as Payments pursuant to the Purchase Agreement or as transfers pursuant hereto shall be deposited in the Payment Fund.

(c) All amounts in the Payment Fund shall be used and withdrawn by the Trustee solely for the purpose of paying the principal and interest represented by the

Obligations as the same shall become due and payable, in accordance with the provisions of Articles II and IV.

Section 5.3. Transfers of Investment Earnings to Payment Fund. With the same limitation described in Section 3.1(b)(3), except as otherwise directed by the City, the Trustee shall, on or before the next Interest Payment Date occurring on July 1, transfer any income or profit on the investment of moneys in the funds hereunder to the Payment Fund.

Section 5.4. Surplus. Any surplus remaining in any of the funds created hereunder, after prepayment and payment or provision for prepayment and payment of all Obligations, including accrued interest, and payment of any applicable fees, expenses or indemnities to the Trustee, or provision for such prepayment and payment having been made to the satisfaction of the Trustee, shall be withdrawn by the Trustee and remitted to the City.

## ARTICLE VI MONEYS IN FUNDS; INVESTMENT; CERTAIN TAX COVENANTS

Section 6.1. Held in Trust. The moneys and investments held by the Trustee under this Trust Agreement are irrevocably held in trust for the benefit of the Owners of the Obligations and for the purposes herein specified, and such moneys, and any income or interest earned thereon, shall be expended only as provided in this Trust Agreement and shall not be subject to levy or attachment or lien by or for the benefit of any creditor of the City or any Owner of the Obligations.

Section 6.2. Investments Authorized. Upon written order of the City Representative, moneys held by the Trustee hereunder shall be invested and reinvested by the Trustee, to the maximum extent practicable in Permitted Investments. The City Representative shall direct such investment in specific Permitted Investments. Such investments, if registrable, shall be registered in the name of the Trustee and shall be held by the Trustee. The Trustee may purchase or sell to itself or any affiliate, as principal or agent, investments authorized by this Section. Such investments and reinvestments shall be made giving full consideration to the time at which funds are required to be available. The Trustee may act as purchaser or agent in the making or disposing of any investment. The Trustee shall have no obligation to invest and reinvest any cash held by it hereunder in the absence of timely and specific written direction from the City Representative. In no event shall the Trustee be liable for the selection of investments. The Trustee may conclusively rely upon such written direction from the City Representative as to both the suitability and legality of the directed investments and such written direction shall be deemed to be a certification that such directed investments constitute Permitted Investments. The City acknowledges that regulations of the Comptroller of the Currency grant the City the right to receive brokerage confirmations of the security transactions as they occur, at no additional cost. To the extent permitted by law, the City specifically waives compliance with 12 Code of Federal Regulations 12 and hereby notifies the Trustee that no brokerage confirmations need be sent relating to the security transactions as they occur. The Trustee may elect, but shall not be obligated, to credit the funds and accounts held by it with the moneys representing income or principal payments due on, or sales proceeds due in respect of, Permitted Investments in such funds and accounts, or to credit to Permitted Investments intended to be purchased with such moneys, in each

case before actually receiving the requisite moneys from the payment source, or to otherwise advance funds for account transactions. The City acknowledges that the legal obligation to pay the purchase price of Permitted Investments arises immediately at the time of the purchase. Notwithstanding anything else in this Trust Agreement, (i) any such crediting of funds or assets shall be provisional in nature, and the Trustee shall be authorized to reverse any such transactions or advances of funds in the event that it does not receive good funds with respect thereto, and (ii) nothing in this Trust Agreement shall constitute a waiver of any of the Trustee's rights as a securities intermediary under Uniform Commercial Code Section 9-206, to the extent applicable under State law.

Section 6.3. Accounting. The Trustee shall furnish to the City, not less than semiannually, an accounting (which may be in the form of its customary statement) of all investments made by the Trustee. The Trustee shall not be responsible or liable for any loss suffered in connection with any investment of funds made by it in accordance with Section 6.2.

Section 6.4. Allocation of Earnings. Any income, profit or loss on such investments shall be deposited in or charged to the respective funds from which such investments were made, and any interest on any deposit of funds shall be deposited in the fund from which such deposit was made, except as otherwise provided herein. At the direction of the City Representative, any such income, profit or interest shall be transferred and applied if necessary to pay amounts due pursuant to Section 148 of the Code.

Section 6.5. Valuation and Disposition of Investments. For the purpose of determining the amount in any fund, all Permitted Investments credited to such fund shall be valued at Market Value. The Trustee may sell or present for redemption, any Permitted Investment so purchased by the Trustee whenever it shall be necessary in order to provide moneys to meet any required payment, transfer, withdrawal or disbursement from the fund to which such Permitted Investment is credited, and the Trustee shall not be liable or responsible for any loss resulting from such investment.

Section 6.6. Limitation of Investment Yield. In the event the City is of the opinion that it is necessary to restrict or limit the yield on the investment of any amounts paid to or held by the Trustee hereunder in order to avoid the Obligations, or any of them, being considered "arbitrage bonds" within the meaning of Section 148 of the Code, the City Representative may issue to the Trustee a written certificate to such effect (along with appropriate instructions), in which event the Trustee will take such action as is instructed so to restrict or limit the yield on such investment in accordance with the specific instructions contained in such certificate. The Trustee shall have no obligation to monitor or determine yields on investments. The Trustee shall not be responsible for any determination or calculation concerning arbitrage rebate with respect to the Obligations, or for determining whether the yield on any investments made in accordance with this Trust Agreement would cause, or whether any other facts exist which would cause, any of the Obligations to become arbitrage bonds under section 148 of the Code.

Section 6.7. Other Tax Covenants. In consideration of the acceptance and execution of the Purchase Agreement by the Trustee and the purchase by the Owners of the Obligations, from time to time, and in consideration of retaining the exclusion of the Interest Portion for federal income tax purposes, the City shall, from time to time, neither take nor fail to

take any action, which action or failure to act is within its power and authority and would result in the Interest Portion becoming subject to inclusion in gross income for federal income tax purposes under either laws existing on the date of execution of the Purchase Agreement or such laws as they may be modified or amended or tax laws later adopted. The City shall comply with such requirement(s) and will take any such action(s) as are necessary to prevent the Interest Portion from becoming subject to inclusion in gross income for federal income tax purposes. Such requirements may include but are not limited to making further specific covenants; making truthful certifications and representations and giving necessary assurances; complying with all representations, covenants and assurances contained in certificates or agreements to be prepared by special counsel; to pay to the United States of America any required amounts representing rebates of arbitrage profits relating to the Obligations; filing forms, statements and supporting documents as may be required under the federal tax laws; limiting the term of and yield on investments made with moneys held pursuant to this Trust Agreement and limiting the use of the proceeds of the Obligations and property financed or refinanced thereby.

## ARTICLE VII THE TRUSTEE

Section 7.1. Appointment of Trustee. The City hereby authorizes and directs the Trustee to, and the Trustee shall, execute and deliver the Purchase Agreement, as Seller, and receive all moneys required to be deposited with the Trustee hereunder and shall allocate, use and apply the same as provided in this Trust Agreement. The City shall maintain as the Trustee a bank or trust company with a combined capital and surplus of at least Fifty Million Dollars (\$50,000,000), and subject to supervision or examination by federal or State authority, so long as any of the Obligations are Outstanding. If such bank or trust company publishes a report of condition at least annually pursuant to law or to the requirements of any supervising or examining authority above referred to then for the purpose of this Section the combined capital and surplus of such bank or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

Section 7.2. Liability of Trustee; Standard of Care. Except with respect to its authority and power generally and authorization to execute this Trust Agreement, the recitals of facts, covenants and agreements herein, in the Purchase Agreement and in the Obligations shall be taken as statements, covenants and agreements of the City, and the Trustee assumes no responsibility for the correctness of the same, or makes any representations as to the validity hereof or sufficiency of this Trust Agreement, the Purchase Agreement or the Obligations or shall incur any responsibility in respect hereof or thereof, other than in connection with the duties or obligations herein or in the Obligations assigned to or imposed upon it. Prior to the occurrence of an Event of Default, or after the timely cure of an Event of Default, the Trustee shall perform only such duties as are specifically set forth in this Trust Agreement and no implied obligations or covenants should be read into this Trust Agreement against the Trustee. After the occurrence of an Event of Default, the Trustee shall exercise such of the rights and powers vested in it, and use the same degree of care and skill in such exercise, as a prudent person would exercise under the circumstances in the conduct of its own affairs.

Section 7.3. Merger or Consolidation. Any company into which the Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Trustee may sell or transfer all or substantially all of its municipal corporate trust business, provided that such company shall be eligible under Section 7.1, shall be the successor to the Trustee without the execution or filing of any paper or further act, anything herein to the contrary notwithstanding.

Section 7.4. Protection and Rights of the Trustee.

(a) The Trustee shall be protected and shall incur no liability in acting or proceeding in good faith upon any resolution, notice, telegram, request, consent, waiver, certificates, statements, affidavit, voucher, bond, requisition or other paper or document which it shall in good faith believe to be genuine and to have been passed or signed by the proper board or person or to have been prepared and furnished pursuant to any of the provisions of this Trust Agreement, and the Trustee shall be under no duty to make any investigation or inquiry as to any statements contained or matters referred to in any such instrument, but may accept and rely upon the same as conclusive evidence of the truth and accuracy of such statements. The Trustee shall not be bound to recognize any person as an Owner of any Obligation or to take any action at his request unless such Obligation shall be deposited with the Trustee and satisfactory evidence of the ownership of such Obligation shall be furnished to the Trustee. The Trustee may consult with counsel with regard to legal questions, and the advice or opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith in accordance therewith.

(b) Whenever in the administration of its duties under this Trust Agreement, the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) shall be deemed to be conclusively proved and established by the certificate of the City Representative and such certificate shall be full warranty to the Trustee for any action taken or suffered under the provisions of this Trust Agreement upon the faith thereof, but in its discretion the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

(c) The Trustee may become the Owner of the Obligations with the same rights it would have if it were not Trustee; may acquire and dispose of other bonds or evidence of indebtedness of the City with the same rights it would have if it were not the Trustee and may act as a depository for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Owners of Obligations, whether or not such committee shall represent the Owners of the majority in principal amount of the Obligations then Outstanding.

(d) The recitals, statements and representations by the City contained in this Trust Agreement, the Purchase Agreement or the Obligations shall be taken and construed as made by and on the part of the City and not by the Trustee, and the Trustee does not assume, and shall not have, any responsibility or obligation for the correctness of any thereof.

(e) The Trustee may execute any of the trusts or powers hereof and perform the duties required of it hereunder by or through attorneys, agents, or receivers, and shall be entitled to advice of counsel concerning all matters of trust and its duty hereunder, and the Trustee shall not be answerable for the default or misconduct of any such attorney, agent, or receiver selected by it with reasonable care. The Trustee shall not be answerable for the exercise of any discretion or power under this Trust Agreement or for anything whatever in connection with the funds and accounts established hereunder, except only for its own willful misconduct or negligence.

(f) No provision in this Trust Agreement shall require the Trustee to risk or expend its own funds or otherwise incur any financial liability (including, without limitation, any and all environmental liability) in the performance of any of its duties hereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not reasonably assured to it.

(g) The Trustee shall not be accountable for the use or application by the City or any other party of any funds which the Trustee has released in accordance with the terms of this Trust Agreement.

(h) The Trustee makes no representation or warranty, express or implied, as to the Projects or as to the title, value, design, compliance with specifications or legal requirements, quality, durability, operation, condition, merchantability or fitness for any particular purpose or fitness for the use contemplated by the City of the Projects. In no event shall the Trustee be liable for incidental, indirect, special or consequential damages in connection with or arising from the Purchase Agreement or this Trust Agreement for the Projects.

(i) Notwithstanding any provision in this Trust Agreement or the Purchase Agreement to the contrary, the Trustee shall not be required to take notice or be deemed to have notice of an Event of Default, except an Event of Default under Section 9(a)(i)(A) of the Purchase Agreement, unless a Responsible Officer of the Trustee has actual notice thereof or is specifically notified in writing of such default by the City or the Owners of at least twenty-five percent (25%) in aggregate principal amount of all Obligations then Outstanding.

(j) The Trustee shall accept and act upon instructions of directions pursuant to this Trust Agreement sent by unsecured email as a "pdf" (portable document format) document or other replicating image attached to an email, facsimile transmission or other similar unsecured electronic methods, provided, however, that, the Trustee shall have received an incumbency certificate listing persons designated to give such instructions or directions and containing specimen signatures of such designated persons, which such incumbency certificate shall be amended and replaced whenever a person is to be added or deleted from the listing. If the City elects to give the Trustee email or facsimile instructions (or instructions by a similar electronic method) and the Trustee in its discretion elects to act upon such instructions, the Trustee's understanding of such instructions shall be deemed controlling. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction. The City shall assume all risks arising out of the use of such

electronic methods to submit instructions and directions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties.

(k) The Trustee shall not be liable to the parties hereto or deemed in breach or default hereunder if and to the extent its performance hereunder is prevented by reason of force majeure. The term “force majeure” means an occurrence that is beyond the control of the Trustee and could not have been avoided by exercising due care. Force majeure shall include acts of God, terrorism, war, riots, strikes, fire, floods, earthquakes, epidemics or other similar occurrences.

(l) The Trustee shall have no responsibility or liability with respect to any information, statements or recitals in any offering memorandum or other disclosure material prepared or distributed with respect to the execution and delivery of the Obligations.

(m) The permissive right of the Trustee to do things enumerated in this Trust Agreement shall not be construed as a duty, and the Trustee shall not be answerable for other than its negligence or willful default. The Trustee shall not be required to give any bond or surety in respect of the execution of the said trusts and powers or otherwise in respect of the Projects.

(n) Before taking any action under this Trust Agreement relating to an Event of Default or in connection with its duties under this Trust Agreement other than making payments of principal and interest represented by the Obligations as they become due, the Trustee may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses to which it may be put and to protect it against all liability, including, but not limited to, any liability arising directly or indirectly under any federal, state or local statute, rule, law or ordinance related to the protection of the environment or hazardous substances and except liability which is adjudicated, to have resulted from its negligence or willful default in connection with any action so taken.

(o) The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Owners of not less than a majority in aggregate principal amount of the Obligations then Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Trust Agreement.

Section 7.5. Compensation of Trustee. The City shall from time to time, pursuant to a fee schedule agreed to between the City and the Trustee (which fee schedule may be amended in writing), pay to the Trustee reasonable compensation for its services, including but not limited to advances to, and reasonable fees and expenses of, independent appraisers, accountants, consultants, counsel, agents and attorneys-at-law or other experts employed by it in the exercise and performance of its powers and duties hereunder. When the Trustee incurs expenses or renders services after the occurrence of an Event of Default, such expenses and the compensation for such services are intended to constitute expenses of administration under any federal or state bankruptcy, insolvency, arrangement, moratorium, reorganization or other debtor relief law.

Section 7.6. Removal and Resignation of Trustee.

(a) The City (but only if no Event of Default has occurred and is continuing) or the Owners of a majority in aggregate principal amount of all Obligations Outstanding, at any time upon thirty (30) days' prior written notice, and for any reason, may remove the Trustee and any successor thereto, but any such successor shall be a bank or trust company having a combined capital (exclusive of borrowed capital) and surplus of at least Fifty Million Dollars (\$50,000,000) and subject to supervision or examination by federal or State authority. If such bank or trust company publishes a report of condition at least annually, pursuant to law or the requirements of any supervising or examining authority above referred to, then, for the purposes of this Section, the combined capital and surplus of such bank or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

(b) The Trustee may at any time resign by giving written notice to the City. Upon receiving such notice of resignation, the City shall promptly appoint a successor trustee by an instrument in writing; provided, however, that in the event that the City does not appoint a successor trustee within thirty (30) days following receipt of such notice of resignation or its giving notice of removal, the retiring Trustee may petition the appropriate court having jurisdiction to appoint a successor trustee. Any resignation or removal of the Trustee and appointment of a successor trustee shall become effective upon acceptance of appointment by the successor trustee. The Trustee and the City shall execute any documents reasonably required to effect the transfer of rights and obligations of the Trustee to the successor trustee subject, however, to the terms and conditions herein set forth, including, without limitation, the right of the predecessor Trustee to be paid and reimbursed in full for its reasonable charges and expenses (including reasonable fees and expenses of its counsel) and the indemnification under Sections 7.4 and 10.3. Upon such acceptance, the successor trustee shall mail notice thereof to the Owners of the Obligations at their respective addresses set forth on the registration books for the Obligations maintained pursuant to Section 2.13.

Section 7.7. Appointment of Agent. The Trustee may appoint an agent or agents to exercise any of the powers, rights or remedies granted to the Trustee under this Trust Agreement and to hold title to property or to take any other action which may be desirable or necessary.

Section 7.8. Commingling. The Trustee may commingle any of the funds held by it pursuant to this Trust Agreement in a separate fund or funds for investment purposes only; provided, however, that all funds or accounts held by the Trustee hereunder shall be accounted for separately notwithstanding such commingling by the Trustee.

Section 7.9. Records. The Trustee shall keep complete and accurate records of all moneys received and disbursed under this Trust Agreement, which shall be available for inspection by the City, or any of its agents, at any time, upon reasonable prior notice, during regular business hours. The Trustee shall provide the City Representative with semiannual reports of funds transactions and balances.

ARTICLE VIII  
MODIFICATION OR AMENDMENT OF AGREEMENTS

Section 8.1. Amendments Permitted.

(a) This Trust Agreement and the rights and obligations of the Owners of the Obligations and the Purchase Agreement and the rights and obligations of the parties thereto, may be modified or amended at any time by a supplemental or amending agreement which shall become effective when the written consent of the Owners of a majority in aggregate principal amount of all Obligations then Outstanding, exclusive of Obligations disqualified as provided in Section 8.3, shall have been filed with the Trustee. No such modification or amendment shall (1) extend or have the effect of extending the final payment of principal represented by any Obligation or reducing the interest represented thereby or extending the time of payment of interest, or reducing the amount of principal thereof, without the express consent of the Owner of such Obligation, or (2) reduce or have the effect of reducing the percentage of Obligations required for the affirmative vote or written consent to an amendment or modification of this Trust Agreement or the Purchase Agreement, or (3) modify any of the rights or obligations of the Trustee without its written assent thereto. Any such supplemental or amending agreement shall become effective as provided in Section 8.2.

(b) This Trust Agreement and the rights and obligations of the Owners of the Obligations, and the Purchase Agreement and the rights and obligations of the parties thereto, may be modified or amended at any time by a supplemental or amending agreement, without the consent of any such Owners, but only (1) to provide for additions or modifications to the Projects, (2) to add to the covenants and agreements of any party, other covenants to be observed, or to surrender any right or power herein reserved to the Trustee (for its own behalf) or the City, (3) to secure additional revenues or provide additional security or reserves for payment of the Obligations, (4) to comply with the requirements of any state or federal securities laws or the Trust Indenture Act of 1939, as from time to time amended, if required by law or regulation lawfully issued thereunder, (5) to provide for the appointment of a successor trustee pursuant to the terms hereof, (6) to preserve the exclusion of the interest represented by the Obligations from gross income for purposes of federal or State income taxes and to preserve the power of the City to continue to issue bonds or incur other obligations the interest on which is likewise exempt from federal and State income taxes, (7) to cure, correct or supplement any ambiguous or defective provision contained herein or therein, (8) to facilitate the incurrence of additional Parity Obligations, (9) with respect to rating matters, or (10) in regard to questions arising hereunder or thereunder, as the parties hereto or thereto may deem necessary or desirable and which shall not materially, adversely affect the interests of the Owners of the Obligations as evidenced by a Special Counsel's Opinion delivered by the City to the Trustee. Any such supplemental or amending agreement shall become effective upon execution and delivery by the parties hereto or thereto as the case may be. The Trustee may rely upon a Special Counsel's Opinion as conclusive evidence that any such supplemental or amending agreement complies with this Section.

Section 8.2. Procedure for Amendment With Written Consent of Obligation Owners.

(a) This Trust Agreement and the Purchase Agreement may be amended by supplemental or amending agreement as provided in this Section in the event the consent of the Owners of the Obligations is required pursuant to Section 8.1. A copy of such supplemental or amending agreement, together with a request to the Owners of the Obligations for their consent thereto, shall be mailed by the Trustee to each Owner of an Obligation at the address thereof as set forth on the registration books for the Obligations maintained pursuant to Section 2.13, but failure to mail copies of such supplemental or amending agreement and request shall not affect the validity of the supplemental or amending agreement when assented to as provided in this Section.

(b) Such supplemental or amending agreement shall not become effective unless there shall be filed with the Trustee the written consent of the Owners of a majority in principal amount of all Obligations then Outstanding (exclusive of Obligations disqualified as provided in Section 8.3) and a notice shall have been mailed as hereinafter in this Section provided. The consent of an Owner of an Obligation shall be effective only if accompanied by proof of ownership of the Obligations for which such consent is given, which proof shall be such as is permitted by Section 2.12. Any such consent shall be binding upon the Owner of the Obligation giving such consent and on any subsequent Owner (whether or not such subsequent Owner has notice thereof) unless such consent is revoked in writing by the Owner giving such consent or a subsequent Owner by filing such revocation with the Trustee prior to the date when the notice hereinafter in this Section provided for has been mailed.

(c) After the Owners of the required percentage of Obligations shall have filed their consents to such supplemental or amending agreement, the Trustee shall mail a notice to the Owners of the Obligations in the manner hereinbefore provided in this Section for the mailing of such supplemental or amending agreement of the notice of adoption thereof, stating in substance that such supplemental or amending agreement has been consented to by the Owners of the required percentage of Obligations and will be effective as provided in this Section (but failure to mail copies of said notice shall not affect the validity of such supplemental agreement or consents thereto). A record, consisting of the papers required by this Section to be filed with the Trustee, shall be conclusive proof of the matters therein stated. Such supplemental or amending agreement shall become effective upon the mailing of such last-mentioned notice, and such supplemental or amending agreement shall be deemed conclusively binding upon the parties hereto and the Owners of all Obligations at the expiration of sixty (60) days after such filing, except in the event of a final decree of a court of competent jurisdiction setting aside such consent in a legal action or equitable proceeding for such purpose commenced within such sixty (60) day period.

Section 8.3. Disqualified Obligations. Obligations owned or held by or for the account of the City or by any person directly or indirectly controlled by, or under direct or indirect common control with the City (except any Obligations held in any pension or retirement fund) shall not be deemed Outstanding for the purpose of any vote, consent, waiver or other action or any calculation of Outstanding Obligations provided for in this Trust Agreement and shall not be entitled to vote upon, consent to, or take any other action provided for in this Trust Agreement; provided, however, that in determining whether the Trustee shall be protected in relying upon any

such approval or consent of an Owner, only Obligations which a Responsible Officer of the Trustee actually knows to be owned or held by the City, or by any person directly or indirectly controlled by, or under direct or indirect common control with the City (except any Obligations held in any pension or retirement fund) shall be deemed not to be Outstanding unless all Obligations are so owned, in which case such Obligations shall be considered Outstanding for the purpose of such determination.

Section 8.4. Effect of Supplemental Trust Agreement. From and after the time any supplemental or amending agreement becomes effective pursuant to this Article VIII, this Trust Agreement or the Purchase Agreement, as the case may be, shall be deemed to be modified and amended in accordance therewith, the respective rights, duties and obligations of the parties hereto or thereto and all Owners of Obligations Outstanding, as the case may be, shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modification and amendment, and all the terms and conditions of any supplemental or amending agreement shall be deemed to be part of the terms and conditions of this Trust Agreement or the Purchase Agreement, as the case may be, for any and all purposes. The Trustee may require each Owner, before his consent provided for in this Article VIII shall be deemed effective, to reveal whether the Obligations as to which such consent is given are disqualified as provided in Section 8.3.

Section 8.5. Endorsement or Replacement of Obligations Delivered After Amendments. The Trustee may determine that Obligations delivered after the effective date of any action taken as provided in this Article shall bear a notation, by endorsement or otherwise, in form approved by the Trustee, as to such action. In that case, upon demand of the Owner of any Obligation Outstanding at such effective date and presentation of his Obligation for the purpose at the office of the Trustee, a suitable notation shall be made on such Obligation. The Trustee may determine that the delivery of substitute Obligations, so modified as in the opinion of the Trustee is necessary to conform to such Obligation Owners' action, which substitute Obligations shall thereupon be prepared, executed and delivered. In that case, upon demand of the Owner of any Obligation then Outstanding, such substitute Obligation shall be exchanged at the Designated Office of the Trustee, without cost to such Owner, for an Obligation of the same character then Outstanding, upon surrender of such Outstanding Obligation.

Section 8.6. Amendatory Endorsement of Obligations. The provisions of this Article shall not prevent any Obligation Owner from accepting any amendment or supplement as to the particular Obligations held thereby, provided that proper notation thereof is made on such Obligations.

## ARTICLE IX COVENANTS, NOTICES

Section 9.1. Compliance With and Enforcement of Purchase Agreement. The City shall perform all obligations and duties imposed on it under the Purchase Agreement and shall not do or permit anything to be done, or omit or refrain from doing anything, in any case where any such act done or permitted to be done, or any such omission of or refraining from action, would or might be an Event of Default. The City, immediately upon receiving or giving any notice,

communication or other document in any way relating to or affecting any such action will deliver the same, or a copy thereof, to the Trustee.

Section 9.2. Observance of Laws and Regulations. The City shall well and truly keep, observe and perform all valid and lawful obligations or regulations now or hereafter imposed on it by contract, or prescribed by any law of the United States of America, or of the State, or by any officer, board or commission having jurisdiction or control, as a condition of the continued enjoyment of any and every right, privilege or franchise now owned or hereafter acquired by the City, including its right to exist and carry on business as a political subdivision, to the end that such rights, privileges and franchises shall be maintained and preserved, and shall not become abandoned, forfeited or in any manner impaired.

Section 9.3. Recordation and Filing. The City shall file this Trust Agreement (or a memorandum thereof or a financing statement with respect thereto), and all such documents as may be required by law (and shall take all further actions which may be necessary or be reasonably required by the Trustee), all in such manner, at such times and in such places as may be required by law in order fully to preserve, protect and perfect the security of the Trustee and the Owners. The Trustee has no duty or obligation to determine the sufficiency of any such filings.

Section 9.4. Further Assurances. The Trustee (at the reasonable request of the City) and the City shall make, execute and deliver any and all such further resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Trust Agreement and the Purchase Agreement and for the better assuring and confirming unto the Owners the rights and benefits provided herein.

Section 9.5. Notification to the City of Failure to Make Payments. The Trustee shall notify the City of any failure by the City to make any Payment or other payment required under the Purchase Agreement to be made to the Trustee, in writing and within one (1) Business Day of any such failure. Such notice shall not be a prerequisite for the occurrence of an Event of Default.

Section 9.6. Business Days. Except as otherwise required herein, if this Trust Agreement or the Purchase Agreement requires any party to act on a specific day and such day is not a Business Day, such party need not perform such act until the next succeeding Business Day, and such act shall be deemed to have been performed on the day required.

## ARTICLE X LIMITATION OF LIABILITY

Section 10.1. Limited Liability of the City. Except for the payment of Payments from Excise Tax Revenue Pledged Revenue when due in accordance with the Purchase Agreement and the performance of the other covenants and agreements of the City contained in the Purchase Agreement and herein, the City shall have no pecuniary obligation or liability to any of the other parties or to the Owners with respect to this Trust Agreement or the terms, execution, delivery or transfer of the Obligations or the distribution of Payments to the Owners by the Trustee.

Section 10.2. No Liability of the City for Trustee Performance. The City shall have no obligation or liability to any of the other parties or to the Owners with respect to the performance by the Trustee of any duty imposed upon it under this Trust Agreement.

Section 10.3. Indemnification of the Trustee.

(a) To the extent permitted by law, the City shall indemnify and save the Trustee, in its capacity as Trustee and Seller, and its officers, directors, agents and employees, harmless for, from and against all claims, losses, costs, expenses, liability and damages, including legal fees and expenses, arising out of: (1) the use, maintenance, condition or management of, or from any work or thing done on, the Projects or any portion thereof or interest therein by the City; (2) any breach or default on the part of the City in the performance of any of its obligations under this Trust Agreement and any other agreement made and entered into for purposes of the Projects or any interest therein; (3) any act of negligence of the City or of any of its agents, contractors, servants, employees or licensees with respect to the Projects; (4) any act of negligence of any assignee of, or purchaser from, the City or of any of its or their agents, contractors, servants, employees or licensees with respect to the Projects; (5) the acquisition of the Projects or any interest therein; (6) the actions of any other party, including but not limited to the operation or use of the Projects or interest therein by the City; (7) the ownership of the Projects or interest therein; (8) the exercise and performance by the Trustee of its powers and duties hereunder, under the Purchase Agreement or the Obligations or in connection with any document or transaction contemplated herewith or therewith; or (9) any untrue statement or alleged untrue statement of any material fact or omission or alleged omission to state a material fact necessary to make the statements made, in light of the circumstances under which they were made, not misleading in any official statement or other offering circular utilized in connection with the sale of the Obligations, including the costs and expenses of defending itself against any claim of liability arising under this Trust Agreement. No indemnification will be made under this Section or elsewhere in this Trust Agreement for willful misconduct, negligence or breach of duty under this Trust Agreement by the Trustee, or by its officers, agents, employees, successors or assigns. As security for the payment of amounts due under Section 7.5 and this Section, the Trustee shall be secured under this Trust Agreement by a lien prior to that for the Obligations. The obligations of the City hereunder for indemnification under this Section shall remain valid and binding notwithstanding, and shall survive, the payment or prepayment of principal represented by the Obligations or resignation or removal of the Trustee or the termination of this Trust Agreement.

(b) Promptly after determining that any event or condition which requires or may require indemnification by the City hereunder exists or may exist, or after receipt of notice of the commencement of any action in respect of which indemnity may be sought hereunder, the Trustee shall notify the City in writing of such circumstances or action (the "Notification"). Failure to give such notification shall not affect the right of the Trustee to receive the indemnification provided for herewith. Upon giving of the Notification, the Trustee shall cooperate fully with the City in order that the City may defend, compromise or settle any such matters or actions which may result in payment by the City hereunder. The City shall give the Trustee notice of its election within fifteen (15) days after receiving the Notification whether the City, at its sole cost and expense, shall represent and defend the Trustee in any claim or action which may result in a request for indemnification hereunder. If the City timely gives the notice that it will represent and defend the Trustee thereafter, the Trustee shall not settle or compromise

or otherwise interfere with the defense or undertakings of the City hereunder; provided, however, the Trustee may retain its own counsel and still be indemnified against the cost of employing counsel and all other reasonable expenses despite an assumption of the defense by the City if the Trustee believes in good faith that there are defenses available to it which are adverse to or in conflict with those available to the City and which the Trustee believes in good faith cannot be effectively asserted by common counsel. The Trustee always has the right to employ separate legal counsel but, subject to the preceding sentence, the fees and expenses of its separate legal counsel must be paid by the Trustee unless the City and the Trustee have mutually agreed to the employment of the Trustee's separate legal counsel. The City shall not settle or compromise any claim or action against the Trustee without the written approval of the Trustee, except to the extent that the City shall pay all losses and the Trustee shall be fully released from such claim or action. If the City either fails to timely give its notice or notifies the Trustee that the City will not represent and defend the Trustee, the Trustee may defend, settle, compromise or admit liability as it shall determine in the reasonable exercise of its discretion, at the expense of the City. In the event the City is required to and does indemnify the Trustee as herein provided, the rights of the City shall be subrogated to the rights of the Trustee to recover such losses or damages from any other person or entity.

Section 10.4. Opinion of Counsel. Before being required to take any action, the Trustee may require an opinion of Independent Counsel, which opinion shall be made available to the other parties hereto upon request, which counsel may be counsel to any of the parties hereto, or a verified certificate of any party hereto, or both, concerning the proposed action. If it does so in good faith, the Trustee shall be absolutely protected in relying thereon.

## ARTICLE XI EVENTS OF DEFAULT AND REMEDIES OF OBLIGATION OWNERS

Section 11.1. Seller's Rights Held in Trust. As provided herein, the Trustee holds in trust hereunder all of the Seller's rights in and to the Purchase Agreement, including without limitation all of the Seller's rights to exercise such rights and remedies conferred on the Seller pursuant to the Purchase Agreement as may be necessary or convenient to enforce payment of the Payments and any other amounts required to be deposited in the Payment Fund and enforcement of the pledge of the Excise Tax Revenue Pledged Revenue for the payment of the Obligations.

Section 11.2. Remedies Upon Default; No Acceleration. If an Event of Default shall happen, then and in each and every such case during the continuance of such Event of Default, the Trustee may, or upon request of the Owners of a majority in aggregate principal amount of the Obligations then Outstanding and receiving indemnity satisfactory to it shall, exercise one or more of the remedies granted pursuant to the Purchase Agreement; provided, however, that notwithstanding anything herein or in the Purchase Agreement to the contrary, there shall be no right under any circumstances to accelerate the payment dates of the Obligations or otherwise to declare any of the Payments not then past due or in default to be immediately due and payable.

Section 11.3. Application of Funds. All moneys received by the Trustee pursuant to any right given or action taken pursuant to the provisions of this Article XI or Section 9 of the Purchase Agreement shall be applied by the Trustee in the order following, in the case of the

Obligations, upon presentation of the several Obligations, and the stamping thereon of the payment if only partially paid, or upon the surrender thereof if fully paid:

First, to the payment of the fees, costs and expenses of the Trustee and then of the Obligation Owners in declaring such Event of Default, including reasonable compensation to its or their agents, attorneys and counsel; and

Second, to the payment of the whole amount then owing and unpaid with respect to the Obligations and, in case such moneys shall be insufficient to pay in full the whole amount so owing and unpaid with respect to the Obligations, then to the payment of such principal and interest without preference or priority of principal over interest, or of interest over principal, or of any installment of interest over any other installment of interest, ratably to the aggregate of such principal and interest.

Section 11.4. Institution of Legal Proceedings. If one or more Events of Default shall happen and be continuing, the Trustee in its discretion may, and upon the written request of the Owners of a majority in aggregate principal amount of all Obligations then Outstanding, and upon being indemnified to its satisfaction therefor, shall, proceed to protect or enforce its rights or the rights of the Owners of the Obligations by a suit in equity or action at law for the specific performance of any covenant or agreement contained herein.

Section 11.5. Non-waiver. Except as otherwise provided in this Article, the Obligation Owners have the right to institute suit to enforce and collect the Payments as provided in the Purchase Agreement. No delay or omission of the Trustee or of any Owner of any of the Obligations to exercise any right or power arising upon the happening of any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or an acquiescence therein, and every power and remedy given by this Article to the Trustee or the Owners of the Obligations may be exercised from time to time and as often as shall be deemed expedient by the Trustee or the Obligation Owners.

Section 11.6. Power of Trustee to Control Proceedings. In the event that the Trustee, upon the happening of an Event of Default, shall have taken any action, by judicial proceedings or otherwise, pursuant to its duties hereunder, whether upon its own discretion or upon the request of the Owners of a majority in aggregate principal amount of the Obligations then Outstanding, it shall have full power, in the exercise of its discretion for the best interests of the Owners of the Obligations, with respect to the continuance, discontinuance, withdrawal, compromise, settlement or other disposal of such action; provided, however, that the Trustee shall not discontinue, withdraw, compromise or settle, or otherwise dispose of any litigation pending at law or in equity, without the consent of the Owners of a majority in aggregate principal amount of the Obligations Outstanding.

Section 11.7. Limitation on Obligation Owners' Right to Sue.

(a) No Owner of any Obligation issued hereunder shall have the right to institute any suit, action or proceeding at law or in equity, for any remedy under or upon this Trust Agreement, unless (1) such Owner shall have previously given to the Trustee written notice of the occurrence of an Event of Default hereunder; (2) the Owners of at least a majority in

aggregate principal amount of all Obligations then Outstanding shall have made written request upon the Trustee to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name; (3) said Owners shall have tendered to the Trustee indemnity satisfactory to it against the costs, expenses, and liabilities to be incurred in compliance with such request; and (4) the Trustee shall have refused or omitted to comply with such request for a period of sixty (60) days after such written request shall have been received by, and said tender of indemnity shall have been made to, the Trustee.

(b) Such notification, request, tender of indemnity and refusal or omission are hereby declared, in every case, to be conditions precedent to the exercise by any Owner of Obligations of any remedy hereunder; it being understood and intended that no one or more Owners of Obligations shall have any right in any manner whatever by his or their action to enforce any right under this Trust Agreement, except in the manner herein provided, and that all proceedings at law or in equity with respect to an Event of Default shall be instituted, had and maintained in the manner herein provided and for the equal and proportionate benefit of all Owners of the Outstanding Obligations.

(c) The right of any Owner of any Obligation to receive payment of said Owner's proportionate interest in the Payments as the same become due, or to institute suit for the enforcement of such payment, shall not be impaired or affected without the consent of such Owner, notwithstanding the foregoing provisions of this Section or any other provision of this Trust Agreement.

notwithstanding that any Obligations shall not have been surrendered for payment, all obligations of the Trustee and the City with respect to such Outstanding Obligations shall cease and terminate, except only the obligation of the Trustee to pay or cause to be paid, from funds deposited pursuant to subsections (2) or (3) of this Section and paid to the Trustee by the Depository Trustee, to the Owners of the Obligations not so surrendered and paid all sums due with respect thereto, and in the event of deposits pursuant to subsections (2) or (3), the Obligations shall continue to represent direct and proportionate interests of the Owners thereof in such funds.

(b) To the extent applicable under Section 41-4401, Arizona Revised Statutes, as amended, the Trustee shall comply with all federal immigration laws and regulations that relate to its employees and its compliance with the “e-verify” requirements under Section 23 214(A), Arizona Revised Statutes, as amended. The Trustee shall keep such papers and records open for random inspection during normal business hours by the Trustee. The Trustee shall cooperate with the random inspections by the City including granting the City entry rights onto its property to perform such random inspections and waiving its respective rights to keep such papers and records confidential.

(c) To the extent applicable under to Section 35-393, et seq., Arizona Revised Statutes, as amended, the Trustee hereby certifies it is not currently engaged in, and for the duration of this Trust Agreement shall not engage in, a boycott of Israel. The term “boycott” has the meaning set forth in Section 35-393, Arizona Revised Statutes, as amended. If the City determines that the Trustee’s certification above is false or that it has breached such agreement, the City may impose remedies as provided by law.

(d) To the extent applicable under Section 35-394, Arizona Revised Statutes, as amended, the Trustee hereby certifies it does not currently, and for the duration of this Trust Agreement shall not use: (i) the forced labor of ethnic Uyghurs in the People’s Republic of China, (ii) any goods or services produced by the forced labor of ethnic Uyghurs in the People’s Republic of China, and (iii) any contractors, subcontractors or suppliers that use the forced labor or any goods or services produced by the forced labor of ethnic Uyghurs in the People’s Republic of China. The foregoing certification is made to the best knowledge of the Trustee without any current independent investigation or without any future independent investigation for the duration of this Trust Agreement. If the Trustee becomes aware during the duration of this Trust Agreement that it is not in compliance with such certification, the Trustee shall provide the required notice to the City and resign as Trustee hereunder in accordance with the provisions of Article VII. If the City determines that the Trustee is not in compliance with the foregoing certification and has not taken remedial action, the City shall terminate the Trustee’s role as the Trustee hereunder pursuant to Article VII.

Section 12.4. Governing Law. This Trust Agreement shall be construed and governed in accordance with the laws of the State.

Section 12.5. Binding Effect and Successors. This Trust Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and assigns. Whenever in this Trust Agreement either the City or the Trustee is named or referred to, such reference shall be deemed to include successors or assigns thereof, and all the covenants and agreements in this Trust Agreement contained by or on behalf of the City or the Trustee shall bind and inure to the benefit of the respective successors and assigns thereof whether so expressed or not.

Section 12.6. Execution in Counterparts. This Trust Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same Trust Agreement.

Section 12.10. Waiver of Notice. Whenever in this Trust Agreement the giving of notice by mail or otherwise is required, the giving of such notice may be waived in writing by the person entitled to receive such notice and in any case the giving or receipt of such notice shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Section 12.11. Severability of Invalid Provisions. In case any one or more of the provisions contained in this Trust Agreement or in the Obligations shall for any reason be held to be invalid, illegal or unenforceable in any respect, then such invalidity, illegality or unenforceability shall not affect any other provision of this Trust Agreement, and this Trust Agreement shall be construed as if such invalid or illegal or unenforceable provision had never been contained herein. The parties hereto hereby declare that they would have entered into this Trust Agreement and each and every other section, paragraph, sentence, clause or phrase hereof and authorized the delivery of the Obligations pursuant thereto irrespective of the fact that any one or more sections, paragraphs, sentences, clauses or phrases of this Trust Agreement may be held illegal, invalid or unenforceable.

PRINCIPAL AMOUNT: ..... DOLLARS

THIS IS TO CERTIFY THAT the registered owner identified above, or registered assigns, as the registered owner of this Pledged Revenue Obligation, Series 2025A (this “Obligation”) is the owner of an undivided, participatory, proportionate interest in the right to receive certain “Payments” under and defined in that certain First Purchase Agreement, dated as of \_\_\_\_\_ 1, 2025 (the “Purchase Agreement”), by and between ..... (the “Trustee”), and the City of Yuma, Arizona, a municipal corporation under the laws of the State of Arizona (the “City”), which Payments and other rights and interests under the Purchase Agreement are held by the Trustee in trust under that certain First Trust Agreement, dated as of \_\_\_\_\_ 1,

<sup>1</sup> Included only while DTC is the Securities Depository.

2025 (the “Trust Agreement”), by and between the City and the Trustee. The Trustee maintains a corporate trust office for payment and transfer of this Obligation (the “Designated Office”).

The registered owner of this Obligation is entitled to receive, subject to the terms of the Purchase Agreement, on the payment date set forth above, the principal amount set forth above, representing a portion of the Payments due designated as principal coming due and to receive semiannually on January 1 and July 1 of each year commencing \_\_\_\_\_ 1, 2026 (the “Interest Payment Dates”), until payment in full of said portion of principal or prepayment prior thereto, the registered owner’s proportionate share of the Payments designated as interest coming due during the period commencing on the last date on which interest was paid and ending on the day prior to the Interest Payment Date or, if no interest has been paid, from the Dated Date specified above. Said interest is the result of the multiplication of said principal by the interest rate per annum set forth above. Interest shall be calculated on the basis of a 360-day year composed of twelve (12) months of thirty (30) days each.

Said amounts representing the registered owner’s share of the Payments designated as interest are payable in lawful money of the United States of America by check mailed when due by first class mail by the Trustee to the registered owner in whose name this Obligation is registered at the close of business on the fifteenth (15th) day of the calendar month next preceding the Interest Payment Date at the address thereof as it appears on the registration books for the Obligations maintained by the Trustee. Said amounts representing the registered owner’s share of the Payments designated as principal are payable when due upon surrender of this Obligation at the Designated Office. Principal and interest payable to any owner of \$1,000,000 or more in principal amount of the series of obligations of which this Obligation is a part (the “Obligations”) may be paid by wire transfer in immediately available funds to an account in the United States of America if the owner makes a written request of the Trustee at least twenty (20) days before the date of payment specifying the account address. The notice may provide that it shall remain in effect for subsequent payments until otherwise requested in a subsequent written notice.

The Trustee has no obligation or liability to the registered owners of the Obligations for the payment of interest or principal represented by the Obligations. The Trustee’s sole obligations are to administer, for the benefit of the registered owners of the Obligations, the various funds and accounts established pursuant to the Trust Agreement. (The recitals, statements, covenants and representations made in this Obligation shall be taken and construed as made by and on the part of the City, and not by the Trustee, and the Trustee does not assume, and shall not have, any responsibility or obligation for the correctness of any thereof.)

This Obligation has been executed and delivered by the Trustee pursuant to the terms of, and for the purposes described in, the Trust Agreement. The City is authorized to enter into the Purchase Agreement and the Trust Agreement under the laws of the State of Arizona and by an ordinance of the Mayor and Council of the City adopted on October 15, 2025. Reference is hereby made to the Purchase Agreement and the Trust Agreement (copies of which are on file at the Designated Office) for further definitions, the terms, covenants and provisions pursuant to which the Obligations are delivered, the rights thereunder of the registered owners of the Obligations, the terms under which the Trust Agreement or the Purchase Agreement may be modified or supplemented, the rights, duties and immunities of the Trustee and the security for, and the rights and obligations of the City under the Purchase Agreement (including with respect

to certain obligations secured and to be secured on a parity lien basis with the security for the Payments and to certain limitations on such security), to all of the provisions of which Purchase Agreement and Trust Agreement the registered owner of this Obligation, by acceptance hereof, assents and agrees. (To the extent and in the manner permitted by the terms of the Trust Agreement, the provisions of the Trust Agreement and the Purchase Agreement may be amended by the parties thereto with the written consent of the owners of a majority in aggregate principal amount of all Obligations then outstanding, and may be amended without such consent under certain circumstances but in no event such that the interests of the owners of the Obligations are adversely affected, provided that no such amendment shall impair the right of any owner to receive in any case such owner's proportionate share of any Payment thereof in accordance with such owner's Obligation.)

The obligation of the City to make the Payments does not represent or constitute a general obligation of the City for which the City is obligated to levy or pledge any form of taxation nor does the obligation to make the Payments under the Purchase Agreement constitute an indebtedness of the City, the State of Arizona or any of its political subdivisions within the meaning of any constitutional or statutory debt limitation or restriction or otherwise.

Neither the Trustee nor the registered owners of the Obligations shall have any right under any circumstances to accelerate the payment dates of the Obligations or otherwise declare any of the Payments not then past due or in default to be immediately due and payable. (This Obligation represents an interest in a limited obligation of the City (as described herein), and no member of the Mayor and Council, officer or agent, as such, past, present or future, of the City shall be personally liable for the payment hereof.)

The Obligations are executed and delivered only in fully registered form in denominations of \$5,000 of principal due on a specific payment date or integral multiples thereof. The Obligations shall not be transferable or exchangeable, except as provided in the Trust Agreement.

This Obligation may be exchanged for an Obligation or Obligations of like series and aggregate principal amount in authorized denominations having the same payment date and interest rate.

This Obligation is transferable by the registered owner hereof, in person or by his attorney duly authorized in writing, at the Designated Office, but only in the manner, subject to the limitations and upon payment of the charges provided in the Trust Agreement and upon surrender and cancellation of this Obligation. Upon such transfer a new Obligation or Obligations, of authorized denomination or denominations, for the same series and aggregate principal amount will be delivered to the transferee in exchange therefor. The City and the Trustee may treat the registered owner hereof as the absolute owner hereof for all purposes, whether or not this Obligation shall be overdue, and the City and the Trustee shall not be affected by any notice to the contrary.

The Trustee may require a registered owner, among other things, to furnish appropriate endorsements and transfer documents and to pay any taxes or governmental charges required by law in connection with the exchange or transfer.

The registered owner of this Obligation shall have no right to enforce the provisions of the Trust Agreement or the Purchase Agreement or to institute any action to enforce the covenants thereof, or to take any action with respect to a default thereunder or hereunder, or to institute, appear in or defend any suit or other proceedings with respect thereto, except as provided in the Trust Agreement.

The Obligations payable before or on July 1, 20\_\_, are not subject to optional prepayment prior to their stated payment dates. Such Obligations payable on or after July 1, 20\_\_, are subject to prepayment in such order and from such payment dates as may be selected by the City, in whole or in part on any date on or after July 1, 20\_\_, at a prepayment price equal to the principal amount of each Obligation to be prepaid, together with accrued interest to the date fixed for prepayment, but without premium.

If less than all of the outstanding Obligations of any payment date are to be prepaid, the Obligations (or portions hereof) to be prepaid will be selected by the Trustee by lot or in any customary manner as determined by the Trustee. Prepayment shall be in authorized denominations or any integral multiples thereof.

The Trustee shall give notice of any optional prepayment of this Obligation as provided above no more than 60 or less than 30 calendar days prior to the prepayment date to the registered owner at its address shown on the registration books maintained by the Trustee. A certificate of the Trustee shall conclusively establish the mailing of any such notice for all purposes.

If at the time of mailing of the notice of prepayment there has not been deposited with the Trustee moneys or eligible securities sufficient to prepay all Obligations subject to prepayment and other requirements set forth in the Trust Agreement are not met, such notice shall state that it is conditional, subject to the deposit of moneys sufficient for the prepayment and satisfaction of such conditions. If Obligations or portions thereof are subject to prepayment and if on the prepayment date moneys for the prepayment thereof are held by the Trustee and those other conditions are met, thereafter those Obligations or portions thereof to be prepaid shall cease to bear interest, and shall cease to be secured by, and shall not be deemed to be outstanding under, the Trust Agreement.

The failure to receive any notice of prepayment, or any defect in such notice in respect of any Obligation, shall not affect the validity of prepayment of any Obligation.

The Trustee may, but shall not be obligated to, exchange or register the transfer of this Obligation (i) if this Obligation has been selected for prepayment, in whole or in part, or (ii) during a period of fifteen (15) days preceding the giving of a notice of prepayment. If this Obligation is transferred after having been selected for prepayment, any notice of prepayment which has been given to the transferor shall be binding on the transferee, and a copy of the notice of prepayment shall be delivered by the Trustee to the transferee along with the duly registered Obligation or Obligations.

It is hereby certified, recited and declared that all conditions, acts and things required by the Constitution and laws of the State of Arizona to happen, to be done, to exist and to be performed precedent to and in the execution and delivery of this Obligation have happened,

have been done, do exist and have been performed in regular and due form and time as required by law.

This Obligation shall not be entitled to any security or benefit under the Trust Agreement until executed by the Trustee.

(To the extent and in the manner permitted by the terms of the Trust Agreement, the provisions of the Trust Agreement and the Purchase Agreement may be amended by the parties thereto with the written consent of the owners of a majority in aggregate principal amount of all Obligations then outstanding, and may be amended without such consent under certain circumstances but in no event such that the interests of the owners of the Obligations are adversely affected, provided that no such amendment shall impair the right of any owner to receive in any case such owner's proportionate share of any Payment thereof in accordance with such owner's Obligation.)

The obligation of the City to make the Payments does not represent or constitute a general obligation of the City for which the City is obligated to levy or pledge any form of taxation nor does the obligation to make the Payments under the Purchase Agreement constitute an indebtedness of the City, the State of Arizona or any of its political subdivisions within the meaning of any constitutional or statutory debt limitation or restriction or otherwise.

Neither the Trustee nor the registered owners of the Obligations shall have any right under any circumstances to accelerate the payment dates of the Obligations or otherwise declare any of the Payments not then past due or in default to be immediately due and payable. (This Obligation represents an interest in a limited obligation of the City (as described herein), and no member of the Mayor and Council, officer or agent, as such, past, present or future, of the City shall be personally liable for the payment hereof.)

The Obligations are executed and delivered only in fully registered form in denominations of \$5,000 of principal due on a specific payment date or integral multiples thereof. The Obligations shall not be transferable or exchangeable, except as provided in the Trust Agreement.

This Obligation is transferable by the registered owner hereof, in person or by his attorney duly authorized in writing, at the Designated Office, but only in the manner, subject to the limitations and upon payment of the charges provided in the Trust Agreement and upon surrender and cancellation of this Obligation. Upon such transfer a new Obligation or Obligations, of authorized denomination or denominations, for the same series and aggregate principal amount will be delivered to the transferee in exchange therefor. The City and the Trustee may treat the registered owner hereof as the absolute owner hereof for all purposes, whether or not this Obligation shall be overdue, and the City and the Trustee shall not be affected by any notice to the contrary.

The Trustee may require a registered owner, among other things, to furnish appropriate endorsements and transfer documents and to pay any taxes or governmental charges required by law in connection with the exchange or transfer.

The registered owner of this Obligation shall have no right to enforce the provisions of the Trust Agreement or the Purchase Agreement or to institute any action to enforce the covenants thereof, or to take any action with respect to a default thereunder or hereunder, or to institute, appear in or defend any suit or other proceedings with respect thereto, except as provided in the Trust Agreement.

The Obligations payable before or on July 1, 20\_\_, are not subject to optional prepayment prior to their stated payment dates. Such Obligations payable on or after July 1, 20\_\_, are subject to prepayment in such order and from such payment dates as may be selected by the City, in whole or in part on any date on or after July 1, 20\_\_, at a prepayment price equal to the principal amount of each Obligation to be prepaid, together with accrued interest to the date fixed for prepayment, but without premium.

If less than all of the outstanding Obligations of any payment date are to be prepaid, the Obligations (or portions hereof) to be prepaid will be selected by the Trustee by lot or in any customary manner as determined by the Trustee. Prepayment shall be in authorized denominations or any integral multiples thereof.

The Trustee shall give notice of any optional prepayment of this Obligation as provided above no more than 60 or less than 30 calendar days prior to the prepayment date to the registered owner at its address shown on the registration books maintained by the Trustee. A certificate of the Trustee shall conclusively establish the mailing of any such notice for all purposes.

If at the time of mailing of the notice of prepayment there has not been deposited with the Trustee moneys or eligible securities sufficient to prepay all Obligations subject to prepayment and other requirements set forth in the Trust Agreement are not met, such notice shall state that it is conditional, subject to the deposit of moneys sufficient for the prepayment and satisfaction of such conditions. If Obligations or portions thereof are subject to prepayment and if on the prepayment date moneys for the prepayment thereof are held by the Trustee and those other conditions are met, thereafter those Obligations or portions thereof to be prepaid shall cease to bear interest, and shall cease to be secured by, and shall not be deemed to be outstanding under, the Trust Agreement.

The failure to receive any notice of prepayment, or any defect in such notice in respect of any Obligation, shall not affect the validity of prepayment of any Obligation.

The Trustee may, but shall not be obligated to, exchange or register the transfer of this Obligation (i) if this Obligation has been selected for prepayment, in whole or in part, or (ii) during a period of fifteen (15) days preceding the giving of a notice of prepayment. If this Obligation is transferred after having been selected for prepayment, any notice of prepayment which has been given to the transferor shall be binding on the transferee, and a copy of the notice of prepayment shall be delivered by the Trustee to the transferee along with the duly registered Obligation or Obligations.
